## A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Charles Edwin Drew was born and educated in England, and served with the Royal Naval Air Service before coming to Canada in 1951, where he was employed by the Avro Aircraft Company, in Malton, on the Avro Arrow project until 1959, when he began his present career as a General Agent with the Allstate Insurance Company, in Markham.

He is married to the former Ellen-Orr Patterson, and they are blessed with sons Mark and Wayne and daughter Laura; and grandchildren Andrew, Katelyn, Danielle and Coulton.

His father, Bro. Charles Drew sponsored his application to Georgina Lodge No. 343, G.R.C., in 1955, where he was initiated, passed and raised, served as Worshipful Master in 1972, and as District Deputy Grand Master of Toronto District 3 from 1976 to 1977. Son Wayne, son-in-law James and brother Alan are also members of Georgina Lodge.

He is also a charter member of Heritage Lodge No. 730, G.R.C., in Cambridge, serving as Worshipful Master in 1985, charter member of the Heritage Masonic Corporation, and Chairman of the Black Creek Pioneer Village Project.

As a member of the Board of General Purposes of Grand Lodge since 1985, he has served as the Chairman of various committees, namely the Mentors Programme, Printing and Publications, Condition of Masonry, the Communications Committee and, in 1991, as the first Chairman of the Management Committee.

In July, 1991, he was elected Deputy Grand Master, and at the One Hundred and Thirty-eighth Annual Communication, in 1993, was elected for a two-year term as the sixty-sixth Grand Master.

He is a member of University Chapter No. 241, R.A.M., serving as First Principal in 1983 and Assistant Grand Director of Ceremonies in 1990. Bro. Drew is an active member of the Ancient and Accepted Scottish Rite in Toronto, Hamilton and Barrie, and served as Most Wise Sovereign of the Toronto Sovereign Chapter of Rose Croix in 1985. In 1988 he was Coroneted Honourary Inspector General 33°, Supreme Council for Canada, in Vancouver, British Columbia.

M.W. Bro. Drew is also a member of the Royal Order of Scotland; Holy Land Conclave No. 3, Red Cross of Constantine; Rameses Temple A.A.O.N.M.S.; The Philalethes Society; York Council No. 133, Allied Degrees; and the Quatuor Coronati Correspondence Circle.

Our Grand Master is the Grand Representative of the Grand Lodge of New York, near this Grand Lodge.

## GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

Twenty-four months ago, you elected me as Grand Master of this distinguished Grand Lodge, the oldest and largest Grand Lodge in Canada. It was an awesome responsibility to assume leadership of the very many talented, hard-working and dedicated brethren that make up the Grand Lodge. One year ago, I accounted to you with respect to the first twelve months of my term as Grand Master. There was at that time much yet to do and accomplish, and I entered into this my final year of leadership, anxious to complete so many tasks and yet conscious of the inevitable fact that many of my goals would remain unfulfilled.

This year, as well as last year, has been a very busy time in my life, and I hope that what I have accomplished in my own small way has been a positive influence on Masonry in Ontario.

Throughout my term, I have tried to practice continuity, building on the programmes and ideas of those who have gone before me, adding modification where necessary, and endeavouring to see that talented and dedicated Masons were charged with spearheading those specific programmes for the benefit of all. In addition, I have tried to convince all who would listen, that Masonry is a way of life and, while we must be serious about the tasks at hand, there is still ample room to have fun and fellowship as we go about our Masonic duties. The extension of the hand of friendship was ever foremost in my mind.

## WELCOME

Let me, first, welcome to our 138th Annual Communication of our Grand Lodge all of the many brethren who have journeyed to Toronto from near and far to share in the learning experiences that are always available when Masons of the many communities that make up our vast Province get together at our Annual Communication.

Welcome my Brethren. May your stay in our capital city be pleasant and productive.

To our guests from the many jurisdictions outside of the Province of Ontario, I extend to you a most sincere welcome, and thank you for honouring our Grand Lodge with your presence. You do much to communicate the happiness that must abound, as each of us answer to that charge so plainly laid out in the General Charge in our ritual. Your presence affords my wife, Nancy, and I the opportunity, in a small way, to repay the many courtesies and fine hospitality already extended to us both during our visits to your respective jurisdictions.

"Welcome, Thrice Welcome, you need no key to our City; all doors are open to you, all hands outstretched in welcoming greeting, all hearts the happier that you have come to be our guests."

### NECROLOGY

Once again, and with sincere regret, I advise you of the passing of three stalwart Masons, who have served this Grand Lodge with great distinction and much vigour.

#### **M.W. Bro. William Kirk Bailey, P.G.M.**

M.W. Bro. William K. Bailey passed away November 20, 1992, at Toronto, and has left a large void in our Grand Lodge. M.W. Bro. Bailey served as Grand Master during the years 1971 and 1972. M.W. Bro. Bailey was an educator in his private life, and brought his great expertise in this field to our Grand Lodge in so many ways. He was precise and accurate in all he did and said, and his very extensive knowledge of, and experience with, our ritual, allowed him to serve this jurisdiction for many years as Custodian of the Work. In addition, his leadership as President of the Masonic Foundation of Ontario brought the charitable arm of Grand Lodge to new heights never before realized. Whenever he could assist his fellow Mason, he was always ready to jump in and lend a helping hand, with wise counsel, sound advice and an understanding of Masonry that very few ever acquire. One of his most lasting contributions was undoubtedly the revision of our Constitution in 1980. M.W. Bro. Bailey chaired a team of brethren, learned in the law, who produced, after years of hard work, a new Constitution, replacing one that was outdated, cumbersome and almost undecipherable. Shortly before his death, I had the singular pleasure of presenting to our worthy brother his certificate as the representative, near our Grand Lodge, of the Mother Grand Lodge of the world—The United Grand Lodge of England. It was a great night in lodge with M.W. Bro. Bailey who had

returned that very day from Boston, Massachusetts, where he had been visiting his daughter. We salute so great a man and Mason, and express our thanks to the Most High that all of us have been the beneficiaries of a life of dedicated work, wise counsel, action and sound advice.

### **R.W. Bro. W. Norman Buckingham**

February, 3, 1993, saw the loss of this worthy brother. This dedicated and innovative Mason was the catalyst that enabled our Grand Lodge to shed its public image of secrecy and come forth as a fraternity of caring men with much to offer modern society. R.W. Bro. Buckingham served this Grand Lodge as our guide and director of public relations and media information, serving as chairman of our Grand Lodge Public Relations Committee. He spent a lifetime in the public relations field with a large international farm machinery company, gaining extensive experience in Canada and the U.S.A. The knowledge he gained and his experience were freely offered to Grand Lodge. Through his efforts, much of our public awareness came about, and he was of tremendous help in charting our course towards lifting the bushel basket from our Masonic light. He had a great ability to communicate ideas and thoughts with words, far surpassing what many of us can ever accomplish. With his guidance and direction, your Grand Master made his first appearance for Grand Lodge on commercial television, when R.W. Bro. Buckingham and I were interviewed on a Kitchener television station. His ideas, his goals, his direction, will guide your Grand Lodge for many years to come in the area of public information and media relations. We will miss his happy countenance and extend our consolation to his family.

### **R.W. Bro. Robert Strachan**

The death of R.W. Bro. Strachan on February 4, 1993, took from our Grand Lodge, a Mason with great energy and dedication. While diminutive in size, his efforts far exceeded many who physically exceeded him in stature. R.W. Bro. Strachan, for many years, acted annually as chairman of the Committee of Scrutineers. His report each year on the results on the annual election was awaited eagerly by the brethren who had offered themselves as candidates for office. The secrecy of the ballot was always foremost in his mind. It was through his efforts that selected brethren were always available to collect, count, and record the vote. R.W. Bro. Strachan was appointed a P.G.S.W. (Hon) in 1963. His energy and secretarial skills, which were of note, extended into many branches of Masonry, including the Scottish Rite and the Royal Order of Scotland. He was honorary chairman of The Eat and Argue Club of Toronto, and always enjoyed his visits there. To have

known this brother was to experience the joys of brotherhood. We shall miss him, but we give thanks to THE GREAT ARCHITECT OF THE UNIVERSE for the wealth of service he gave during his long and most useful life.

In addition to the foregoing brethren, we have lost over ninety of our Past Grand Lodge Officers, and two holders of the William Mercer Wilson Medal. Their names are recorded elsewhere, and as we proceed to deliberate on the current matters at hand during this communication, we shall pause for a few moments to reflect on the great opportunity so many of us have had to know and love those who have quit our retreat of friendship and brotherly love. We treasure their memory and ask ourselves, at this time, "Is death the last sleep? No, it is the last and final awakening."

### APPRECIATION

No man can assume the mantle of leadership alone—to do so is foolhardy and unwise. I have, during my term, been assisted by so many brethren who have rendered service to their Grand Master and this Grand Lodge without hope of favour or reward, but out of the joy of being involved.

In our Masonic Districts, I have again been so ably represented by our District Deputy Grand Masters. They have been a great credit to Grand Lodge and the Craft and have worked tirelessly to ensure that the programmes of Grand Lodge were carried forth and implemented in their respective districts. Their tasks, in addition to being a leader in each District, have varied from district administration, supervision of district receptions and events, lodge inspections and visitations, and a wealth of other important duties. By meeting with these dedicated and active Masons in smaller groups of fourteen to eighteen in regional meetings throughout the Province, I was able to carry the messages and programmes of Grand Lodge directly to each D.D.G.M. on a personal, face-to-face basis, with the added advantage of getting to know each one as a person and as a friend. I extend to each D.D.G.M. my personal thanks and my sincere appreciation for the many, many efforts each has put forward over the last twelve months. They have gone the second mile, and I shall forever be indebted.

The Grand Lodge officers have been particularly supportive this past year, and almost everywhere I went they were there to greet and support me. They have added so much to my pleasures during my term, and I thank them.

The members of the Management Board, the Honourary, Elected, and Appointed members of the Board, have had a very busy and productive year with Grand Lodge work in general, and the efforts each put forward with respect to Grand Lodge committee work. They, too, have met with me and the D.G.M. on at least two formal occasions, and I feel that the dialogue achieved in smaller group meetings has been most worthwhile.

One of the stalwart members of the Board of General Purposes, R.W. Bro. James Gilpin, has indicated to me his wish to retire from the heavy duties attributable to a Board Member, due to personal and business commitments, over which he has little control. I thank R.W. Bro. James Gilpin for his efforts as a member of the Board, and wish him good health and happiness in his new challenges.

### PAST GRAND MASTERS

Last year, I reported to you on the great support I had received from the Past Grand Masters of this jurisdiction. They continued that support in my second year and with undiminished zeal. Their support, wise counsel and advice, their acting as a sounding board for new and different ideas, and the great honour they bring to our Grand Lodge by their very presence at lodge functions, shall enshrine them forever in my heart. I have been a very fortunate man and Mason to have such generous, wise and caring brethren ever ready to assist me when called upon. I thank them most sincerely.

### OF SPECIAL NOTE

I shall make special mention of several brethren whose help and assistance have made my task so much easier. No Grand Master could possibly have a more dedicated, organized, and energetic Deputy Grand Master as has this Grand Master. R.W. Bro. C. Edwin Drew has been my constant consultant, companion and advisor, and a friendship that developed last year has blossomed into a close-knit bond of fellowship and appreciation, which will last the rest of my life. I thank him for his counsel and for guiding me into being a better organized Grand Master than I might otherwise have been. I have absolutely no qualms or concerns in handing over to him the Grand Master's gavel, for I know he will lead our Grand Lodge to new heights with zeal, energy and dedication. Thank you R.W. Bro. Drew, my brother and my friend.

This year, I have been attended by two very attentive, lively and friendly brethren, in the persons of V.W. Bro. Allard Loopstra, Grand Director of Ceremonies, and V.W. Bro. Dennis Noble, Assistant Grand Director of Ceremonies. They have made it their sworn duty to see that the slightest wish or desire of the Grand Master was instantly gratified. They have each driven me thousands of kilometres from one part of this Province to another. They have been entertaining and lively travelling companions and have safely and quickly conveyed me to wherever I was required to be in attendance. I will miss their happy countenances in the years ahead in their official capacity, but our friendship shall continue until time shall be no more. I only hope that I will be able to look after my regalia and personal items as carefully as they have looked after them this year. My unbounded thanks go out to these brethren.

### APPOINTMENTS

During my term this last year, I was pleased to recognize the several accomplishments and the special service to our beloved Craft that had been given so selflessly by several of our brethren. Each has made a meaningful contribution to Grand Lodge, his District, his Lodge and to Masonry generally. I appointed W. Bros. James Bramley—Wentworth Lodge No. 166, Donald G. Johnson—Walsingham Lodge No. 174, and John R. Bryson—Terrace Bay Lodge No. 662, as Grand Stewards on sight, in token of their several respective worthwhile contributions to our Craft. I seek approval of my action to fittingly reward these distinguished brethren for services performed without thought of reward. Unfortunately, shortly after the appointment and investiture of V.W. Bro. James Bramley, he passed away after a courageous battle with cancer and a heart condition. I recommend that he be granted Past Rank posthumously.

V.W. Bro. James T. Cassie, Past Grand Director of Ceremonies, has been an untiring and ardent worker in the quarries of Masonry. His leadership as a director of the Masonic Foundation of Ontario, particularly in connection with the Nip Drugs in the Bud campaign, his business acumen, and good sense have been of direct benefit to our Grand Lodge on many occasions. He currently serves this Grand Lodge as an Honourary Member of the Board of General Purposes, and as a director and officer of the Masonic Foundation. As recognition for his great skill and ability, and as a token of my very sincere appreciation of his untiring efforts for our Craft, pursuant to Section 73 of our Constitution, I recommend that the rank of Past Grand Senior Warden (Hon) be conferred upon him.

## PAST RANK

During the year, five Worshipful Masters were prevented from serving a full twelve months as required by our Constitution. These incidents were beyond the control of these brethren, and each served his lodge while he was able with skill and ability. I recommend that Past Rank be granted to —

- W. Bro. Denny Dias, General Mercer Lodge No. 548
- W. Bro. V. Wacheski, Palace Lodge No. 604
- W. Bro. Ron Hardman, St John's Lodge No. 82
- W. Bro. Terry Seigel, Port Elgin Lodge No. 429  
and posthumously
- W. Bro. Larry G. Pearson, Mercer Wilson Lodge No. 678

## APPOINTMENT OF GRAND REPRESENTATIVES

Masonry is indeed spread over the four divisions of the globe. To ensure that brotherhood is in evidence everywhere, I was pleased to confirm the following brethren as our Grand Representatives near the Grand Lodges of

- Alberta—M.W. Bro. James R. Crawford
- Ohio—M.W. Bro. David L. Dresser
- Scotland—Bro. C. Martin McGibbon

I was also pleased to recommend to the Grand Masters of other Grand Lodges the appointment of the following Grand Representatives of their Grand Lodges near our Grand Lodge.

- Arizona—V.W. Bro. Allard B. Loopstra
- British Columbia—R.W. Bro. Robert A. Barnett
- Colorado—R.W. Bro. Edward Peters
- England—M.W. Bro. Robert E. Davies
- Louisiana—R.W. Bro. Kenneth L. Whiting
- Tasmania—R.W. Bro. James R. Gilpin
- West Virginia—M.W. Bro. T. J. Arthur

## CONFERENCES

I was pleased to attend the Conference of Grand Masters of North America, held this year in February in Little Rock, Arkansas, U.S.A. I was accompanied by the Deputy Grand Master, the Grand Secretary, and our ladies.

The main thrust, this year, of the deliberations of the Grand Masters convened was the vicious attack against Masonry launched by a group of religious zealots, who seem to come as a splinter group from within the Conference of the Southern Baptist Church. One man, particularly, has made a scurrilous attack on our Craft supported by lies, misstatements, untruths, and quotations from Masonic writers, taken entirely out of context. While the effect of this attack has not been felt directly in our jurisdiction, it behooves us to support our Southern Masonic brethren, even though they may be physically a long way away. Masonry, throughout the world, must present a unified front. Our attendance at the Conference was worthwhile, in that we saw and learned of the problem first hand, and were able to assist in our own small way towards its solution. I am happy to report that at a recent meeting of the Southern Baptist Conference the malcontents have been, for the moment, silenced and a decision was made by those in attendance that the question of the compatibility of Masonry and the Christian Church was left for each man's individual conscience.

Again, your Grand Master, the Deputy Grand Master and the Grand Secretary travelled to Winnipeg this year to attend the Canadian Conference of Grand and District Grand Lodges. This gives us all a wonderful opportunity to discuss our common concerns as Canadian Masons, and to act and interact on a very personal basis with leaders of the Craft throughout all of Canada. It is this closeness and the lasting friendships that develop that enable Masonry in Canada to assess new and innovative programmes, their advantages, and their weaknesses—if any—and saves each Grand Lodge time and money, saved by not proceeding with programmes that have not met the test of success in neighbouring jurisdictions.

In my opinion, attendance by the principal officers of your Grand Lodge is a worthwhile investment of time and money, and I recommend we continue to attend both these Conferences.

### DEDICATIONS

During the year, your Grand Master and the Grand Lodge Officers had the opportunity to dedicate three facilities for Masonic purposes, all in accordance with ancient usage and customs. The ceremony of dedication is a meaningful ritual and always impresses those brethren who take the time to attend. The following dedications took place this year, namely:

Madoc Lodge No. 48 on October 3, 1992

Blyth Lodge No. 303 on April 17, 1993, and the

Scottish Rite Cathedral in Hamilton on March 6, 1993.

The dedication of the magnificent facilities in Hamilton correct what has been an oversight for many years. The dedication now allows Masonic degrees (Craft Masonry) in addition to the rituals and ceremonies of the Scottish Rite to be presented in this fine building. It is not the intention of Towers Limited, the owner of the building, to use this Lodge Room to compete with other Masonic Temples in the Hamilton area for regular lodge meeting use, but does provide a proper facility for Masonic degrees where it is anticipated that a very large number of brethren will attend, which would put a real strain on alternate lodge rooms.

In all three dedication ceremonies the ritual was well performed, the facilities for Grand Lodge were very nicely provided, and a banquet followed, allowing the attending brethren to enjoy each other's company and have a delicious meal before returning to their respective homes. I thank all who participated in the planning and implementation of these ceremonies.

### RECOGNITION OF 100 YEARS OF MASONIC SERVICE

Each year, time marches ahead and some lodges are rapidly approaching the time when they become 100 years of age, and are entitled to adorn their aprons and jewels with gold. I congratulate the following lodges who will be entitled to wear gold-trimmed aprons and jewels on the following dates:

Bonnechere Lodge No. 433, as of October 23, 1994

Algonquin Lodge No. 434, as of May 11, 1995

Havelock Lodge No. 435, as of August 16, 1995

Corinthian Lodge No. 476, as of July 18, 2005

### A SPECIAL PROGRAMME TO FILL A SPECIAL NEED

In each of the last few years it has been necessary to severely restrict the Grand Lodge funds available for programmes. Each year, the Grand Lodge Committees present their budget of funds required to implement their specific programmes. These budgets are "cut to the bone" before they are presented because each Committee Chairman has been told that funds are tight, and that Grand Lodge cannot operate on a deficit budget. Each year, it seems necessary to cut the allocation to the various committees such that the programmes lack funds and the members of the committees, who have worked hard and long in planning programmes that will educate, inspire, and

excite the Craft, are frustrated for lack of dollars to see their goals achieved. The whole scenario is upsetting and disappointing to the Grand Master, the Deputy Grand Master, the Audit and Finance Committee, and the Management Committee, who all share in the unpleasant task of saying "No".

In addition, unbelievable as it may sound, there is no way that Grand Lodge can communicate with each member of our jurisdiction directly. Any communication must be directed to the respective lodges, and the secretaries have additional problems in mailing such communication with their own summons, and in certain cases additional postal charges are incurred by the lodge. Our present system may have been satisfactory in the early 1900s, but in today's world of instant communication, such a system is just not acceptable.

Both of these problems have given your Grand Master and those who assist him a great deal of worry and concern.

After much deliberation and soul-searching, and after conferring with the Past Grand Masters, the Management Committee, and the Management Group, I decided to arrange with a commercial firm—skilled and experienced in this kind of thing—to prepare individual, personal, address labels bearing our Masonic logo and to send these labels directly to every brother in Ontario. Yes, I have surprised some brethren. I've even annoyed some who disliked this approach to our members. But, by far, the majority have overwhelmingly supported the mailing, and are using their labels to let their correspondents know that they are Masons and are proud of it. Many of the brethren financially supported the programme, and to those who did I can only offer my profound thanks. It is my hope that all brethren will utilize their address labels as part of our desire to make Masonry more visible in the community. Those of you who have supported the drive have made possible a number of very important things, and I extend my sincere thanks to each of you.

We now will have sufficient funds to implement programmes, and, as well, have a list of names and corresponding addresses for every brother in the Province (except a very few where the lodge did not comply with my request to send in the lodge list of names and addresses). To those of you who supported the programme, and to those of you who may have misgivings of the wisdom of this plan, I say to you—first, the funds received will be used for programmes, and programmes only, and lodge support, except for a minimal administration charge to cover such expenses. These

funds will not be tucked away in an investment plan to be used for a rainy day. They will be used NOW for ongoing programmes that cry out for funding. That rainy day is NOW! — 1993.

Secondly, the list of brethren and their addresses will be jealously guarded and will not be used or sold or given to any organization as a very valuable mailing list. The security with respect to that list is currently in effect, and you may rest assured that it will be available for Grand Lodge use and for Grand Lodge use only.

Some of the brethren received labels with errors, incorrect addresses, and, in some cases, more than one set of labels. Please forgive these errors. We are valiantly trying to purge the list, and it will not be an easy task. Some of the brethren have asked for additional sets of labels. Please be patient. We are trying to respond to your requests and concerns, but the list is a very large list, and this is our very first attempt. I ask each of you to exercise Masonic charity toward your Grand Lodge at this time. We will succeed in our attempts, but it will not happen overnight.

### DISTRICT ASSESSMENT

By virtue of Section 107 of the Constitution, the District Deputy Grand Master may make an assessment on a per capita basis on the lodges in his district for certain specific purposes set forth in Section 107. They are specific and I believe clearly defined. There has occurred in several districts some dissention and concern when an assessment is made for purposes not covered by Section 107. I have specifically pointed out the responsibility of each D.D.G.M. in making such an assessment against the lodges in his district, and that they strictly comply to the letter and in the spirit with our Constitution. Unfortunately, some districts have made an assessment for the convenience of some of the brethren while attending Grand Lodge. This is not permissible and will not be tolerated. I would caution each future District Deputy Grand Master on the wisdom of adhering to the terms of Section 107 completely.

### MASONIC SELECTIVITY

Every Mason in this jurisdiction, from the inception of our Grand Lodge to the present time, has been subject to the ballot on his application to join his lodge. This custom is ancient and can be found in the earliest rituals of our Craft. The use of the ballot is a very onerous task on each brother

Mason when he is called upon to use it. Unfortunately, it has been used with what would appear to be increasing frequency for personal, vindictive or non-Masonic purposes. Each brother Mason should very carefully examine his own Masonic conscience and cast his ballot, albeit in secret, as only a Mason should. He must rid his heart and his mind of prejudices, malice, pique, personal or business vindictiveness, and exercise his Masonic right only in such a manner, that at the great day of Judgment he will be able to stand before the Grand Architect of the Universe, knowing that he has always done his duty as a brother Mason and as a man. There is absolutely no place, in the casting of a ballot for admission of a candidate into our order, for personal pettiness, revenge, idle rumour, jealousy or envy. Each brother Mason is responsible to no human power for the vote that he casts on the petition for admission of a candidate. To his own conscience alone is he to answer for the motives that have led him to the act, and for the act itself. But whether a brother is, or is not, influenced by such unworthy motives, or is indulging such feelings, no one has a right to enquire. And therein lies the heavy responsibility of the ballot—it is between the brother and his Maker. Let each brother search the confines of his own Masonic heart whenever he is about to engage in this very serious privilege and responsibility. As the Master cautions at the taking of the ballot, "Brethren, be careful how you ballot."

### WILLIAM MERCER WILSON MEDAL

Our Grand Lodge, once again, recognises several brethren—who have not assumed the chair of Worshipful Master in their respective lodges—for their outstanding service to their lodge, country, church, community, and the Craft in general, to a degree beyond what is expected of a good Mason. I offer congratulations to the following brethren, recipients of the William Mercer Wilson Medal.

Bro. Kenneth Gordon Houghton, St. John's Lodge No. 20  
Bro. Arthur Chan, Cornwall Lodge No. 125  
Bro. Robert Dixon, Mount Olivet Lodge No. 300  
Bro. Nellis Richard Bowerman, Doric Lodge No. 455  
Bro. James Edwin (Ted) Smith, University Lodge No. 496

I record with sorrow the death of two brethren, holders of this prestigious award, namely:

Bro. Ivor Davies, Medal recipient 1986  
Bro. Wilfred Arthur Newbury, Medal recipient 1990.

## CONGRATULATIONS

It is always a pleasure to recognize and congratulate members of our Craft who have been honoured by their country or by their community. We congratulate M.W. Bro. N. R. Richards, P.G.M., and R.W. Bro. W. Lorne Pacey, P.G.S.W., on receiving Canada's 125th Commemorative Medal. Bro. Clifford G. Smith recently was a recipient of the Governor General's Award for Citizenship. We also congratulate Bro. Gordon Holnbeck of Corinthian Lodge No. 101 on receiving The Ontario Medal of Good Citizenship, in addition to the Honours he has already received. The Municipality of Kincardine recently selected R.W. Bro. Andrew Burgess, a member of the Board of General Purposes, as its Citizen of the Year. We acknowledge and applaud M.W. Bro. John A. Irvine on his celebrating—this year—30 years a Past Grand Master. Many of us have seen and heard of 30 years a Past Master, even 30 years a P.D.D.G.M., but to have risen to the plateau of 30 years a P.G.M. is a singular accomplishment. We congratulate you, M.W. Sir, and may your presence grace our Annual Communication for many more years.

Congratulations to all these brethren. The honours you have received are well deserved and reflect positively on Masonry as well.

## SPECIAL EVENTS – ONTARIO/QUEBEC MASONIC WEEKEND

In September, 1993, at Ottawa, a goodly number of brethren and their ladies assembled. They came from two Grand Lodge jurisdictions, Canada in Ontario and Quebec. Both Grand Masters and their ladies were in attendance, accompanied by many brethren and their ladies. We enjoyed an Open House in a Quebec lodge, exhibitions put on by various bodies and committees of both jurisdictions, enjoyed a delicious dinner, and wound up the weekend with a Sunday morning Church Service, at which many were in attendance. Reports indicate that, while the weather did not always cooperate, a happy and congenial time was enjoyed by all. Some surplus funds were forwarded to the Masonic Foundations of Ontario and of Quebec. The theme of the weekend was not a political statement in response to some difficulties our respective governments were experiencing at the time, but a positive gesture to those who saw this group having fun, and enjoying each other's company, that Masons from Ontario and Quebec can meet together in harmony and goodwill, and put into practice those tenets inculcated in our Masonic philosophy. We extend our thanks to the brethren from both jurisdictions who planned and arranged this special event.

## INTERNATIONAL PLOWING MATCH

Masonry in the 90's has taken a positive stand to remove itself from the image of secrecy and mystery with which it has long been associated, and has made its presence in our communities obvious and apparent. Part of this concept was a repeat of a Masonic presence at the International Plowing Match held each year in Ontario and taking place, in September, 1992, at Lindsay. Those that organized this presentation did an excellent job and gave Masonry a very positive presence before thousands of the agrarian public. The practical results were very encouraging, and I understand Masonry will again make a creditable showing in September, 1993, at the next Plowing Match.

## A NEW LODGE

On November 28, 1992, your Grand Master and the Grand Lodge officers had the privilege of constituting and consecrating a new daylight lodge at Ottawa—Luxor Daylight Lodge No. 741 G.R.C. This was a well-attended occasion, and it was obvious from the energy and dedication of the members of this new lodge that its future is secured and is in good hands. The lodge room ceremony was followed by an enjoyable dinner.

## CUSTODIAN

Once again the dignity and regularity of our ritual has been jealously guarded and interpreted by the Custodian of the Work, M.W. Bro. N. Richard Richards, P.G.M. He has carefully instructed each D.D.G.M. at regional meetings and participated in Lodges of Instruction in the districts of Erie, Prince Edward, Sudbury-Manitoulin, Temiskaming and Wilson North. On an ongoing basis, M.W. Bro. Richards has answered the many enquiries directed to him by the D.D.G.M.s and others with tact and clarity. We acknowledge his great service and thank him sincerely.

## MASONIC FOUNDATION OF ONTARIO

This charitable arm of Grand Lodge has been busy and active in its many programmes during the past Masonic year. The offices of the Foundation, originally located in the Grand Lodge building, were moved to premises just down the street, such a move being necessitated by apparent lack of adequate space. R.W. Bro. Alan Newell has chaired the Foundation during

1992/93 as President, and has given unstintingly of his time and special talent, together with the other hard-working officers, directors, and committee members. We thank them on your behalf. I am told that planning is underway to expand the capital base of the Foundation, and much work remains to be done. The Foundation and Grand Lodge should work together in the years ahead, for while both are completely separate legal entities, their goals, ideals and philosophy run a parallel course. Once more, I ask the brethren to remember the Foundation in your charitable giving, and to consider making the Foundation a beneficiary under your Will.

### MANAGEMENT COMMITTEE

The Management Committee has now completed its second year and with undiminished success. Regular monthly meetings allow the brethren to explore and consider the many problems of a very large Grand Lodge, and the combined efforts of the committee members, who bring real expertise from a diversity of specialized fields, allow the committee to respond in a practical way. The Deputy Grand Master, R.W. Bro. C. Edwin Drew chairs this committee and is assisted by R.W. Bros. T. R. Davies, H. Allan Leal, Wayne Elgie, S. H. Cohen, Neil Britton and the Grand Master, with the Grand Secretary, M.W. Bro. R. E. Davies, assisting as secretary. The necessary amendments to our Constitution, to enshrine therein this very necessary part of the administration of our Grand Lodge, will be placed before you at this Communication for your approval. I urge you to ensure the successful passage of this legislation. It will insure and maintain, long into the future, a real measure of continuity which until recent years was not readily apparent. As your Grand Master, I ask you to vote in favour of this amendment, so that your Grand Lodge may proceed into the next century reasonably up to date with modern administration vehicles, rather than with the outdated and outmoded methods previously in force. The Deputy Grand Master has given extensive leadership to this committee and I thank him most sincerely.

### ROYAL ARCH MASONRY

Due to a previous commitment which precluded my attendance at the Annual Convocation of the Grand Chapter, Royal Arch Masons of Canada in Ontario, I asked our Deputy Grand Master, R.W. Bro. C. Edwin Drew, to attend in my place and bring the greetings of our Grand Lodge. He did attend, and I thank the Grand First Principal, Most Excellent Companion G. Robert Jackson, for the hospitality and many courtesies extended to R.W.

Bro. Drew. A very special thank you is extended to the Grand First Principal for the special honour which he extended to me in granting the rank of Grand Senior Sojourner. We wish Most Excellent Companion Jackson much success in his endeavours in the coming year, as he completes his term of office.

### SPECIAL AWARD

As Grand Master, I continually see evidence of great service to our Craft and to those non-Masonic entities with which so many of our brethren are deeply involved. I have had, for some time, a desire to recognize a particularly deserving brother and, accordingly, as Grand Master, I have awarded the Grand Master Norman E. Byrne Citation and Award for Distinguished Service to Bro. Francis F. Gosselin, a member of Harry L. Martyn Lodge No. 696 G.R.C. Bro. Gosselin is a quiet, dedicated Mason who quietly yet effectively has made his presence and his efforts felt in many phases of his life, and he has done it all as a brother Mason, not seeking any award or profit, but acting and responding in many ways for the simple pleasure of easing another's path through life, of extending care and concern in a quiet way to sick, elderly and shut-in brethren, to giving, not just his financial support to his church, but leadership and sustained dedication over many, many years. His circle of service is extensive and cannot be properly catalogued here. I know, in making this award, which will be presented to Bro. Gosselin on the first day of our Communication, that he will receive it in humility and with gentle thanks, for he is that kind of a man. I congratulate Bro. Gosselin for making his life one of caring and giving, based on the Masonic principles ever inculcated in our lodges.

### GRAND MASTER'S BANQUET

Several years ago, I had the privilege of meeting a man who at that time was not a brother Mason, but whose knowledge and understanding of Masonry and its philosophy was extensive and quite outstanding. In October, 1993, Bro. John J. Robinson became a Mason in the Grand Lodge of Ohio. Shortly thereafter, he was afflicted with a terrible life-threatening disease, but Bro. Robinson is a fighter and he recovered from this medical onslaught. I had heard him speak on several occasions, and I had read his books, *Born In Blood*, *Dungeon, Fire and Sword*, and approached him to address the brethren at our Grand Lodge Banquet in July. He accepted this engagement and looked forward to being with his Canadian brethren in Toronto. Unfortunately, he has since been afflicted with more medical problems, but

he is fighting back and is still determined to come to Toronto in July if he can possibly make it. He will bring an outstanding message, and I heartily recommend to you all that you be in attendance on the occasion of his address. He has just completed another book entitled, *A Pilgrim's Path, One Man's Road to the Masonic Temple*, and I urge you to acquire a copy of this book and read it. It is possibly the finest book to inspire a new Mason that is currently available. In the event that Bro. Robinson's health prohibits his attendance at our Banquet, I have arranged a distinguished speaker to fill his place, if necessary.

### D. D. G. M. COMMUNIQUE

Each month, for the second year, a special committee, composed of R.W. Bros. Terry McLean, Terry Shand, V.W. Bro. Lloyd Bittle, and W. Bro. John Petch, have produced and distributed a bulletin for each member of the Board of General Purposes under the banner of *D.D.G.M. Communique*. This timely newsletter affords a vehicle for regular communications between Grand Lodge and the representatives of the Grand Master in each district. It has become a valuable tool in our communications programme, and we thank those who gave it birth and nourished it through its infancy.

### IN APPRECIATION

During my term a number of lodges and appendant Masonic bodies have most generously afforded me honorary membership or rank. This is a signal honour for which I am most grateful. The Lodge of Strict Observance No. 27 G.R.C., Hamilton, had a special night to present me with my honorary membership and appropriate certificates, followed by a "roast" in the banquet room. What a "fun night" it was for me. I express my appreciation to my friends and brethren who had an opportunity to take a "friendly shot" at your Grand Master. Its nights like this that is what Masonry is all about—good fun and fellowship. Many courtesies, gifts and special presentations have been made to your Grand Master too numerous to list, and yet each presentation, gift, act of kindness and friendship deeply moved me, and I shall ever fondly remember them during my golden years of retirement. The many gifts received by your Grand Master at District Receptions are now proudly displayed in our home, and my wife Nancy and I will enjoy and treasure them forever. Thank you, my brethren.

The Grand Secretary, M.W. Bro. Robert E. Davies has been an almost daily source of advice and encouragement during my term as Grand Master.

He is a tremendously competent, wise and experienced Grand Secretary, and not only do I recognize and acknowledge this but Grand Jurisdictions throughout North America and the continent hold him in high esteem. I thank him most sincerely for his many, many courtesies so freely offered without concern as to time spent or energy expended. He was always at hand when needed and ever ready with help on appropriate solutions to daily concerns. I could not have completed my responsibilities without his assistance, and I thank him for it. He is ably assisted by R.W. Bro. Kenneth Whiting, Assistant to the Grand Secretary and Supervisor of Benevolence. Bro. Whiting is a constant source of support and goodwill. The ladies on the staff at Grand Lodge are a very talented and dedicated group, who always have a cheery and pleasant word of welcome to all, and who are dedicated to providing the kind of service we have come to expect from the Grand Lodge office. I take my hat off to them all and express my grateful thanks.

After two very eventful years as your Grand Master, I look back somewhat amazed that I am still in good health and in one piece. No small part of that success is due to my constant companion in life, my wife Nancy. She has been a daily source of care, advice, a sounding board, has worried about late night returns from Masonic pilgrimages, has kept all my personal effects clean, tidy and in the right place at the right time, and has been a most gracious hostess to my many friends, guests and Masonic brethren. If I could make her a Mason at sight I would, for she surely deserves it. I know I could not have completed my many duties without her love, care and encouragement, and I thank her most sincerely. I thank the members of my family who have not seen their father and grandfather for two years. Its okay kids . . . I'm coming back. Thank you.

### IN CONCLUSION

As my tenure of office draws swiftly to a close, I consider the many things I have just not been able to see to completion. I leave these to new and fresh hands, in the person of our next Grand Master, who, if Masonic tradition continues—and I am sure it will—is R.W. Bro. C. Edwin Drew. I have no regrets or apprehension as I turn over the mantle of leadership to him. He has toiled long and hard in the quarries of Masonry, and we have developed a great team spirit, which is so necessary to make a daily advancement in things Masonic. I wish him well and pledge to him my unqualified support in the years ahead. I also know he will be ably assisted by those who will be elected and appointed to assist him. This is a visible lesson that Masonry must continue, even with a change of leadership. We

see this phenomenon in life each Spring when new bulbs and flowers spring forth from the good earth, to replace those that have retired or disappeared during the winter months. It is inevitable. It is nature's way, and so it is in our beloved Order.

In closing, I can only state once more how proud I am to be a member of a worldwide fraternity of men, whose principles around the world remain constant and steadfast wherever Masons meet. In this age of instant news, instant success, instant pleasure and gratification, it is up to Masonry to keep abreast of modern thinking. We must—it is imperative—make Masonry an attractive fraternity for the young men of our communities. They must see an advantage for their families and their principles in joining our ranks. They are the Masons of tomorrow. It is to them we will throw the torch. Yes, our time-honoured precepts will undoubtedly attract them and must be retained in stability, but we must direct our meetings and gatherings to fit with modern times, to be educational, entertaining, and inspiring, not dull and boring and hardly worth the effort of attending.

Bro. John Robinson, in his book "*A Pilgrim's Path*," states, and I quote,

"Freemasonry is in urgent need of an 'atmosphere of acceptance' with the general public, a totally justifiable image of God-fearing, dedicated, generous, and compassionate men with a high regard for family values, for their roles in their Churches, and for the plights of the less fortunate. The high regard of the general public would provide an incentive for men to join the ranks of Freemasonry, and would act as a shield against the fanatical attacks of men who have discovered the pathway to power by finding Satan under every rock. Organizations, like individuals, have both a REPUTATION, which is what you are thought to be, and a CHARACTER, which is what you really are. If your reputation is better than your character, you will be found out sooner or later; so you shouldn't spend time and money trying to convince people that you are good men. On the other hand, if, as I think is true of Freemasonry, your true character is much better than your reputation, you have a golden opportunity."

Let us grasp this golden opportunity to demonstrate our true character as Masons to our friends, our neighbours, our associates, our families, and live each day as a living, breathing example of Brotherly Love, Relief and

Truth—of justice, of honour, and of mercy. It just won't happen by itself. You and I must do our part to make it happen. Take my hand, my Brother—together—hand in hand—we will go into the future, displaying our true character to all who would look and see, and bring Masonry out into the fresh, open, light of knowledge and understanding as we enter the 21st century.

Sincerely and fraternally.

NORMAN E. BYRNE

### A MEMORIAL SERVICE FOR DECEASED BRETHREN

Prologue: It is appropriate that we take time at this communication of Grand Lodge to honour the memory of our departed brethren. Most of these brethren were honoured in their own lodges with Memorial Services. However, we all belong to a larger fraternity and those who knew these brethren and would have wished to attend their Memorial Service but could not because of time and distance, should have an opportunity to honour their memory.

Let us pray:

Almighty Father, the source from which we come, the end to which we travel, the light and strength of our pilgrimage, and the repose of the holy and blessed dead, bind us, we pray Thee, in comradeship with the heroes and saints of every age. In this hour of solemn remembrance, we think of our brethren who have faithfully lived and died, and especially those most near to us. Lift us all into light and love, and give us at last our portion with those who have trusted in Thee, and have striven to do Thy will.

And in Thy Name, with the brethren on earth and the brethren above, we ascribe all honour and glory. Amen.

Hebrew Scripture:

Have you not known? Have you not heard?  
The Lord is the everlasting God.  
the Creator of the ends of the earth.

He does not faint or grow weary,  
 his understanding is unsearchable.  
 He gives power to the faint,  
 and to him who has no might he increases strength,  
 Even youths shall faint and be weary,  
 and young men shall fall exhausted;  
 but they who wait for the Lord shall renew their strength,  
 they shall mount up with wings like eagles,  
 they shall run and not be weary,  
 they shall walk and not faint.

### AUDITOR'S REPORT

To the Most Worshipful the Grand Master,  
Officers and Members of Grand Lodge A.F. & A.M.  
of Canada in the Province of Ontario

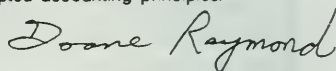

Most Worshipful Sir and Brethren:

We have audited the statements of financial position of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1993 and the statements of revenue and expenses and fund balances for the general and special funds for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at April 30, 1993 and the results of its operations and the changes in its financial position for the year then ended in accordance with generally accepted accounting principles.

Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again I am happy to report that the year ending April 30, 1993, has been a profitable one. Our excess of income over expenses for this period is \$46,609. This was accomplished by close scrutiny of our projected budget figures. Anticipated budget disbursements were \$575,000, of which only \$571,663 was spent. Similarly in our statement of income, actual receipts from Initiations, Affiliations and Dues exceeded the budgeted figures by \$12,000. Sales of books exceeded budget by \$7,800. I am also happy to report that our General Fund investment income exceeded our projected

income by \$16,000. It was the sum of these positive figures that created a slight surplus rather than a loss for the year.

Cassels Blaikie, who are our money managers, once again turned in an admirable performance, bearing in mind that return on investments on Guaranteed Certificates is approaching an all time low.

The General Fund has risen from \$1,710,385 as of April 30, 1992, to \$1,756,854 as of April 30, 1993.

The Memorial Fund has risen from \$1,008,636 in April, 1992, to \$1,011,717 on April 30, 1993; and the Commutation Fund increased from \$522,332 in 1992 to \$596,252 on April 30, 1993. The consolidated total of the three Funds now stands at \$3,364,823, an increase of \$123,470 for the year. Since my first report in July of 1988, our consolidated holdings of these three Funds have increased by \$655,543 from \$2,709,280 to \$3,364,823.

After thorough investigation, in my report last year I recommended that our per capita method of generating revenue was no longer capable of supporting our various Grand Lodge projects and that other means of fund raising be investigated. After thorough discussion by the Management Team, our Grand Master moved ahead with an envelope label campaign which has proven most successful. This type of fund raising will provide the necessary funds enabling us to proceed with essential Grand Lodge projects which have had to be delayed because of lack of funds.

I heartily endorse this action by our Grand Master and commend him for his courage and fortitude.

Finally, I am indebted to the Grand Secretary and his staff for their capable assistance in facilitating my work. A debt of gratitude is owed to the Chairman of the Committee on Audit and Finance for his co-operation, and to our Auditors, Doane Raymond, for their detailed annual statement which will be printed in the Annual Proceedings of Grand Lodge, and which I recommend for your attention and study.

Respectfully and fraternally submitted.

A. LOU COPELAND  
Grand Treasurer

On motion of the Deputy Grand Master, seconded by the Grand Treasurer, the Report was adopted.

### SEMIANNUAL RETURNS

Semiannual returns have been received from the constituent lodges and the information contained therein has been entered in the books of Grand Lodge. Statistical information may be found in the audited statement presented by the Grand Treasurer and in other tables printed in the annual Proceedings of Grand Lodge.

Unfortunately it must again be noted that several lodges were very tardy in the completion and return of the Semiannual report. This of course makes it extremely difficult for your office staff to meet fiscal year end deadlines for accounting purposes and has, this year, caused the rescheduling of the annual audit. Hence, we must ask for the co-operation of all Worshipful Masters and Secretaries in addressing this ongoing problem.

### WARRANTS

It must be reported that during the past year several lodges have seen fit to amalgamate. On Friday, October 2, 1992, Golden Fleece Lodge No. 607 turned in their Warrant and amalgamated with Fairbank Lodge No. 592. Two weeks later, on Friday, October 14, 1992, Temple Lodge No. 525 surrendered their Warrant and amalgamated with Kilwinning Lodge No. 565. It should also be reported at this time that on June 1st, 1993, Fort Erie Lodge No. 613 amalgamated with Palmer Lodge No. 372.

Last year it was reported that Luxor Daylight Lodge U.D. was thriving and that the granting of a Warrant was recommended. I am now pleased to advise that on Saturday, November 28, 1992, Luxor Daylight Lodge received its Warrant and was constituted Luxor Daylight Lodge No. 741 and placed in Ottawa District 2.

## PRINTING AND PUBLICATIONS

Interest in the publications printed and distributed through the Grand Lodge Office remains high.

The assistance of all who have helped in the distribution of these books is acknowledged with grateful thanks.

During the year the stock of several publications was exhausted; however it is trusted that this will be remedied in the near future.

## DISTRICT SECRETARIES ASSOCIATION

The usefulness of District Secretaries Associations cannot be over emphasized. The Grand Secretary and/or the Assistant to the Grand Secretary are available, upon request, to journey, if possible, to district meetings of secretaries and assist these willing workers who assume the often onerous burden of Lodge Secretary.

## COMPUTERIZATION

Last year it was reported that over 45,000 records had been entered in the computer data base. I am now pleased to report that in excess of 85,000 records have been keyed in and abbreviated print-outs are now in the hands of over 200 lodges for their review and updating. Hopefully by this time next year all the lodges will have received an abbreviated print-out and the data base will have been completely purged and updated.

## CONFERENCES

This past year I was again privileged to attend the Conference of Grand Secretaries of North America which was held in Hot Springs, Arkansas. Four workshops were held during the Conference, dealing with Lodge Officer Training, Communications between Jurisdictions, Annual Communication Costs and Fraternal Recognition of Sister Grand Lodges. These, as usual, proved informative, thought provoking and most helpful to the approximately seventy Grand Secretaries in attendance. The opportunity to meet and speak with one's counterparts from all over North America, as well as European areas, is without a doubt of great benefit, especially in this era of the reestablishment of many Grand Lodges in Eastern Europe. Your Grand Lodge was individually honoured by the election and installation of your Grand Secretary as second vice-president of the Conference.

The annual Conference of Canadian Grand and District Grand Lodges, now held annually in Winnipeg, always proves most interesting and stimulating. This year was no exception, as heated debate seemed prevalent on several subjects, such as Prince Hall Masonry, Revenue Canada, Proposed International gathering of Masons and other topics. In representing you as Conference Treasurer, I must report Conference costs have been closely controlled and with the assistance of the Conference Secretary, M.W. Bro. Jack Fergusson of Winnipeg, Manitoba, hotel costs have even been reduced.

### CLOSING

Brethren, the past few years have been exciting and challenging. We have seen change in evidence everywhere. The reestablishment of Freemasonry in Eastern Europe, the openness of the Mother Grand Lodge—the United Grand Lodge of England—as it celebrated its 275th Anniversary, the ongoing establishment of so many State Grand Lodges in South America, the constant attacks of the fundamentalists on the Craft, the ongoing work of the Masonic Renewal Task Force in the United States; here at home, the establishment of a Management Committee of the Board, the introduction of fund raising, and the growing number of mixed receptions, would all indicate that our beloved Craft is alive and well. What a great privilege it is to be a part of and a witness to this dynamic change as we prepare to meet the challenges of the 21st century.

Respectfully and fraternally submitted.

R. E. DAVIES  
Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

### REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The 46 reports of the District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were referred to the Board of General Purposes.

## REPORT OF THE MANAGEMENT COMMITTEE

This Report was presented by R.W. Bro. C. E. Drew, Chairman, and on motion of R.W. Bro. T. R. Davies, seconded by R.W. Bro. Drew, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This is the second full year of operation for the Management Committee in its present form. The notice of motion to amend the Constitution, to include the composition, function and mandate of the committee, will be presented to the Grand Lodge for consideration in 1993.

The pattern of meetings established in the first year was repeated, with the Management Committee meeting monthly, the Management Group (the elected, honorary and appointed members of the Board) meeting in November and May, the District Deputies meeting with the Grand Master and the Deputy Grand Master at regional meetings in London, Huntsville and Belleville, and the full Board meeting at the Annual Communication in July.

The chairmen of the standing and special committees agreed to consider April 30th as the year end for the purpose of their report to the Board of General Purposes. This will allow sufficient time for the reports to be printed and distributed to all Board Members in the latter part of June, prior to our Annual Communication, alleviating the necessity of having each report read in full at the Board Meeting—a synopsis will suffice—leaving time for any questions which may arise from the members.

The regional meetings with the District Deputy Grand Masters followed the format established in the prior year, and the Grand Master appointed the Grand Senior Warden, the Grand Junior Warden and the Grand Registrar to act as recorder for one of these meetings. The smaller group in an informal setting set the atmosphere for informative, interesting and productive dialogue.

At the nine meetings of the Management Committee, a wide variety of subjects were considered and discussed, among which were —

1. A regular review of our financial status;
2. The constitutional amendments which will be proposed in 1993;
3. The Trans National fund raising proposal, which was approved and activated;
4. A review of our Annual Communication format, and a survey of the Districts on the desirability of midweek or weekend;

5. A helpful review and consideration of the means for achieving mutual policy functions and support between Grand Lodge and the Masonic Foundation;
6. A review of the recommendations of committees and suggestions and recommendations contained in the annual reports of the District Deputy Grand Masters;
7. The attack on Masonry from elements of the Southern Baptist Convention and the various rebuttals from leading Masons in the United States;
8. Review of the submissions of budget proposals for the 1993 to 1994 year from the Committees of the Board.

Among the other items considered were:

- A new Community Entrance Sign, developed as a result of the three year trial programme, was approved;
- Revised material for the Mentor's Programme, which is still under study;
- A new time capsule, similar to the one left by M.W. Bro. John Ross Robertson and opened by our Grand Master at the Heritage Lodge banquet in January, 1993;
- Proposal for a new Masonic Magazine, to be mailed to all members;
- Review of Grand Lodge publications, for possible reprints;
- Distribution system of Grand Master's banquet tickets;
- New format for the Annual Communication summons;
- Photographs of District Deputies taken at Grand Lodge;
- Standard letterhead for District Deputies and Chairmen of the Grand Lodge Committees.

Some items were referred to various committees: Calendar programme, Widow's pin, Masonic music, Masonic Renewal material, Youth Groups, Greeting Cards and Video proposal.

All of which is respectfully submitted on behalf of your Management Committee — Norman E. Byrne, T. Richard Davies, H. Allan Leal, Wayne E. Elgie, Samuel H. Cohen, H. Neil Britton and Robert E. Davies, Secretary.

C. EDWIN DREW  
Chairman

## REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

This Report was presented by R.W. Bro. T. R. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Audit and Finance of Grand Lodge has reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached hereto and the report of the Grand Secretary as referred to it by this Annual Communication. These reports appear to fully and accurately record the essential details to:

- (a) The financial position of this Grand Lodge as of April 30th, 1993, and the results of its fiscal operations on an accrual basis for the twelve-month period on that date.
- (b) Details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund and the Memorial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge which have occurred during the said period, namely the twelve months ending at April 30th, 1993.
- (c) The Investment Accounts of the above-mentioned Funds and the summary of all financial resources as of April 30th, 1993.

The following observations respecting certain matters covered by these reports, and/or relative to its financial affairs are presented for your consideration.

- (1) The Audited Statements of Grand Lodge accounts show that the net balance of our total resources now amounts to \$3,462,305 — an increase of \$165,948 from the net assets one year previous. Looking back over two years we have seen growth in the value of our resources by almost \$325,000. In summary, we feel that our progress is healthy and that our financial position is sound.
- (2) Total receipts under the General Fund for fees, dues, commissions, interest on investments, etc. amounted to \$618,272, an increase of \$6,531 over last year, while disbursements, etc. amounted to \$571,663. The accumulated surplus on our financial operation of the General Fund for this past year is therefore \$46,609.
- (3) Grants for benevolent purposes amounted to \$68,891 — slightly more than \$5,000

up from one year ago. The report of the Chairman of Benevolence appears elsewhere in these proceedings and documents the policies and work of that committee. The Committee of Audit and Finance commends the work of the Committee on Benevolence for the prudence and generosity they display in their deliberations.

The Committee on Audit and Finance has passed to the Management Committee the request from all other committees for financial requirements. That aspect of this report, therefore, is now contained in the report of the Management Committee.

From the attached budget for the General Fund as detailed in the appendix to this report, you will see that we anticipate receipts of \$578,000, or \$2,000 more this year over last year. Our budget of receipts includes a continuation of investment income earned in the area of \$115,000. The budget for expenses is \$587,000, and, accordingly a deficit for the year ahead is projected to be as much as \$9,000. The individual items of expense compared year over year are quite similar and we would be glad to respond if an explanation of change on any individual item is requested.

It is now three years since Grand Lodge engaged the investment firm of Cassels Blaikie to managed the financial investment portfolio of Grand Lodge and its related funds. Our committee meets with Cassels Blaikie each quarter and reviews investment policies. We are happy to report that we continue to be entirely satisfied with the quality of investment management they have displayed during their assignment. We repeat our earlier invitation that any member of the Board of General Purposes is welcome to attend as an observer with the Audit and Finance Committee at those investment review meetings. We recommend the continuing engagement of Cassels, Blaikie.

In accordance with Section 134C of the Constitution, your committee submits for consideration and approval, as set out below, an estimate of the receipts and expenditures as they relate to the General Fund for the year ending April 30th, 1994. Your committee believes the estimates of the General Fund schedule of disbursements, i.e. \$587,000, to be realistic and to provide for items which can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the current financial year.

Again, this year, we wish to express appreciation to the Grand Treasurer, to the Grand Secretary and the Grand Lodge staff for their continuing cooperation and initiative. I also wish to extend a word of appreciation, again, to the members of this committee for the quality of their interest and involvement in helping manage the business and financial affairs of this Grand Lodge.

We respectfully submit this report on behalf of the committee.

Chairman

## REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

This Report was presented by R.W. Bro. R. T. Runciman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Runciman, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee has received four Notices of Motion which will be put before you for consideration and begs leave to report.

In his address to Grand Lodge, printed at page 39 of the 1991 *Proceedings*, M.W. Bro. Bradley, the then Grand Master, discussed the concept of a Management Committee and recommended that guidelines be developed so that an appropriate motion could be brought forward at this Annual Communication to establish a Management Committee as a Standing Committee of the Board of General Purposes. At the 1991 Annual Communication R.W. Bro. Byrne, the then Deputy Grand Master, presented a full report, printed at page 105 of the 1991 *Proceedings*, of a Special Committee commissioned to study the concept of a Management Committee. That report was adopted by Grand Lodge.

The time has now arrived to finalize the mandate set out by M.W. Bro. Bradley in 1991, and to this end R.W. Bro. H. A. Leal has presented a Notice of Motion to amend the Constitution. In addition, he has presented a Notice of Motion to ratify and confirm the actions of the interim Management Committee. Both of these Notices of Motion are attached to and form part of this report. These proposed amendments will be placed before you for consideration and your committee finds that they are both regular and constitutional.

In addition, R.W. Bro. R. J. McKibbin has presented two Notices of Motion which are attached hereto and form part of this report to amend S-150(a) and to seek approval pursuant to S-384 of the *Constitution*. Both of these are clear and concise and require no further explanation. Your committee finds that both of these proposed Notices of Motions which will be placed before you for consideration are regular and constitutional.

All of which is respectfully submitted on behalf of the committee.

R. T. RUNCIMAN  
Chairman

#### REPORT OF THE COMMITTEE ON THE GRAND MASTER'S BANQUET

A brief oral report was presented by the Chairman, R.W. Bro. R. D. Summerville. This report was received on motion of the Deputy Grand Master, seconded by R.W. Bro. Summerville.

## REPORT OF THE GRAND CHAPLAIN

This Report was presented by R.W. Bro. Douglas Mitchell, Grand Chaplain.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

What a fitting way to end a weekend of celebration of the 200th Anniversary of Niagara Lodge No. 2, to be asked by the Grand Master, M.W. Bro. Norman E. Byrne, to be his Grand Chaplain for the ensuing year.

The responsibilities of Grand Chaplain have taken me across the province this past year, twice to Ottawa in the east and once to Tilbury in the west. My duties have included lodge dedications, consecrations, centennial regalia dedication and Grand Master's Receptions.

The year began with a superb weekend of fellowship with our Quebec brethren at the Ontario—Quebec Masonic weekend in Ottawa. The weekend concluded with a moving worship service on Sunday at Christ Church Cathedral. This was followed by the dedication of Madoc Lodge No. 48, Madoc, and a Grand Master's reception. It was my pleasure to be at my home lodge, Niagara No. 2, on October 7th, when the Grand Master presented a distinguished Mason, Noel Haines, with the William Mercer Wilson Medal. It was also my pleasure to be present at the 125th Anniversary Celebration of Markham Union Lodge No. 87. Grand Lodge made a second trip to Ottawa where we took part in the dedication of Luxor Daylight Lodge No. 741. The new year began with the Wardens' Night — Toronto District 6. On March 6th it was a distinct honour for me to take part along with Grand Lodge in the dedication of the Scottish Rite Cathedral for Craft Masonry. This was followed by the Centennial Regalia Dedication of Moravian Lodge No. 431, Cargill, with the Deputy Grand Master, R.W. Bro. C. Edwin Drew.

On the 17th of April, I took part in the dedication of Blyth Lodge No. 303. This finished a very busy schedule of dedications and consecrations.

I was also fortunate to be invited to take part in the Seven Toronto Districts Divine Service, and I have been invited to participate in a number of District Divine Services. I look forward to taking part in the three Hamilton Districts Sunrise Divine Service, as well as the Annual Pilgrimage to our First Grand Master's Grave Site for a service of worship and presentation.

A highlight of my year will be my attendance at the Grand Lodge of Saskatchewan to witness two of the brethren of my Mother Lodge, Tuberosa Lodge No. 181, G.R.S., receive Grand Lodge offices (District Deputy and Grand Steward).

As a member of the Condition of Masonry Committee, the perusal of the D.D.G.M.s reports has proven helpful to see the state of Masonry across the province and has led me to take part in the Grand Lodge Degree Team visit to Ingleside, to help bring the Spirit of Masonry to areas of the province that do not normally get to experience Grand Lodge.

In the midst of all this busyness it is important for us to remember that the purpose of Masonry is to bring brotherhood to all mankind. This is done hand in hand with our faith in God and an active participation in our house of worship.

May the Great Architect of the Universe continue to bless our Order by cementing and adorning it with every moral and social virtue.

Respectfully and fraternally submitted.

W. DOUGLAS MITCHELL  
Grand Chaplain

## REPORT OF THE GRAND HISTORIAN

This Report was presented by R.W. Bro. W. E. McLeod, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, it is appropriate that I should express my gratitude to the Grand Master, for honouring me with the title of Grand Historian. According to the book of *Constitution*, one of the duties assigned to this office is to record matters that are connected with the history of Grand Lodge. From that point of view we might look briefly at the ritual.

The great American educator Bro. Allen E. Roberts calls ritual the skeleton, the framework, on which the whole body of Freemasonry is constructed. It is fundamental to our Order, and it gives form to our proceedings. We like to think of it as one of the landmarks, and the old Masonic story tells how it "came down to King Solomon inscribed on tablets of stone, and has been transmitted intact ever since." But it does change, though only slowly. Because it is subject to alteration, and because it has evolved independently in different parts of the world, it varies from jurisdiction to jurisdiction. And so if we visit a lodge somewhere else, we may find that the wording of the ceremonies is unfamiliar. In such circumstances, we want to ask, "Which one is

right, and which is wrong?" The question is improper, because every Grand Lodge has the authority to legislate procedures and ritual for its brethren; and its decision, whatever it may be, is *right* for that jurisdiction.

We can trace the development of the ritual, in considerable detail, from as early as 1696. An excellent summary is given by the late Bro. Harry Carr (1900-1983) in our Grand Lodge's publication, *Beyond the Pillars*. At the time that Freemasonry was being implanted in North America, the settlers naturally brought with them the work with which they were familiar. Then, in 1813, when the two rival Grand Lodges in England were united, the authorities looked at the ritual, to decide what compromises would suit both parties, and to make other modifications. Because several distinctive innovations were introduced at this time, it is fairly easy to tell which rituals go back before 1813, and which ones come from the revised version. The two types may be called "pre-Union" and "post-Union."

By 1813, there were nearly twenty independent Grand Lodges in the United States. They of course had control of their ritual, and saw no reason to change just because England had done so. They gave rise in turn to other Grand Lodges, and so, all across the country, offshoots of the pre-Union ritual are used. Versions of the post-Union ritual are current in England, and indeed in the sister jurisdictions of Scotland and Ireland.

And what is the situation in Canada? It is a curious mixture. Twenty-five years ago, Bro. John E. Taylor (1901-1984), holder of the William Mercer Wilson Medal, wrote a summary entitled, "Rituals in Canadian Masonic Jurisdictions," which was published in the *Papers of the Canadian Masonic Research Association* for 1970. His report was not quite complete even then, and is now out of date.

There are in Canada twelve distinct jurisdictions: nine Grand Lodges, one for each province except Newfoundland; two District Grand Lodges in Newfoundland, one belonging to the United Grand Lodge of England, and one to the Grand Lodge of Scotland; and the Montreal and Halifax Group, of the United Grand Lodge of England. With the permission of our Grand Secretary, M.W. Bro. Robert E. Davies, I wrote to each of them, to ask about the rituals they use. And I am happy to say that, in every case, a senior Masonic official found time to reply.

Let me make a few preliminary remarks. Our own jurisdiction in 1859 adopted "the English ritual with slight modifications" as its authorized working; this version had in fact been familiar here even before that date. In some parts of the country, particularly in the West, it is referred to as the "Canadian Work," because it was brought in by settlers from the colony of Canada. One Grand Secretary however writes that, since there is no such thing as a standard Canadian ritual, it is improper to call this particular version the "Canadian Work." Again, in those jurisdictions that use the pre-Union working, it is generally called the York Rite, or the Ancient York Rite, or the Ancient Rite, but sometimes the American Work, because it resembles what we find south of the border. Another Grand Secretary tells me that some of the brethren get very annoyed when their ritual, which after all has been in Canada for over two hundred

years, is called "American Work."

In general, those groups that administer their jurisdictions under the authority of the British Grand Lodges allow the brethren a certain amount of leeway in selecting their own rituals. The autonomous Grand Lodges tend to be more authoritarian, and to exercise control over the workings used. They have one, or more, authorized rituals; only specific old lodges may, with permission, be allowed to use a different version.

We shall begin with the three jurisdictions that acknowledge the authority of the Grand Lodges in Britain, and then we shall progress across the country from east to west. The District Grand Lodge of *Newfoundland* of the United Grand Lodge of England has twenty-seven lodges. Of these, some twenty-three use the authorized Emulation Ritual that is published in England; three use the York Ritual, and one lodge (located in Labrador) uses the Nova Scotia Ritual (which is, as we shall see, Ancient York Rite). The District Grand Lodge of *Newfoundland* of the Grand Lodge of Scotland has sixteen lodges, all of which use workings which are similar to, or derived from, those current in Scotland. Eleven use the "Standard" Ritual of Scottish Freemasonry that is published in Edinburgh; three use the "Modern" Ritual, also published in Edinburgh, and another uses a ritual of its own devising that is based largely upon it; and one uses the D. M. Goudielock Ritual. The *Montreal and Halifax* Group, working under the authority of the United Grand Lodge of England, includes three lodges. All three use various versions of the post-Union English working.

The Grand Lodge of *Nova Scotia* has 114 lodges. Of these, 112 use the Ancient York Rite, which was authorized in 1872, and is based on the work practised in New York; the remaining two use English Emulation Working. The Grand Lodge of *Prince Edward Island* has sixteen lodges, of which nine (by dispensation) use the Nova Scotia Work, and seven use the Webb Work (which is also derived from New York). The Grand Lodge of *New Brunswick* has fifty-one lodges, all of which are required to use the Ancient York Rite (American); it was adopted in 1867, and is derived from Massachusetts.

The Grand Lodge of *Quebec* has 100 lodges, of which eighty-nine use the Quebec Emulation Working, which has evolved from the ritual used by the Grand Lodge of Quebec at its formation in 1869, which in turn was adapted from the work used in the Grand Lodge of Canada. Eight lodges use the French version of the Quebec Emulation Working; and one uses a modified French Emulation Working including portions that are said to have been imported from Belgium; three use the Ancient York Rite (*Ecce Orienti*); and two use a Scottish variant of the Ancient York Rite. (The total adds up to more than a hundred, because three of the lodges are bilingual, and are authorized to use the Quebec Emulation Working in both English and French versions.) The Grand Lodge of Canada in the Province of *Ontario* has 649 lodges, of which 647 use the authorized working, and two use what is called the Irish Work, which is really a pre-Union work of American origin.

The Grand Lodge of *Manitoba* has eighty lodges, of which seventy-two use the Canadian Work, and eight use the *Ecce Orienti* Ritual (Ancient York Rite). The Grand

Lodge of *Saskatchewan* has 133 lodges, of which 131 work the Canadian Ritual, and two use the Ancient York (American) Working. The Grand Lodge of *Alberta* has 147 lodges, of which eighty-five use the Canadian Work, and sixty-two use the Ancient York Rite. The Grand Lodge of *British Columbia* has 169 lodges, of which eighty use the Canadian Work, seventy-five use the Ancient (American) Work, twelve use the Emulation Work, and two the Australian Work (apparently based on that practised in the Grand Lodge of New South Wales).

We might provide a summary of these reports. There are at present about 1,505 lodges in Canada. Of these, 337 use pre-Union rituals, generally called the Ancient York Rite. Altogether, a total of 1,162 use post-Union rituals of various types—40 English, 16 Scottish, 2 Australian, and 1,104 the so-called Canadian work. Nine work in the French language.

One other question arises with regard to the so-called Canadian Work. By the time of the Union of 1813, Freemasonry was well established in the maritime provinces and in central Canada. In the maritime provinces, on the one hand, the pre-Union ritual has been maintained, and is used in 179 of the 181 lodges in the three jurisdictions. One naturally wonders why the same thing did not happen in Ontario and Quebec. The answer is provided by a letter in the Historical Correspondence File of the United Grand Lodge of England (reference HCF 16/E/27).

It was written by Bro. John Samuel McCord (1801-1865), a barrister, who later became justice of the Superior Court for the District of Montreal; he was an active Mason, and had served as Provincial Grand Secretary. He is writing to Bro. William Henry White, the Grand Secretary in England from 1809 to 1856. We shall quote only the first half of the letter. (The latter half inquires about the status of the degree of Mark Master Mason, and about the jewels that are authorized to be worn in Craft lodges; it asks whether a new warrant can be issued for a Royal Arch Chapter, since the one previously issued had not been acted upon; and it states that the lodge returns and a set of bylaws are being submitted.)

Montreal 26[t]h December 1844

Dear Sir and Brother:

Since I had the pleasure of addressing you on the 22 October, and notwithstanding my public duties, I have allowed myself to be persuaded once more to accept the Mastership of St Pauls Lodge No 514. The members were pleased to say that they deemed my services necessary to reestablish that discipline which is absolutely necessary for good government, and which they stated had been somewhat relaxed; and altho' under unfavorable circumstances to myself, I have once more taken the helm.

I am in need of some information, and trust you will kindly aid me, as I know of no authentic source from which I can dip, save from your long experience and perfect knowledge in the Craft.

When in 1823, Simon McGillivray Esquire came out to Canada as P[rovincial] G[rand] M[aster] for Upper Canada, he instructed us in the uniform mode of work as established after the Union in 1813, and gave to me and two others the entire work in the Three degrees, for the purpose of instructing the various lodges in Canada.

The forms in opening and closing, and the work in the Three degrees, thus communicated, continued to be practised till within three or four years, when Mr Badgley, returning from England, introduced some changes, in both, stating that such was the practice in England. I am therefore desirous of ascertaining whether any and what changes have been made in the work since Mr McGillivray came to Canada. I am exceedingly anxious to conform strictly to what is established by the only competent authority, the U[nited] G[rand] Lodge of England....

With most fraternal regards,  
J. S. McCord  
W.M. St Paul's L[odge] 514

The letter reflects an interesting undercurrent of friction with William Badgley (1801-1888), another lawyer, who had been Master of St Paul's Lodge for the two preceding years, and who later became the last Provincial Grand Master for Montreal and William Henry, 1849-1888. But the important thing for our purposes here is the explicit statement that the new ritual, which developed into the Canadian Work, was brought out to Canada by Simon McGillivray (c1785-1840), who had been named Provincial Grand Master for Upper Canada on April 13 1822. (It sounds as if there was actually a written version of the Work, which is unexpected at such an early date.)

McCord's memory played him false in one detail. The date 1823 can hardly be right, because, although Simon McGillivray was present in Montreal in 1822, and, as the late Bro. John Hamilton Graham (1825-1899) says, "doubtless was more or less identified with the Masonic events taking place in the City at that time," he had no authority there. His brother William McGillivray (c1767-1825) was named Provincial Grand Master for Montreal and William Henry on April 2 1823. The next year his Provincial Grand Lodge named a committee "to ascertain the mode of work used by the U[nited] G[rand] L[odge] of E[ngland]."

In 1825 Simon came back to Canada. He attended meetings of the Provincial Grand Lodge in Montreal on May 13 and June 13 of that year. And on September 12 1825 the Provincial Grand Lodge announced that its members "feel it their duty to enforce uniformity of work in all the Lodges within its jurisdiction." For that purpose, it set up a General Lodge of Instruction, with three Lecturers, J. S. McCord, Jacob Bigelow, and William Badgley. It seems clear that McCord's date of 1823 must be amended to 1825. (On the events of these years, see John H. Graham, *Outlines of the History of Freemasonry in the Province of Quebec*, 163-170; A. J. B. Milborne, *Freemasonry in the Province of Quebec 1759-1959*, 68-75; and our own Grand Lodge's *Whence Come We?*, 193-194.)

In summary, we may say that our ritual is a precious heritage from the past. The particular version that has been adopted for use in this jurisdiction has been current here for nearly 170 years. It is used in one form or another by three-quarters of the lodges in Canada. We now find confirmation of the fact that it was brought here by one of the great figures from our past, Simon McGillivray, fur-trader, businessman, Freemason.

We must express our thanks to the following Brethren, who patiently answered our queries about the rituals used in their jurisdictions: Alfred P. Wilson, District Grand Secretary, District Grand Lodge of Newfoundland, of the United Grand Lodge of England; Robert D. C. Taylor (District Grand Secretary, District Grand Lodge of Newfoundland, of the Grand Lodge of Scotland); Stanley D. Waters (Grand Inspector, Montreal and Halifax Group, of the United Grand Lodge of England); William F. Garth (Grand Secretary, Grand Lodge of Nova Scotia); M. Earl MacDonald (Grand Secretary, Grand Lodge of Prince Edward Island); J. Ralph Andrews (Grand Secretary, Grand Lodge of New Brunswick); Kenneth W. Aldridge (Grand Secretary, Grand Lodge of Quebec); Robert E. Davies (Grand Secretary, Grand Lodge of Canada in the Province of Ontario); John A. Fergusson (Grand Secretary, Grand Lodge of Manitoba); E. T. Sommerfeld (Grand Secretary, Grand Lodge of Saskatchewan); Gerald T. Webber (Grand Secretary, Grand Lodge of Alberta); and William L. Stirling (Grand Secretary, Grand Lodge of British Columbia). I am also grateful to the Board of General Purposes of the United Grand Lodge of England, and to the Librarian and Curator of Freemasons' Hall, London, for permission to quote from HCF 16/E/27; and to Bros. Alan M. Black and Barrie S. Hayne for guidance on various matters.

All of which is respectfully and fraternally submitted.

### REPORT OF THE AWARDS COMMITTEE (WILLIAM MERCER WILSON MEDAL)

This Report was presented by M.W. Bro. H. O. Polk, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. J. A. Irvine, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The provision for making available the William Mercer Wilson Medal is an enduring way for Grand Lodge to pay tribute to a select few who by exemplifying outstanding qualities of citizenship enhance the lives of humanity.

During the year now in review of the many nominations processed by the committee, five awards were granted. Names of the recipients are on record in the Grand Master's Address.

The medal represents the highest tribute Grand Lodge can bestow on a brother who has not been, or likely to become, Worshipful Master of a lodge. Be it known that the award does not offer monetary reward, special privileges, or impunity from lodge discipline, customs or tradition.

The committee members find an examination of the submitted petitions most revealing with respect to diversity of effort on the part of nominees. It becomes evident individuals who establish a personal philosophy of dedication embellish the meaning of fraternity. They are a living proof that the interests of Masonry are better served by an impartial discharge of external interests with charitable objectives and community service.

Congratulations to each recipient. May you be blessed with many years of good health to enjoy your preferment.

The committee extends our usual thanks to the Grand Secretary and office staff for their efficient, prompt and courteous services provided throughout the year.

Respectfully submitted.

3. The meritorious service must be primarily rendered in this Grand Jurisdiction, must be Masonic and far beyond the usual service expected of an officer or member.
4. Nominations for the award must be submitted through the Grand Secretary, typewritten (original and three copies), must give the full name, address, age, Masonic rank, name and number of the lodges of which he is a member in this Grand Jurisdiction, with full particulars of the special services pertaining to Craft Masonry [Lodge(s), District(s), and Grand Lodge], and noteworthy contributions to appending bodies, civic, community and religious oriented activities claimed for the nominee.

**REPORT OF THE COMMITTEE  
ON THE GRAND MASTER'S ADDRESS**

This Report was presented by M.W. Bro. E. W. Nancekivell, seconded by M.W. Bro. J. A. Irvine, and adopted.

To the Officers and Members of the Grand Lodge A.F. and A.M. of Canada in the Province of Ontario.

Brethren:

This report of the Committee on the Grand Master's Address is presented by all the Past Grand Masters, as they make up that committee, and it is my great privilege and pleasure as Chairman to present it to you. The Grand Master, M.W. Bro. Norman E. Byrne has reported on a remarkably fine and progressive year in the history of our Grand Lodge. It is readily apparent from the report what remarkably outstanding leadership he has provided — a man of boundless energy and enthusiasm, who has applied his many talents unstintingly to the betterment of our great Craft, not only in Ontario but throughout the whole Masonic world. He has accomplished innumerable things, not only within Ontario but wherever he has travelled, so that he has not only upheld the high esteem in which the Grand Lodge of Canada in the Province of Ontario is held by other Grand Lodges but has most certainly enhanced that esteem immeasurably. We have been richly blessed in this Grand Jurisdiction to have a Grand Master of such character, quality and accomplishments.

M.W. Bro. Byrne, in his report, welcomes all our members to Grand Lodge and includes a special welcome to our guests from other Grand Jurisdictions, while thanking them for their many courtesies to him and his charming wife, Nancy, when they in turn visited other Masonic areas.

He pays fitting tribute to those stalwarts of Masonry in this Grand Jurisdiction who have passed away during this last year, mentioning especially M.W. Bro. W. K. Bailey, Past Grand Master; R.W. Bro. W. Norman Buckingham and R.W. Bro. Robert Strachan. These three brethren all made outstanding contributions to our Grand Lodge and M.W. Bro. Byrne fittingly acknowledges this in his Address.

The Grand Master then expresses his deep appreciation to all who have assisted him in any way in his high and important duties. He recommends that the rank of Past

Grand Senior Warden be conferred on V.W. Bro. James Cassie, in recognition of his, and I quote, "untiring and ardent work in the quarries of Masonry." In this recognition, we as a committee heartily concur.

He then reports on the Conference of Grand Masters of North America, where a lot of emphasis was placed on the attack against Freemasonry launched by a group from within the Conference of the Southern Baptist Church. The Grand Master states in his Address that the attackers of the Craft have been silenced for now and the question of the compatibility of Masonry and the Christian Church has been left up to each man's individual conscience. Next, he reported on the Canadian Conference of Grand and District Grand Lodges in Winnipeg, and speaks well of the advantages of attending both the Conference of Grand Masters of North America and the Canadian Conference of Grand and District Grand Lodges.

M.W. Bro. Byrne then outlines a new, special programme to help fill the financial needs of our Grand Lodge. To accomplish this, individual personal address labels bearing our Masonic Logo were sent out to all members, who were invited to support this endeavour financially. (We have been informed that this programme is working very well indeed, with a few hitches that are inherent in any new venture.)

The Grand Master then includes a paragraph on Masonic Selectivity which involves good advice to those who are casting a ballot, to vote carefully and to avoid any petty or strictly personal reason for turning down a prospective member. We, the committee, heartily concur in this good advice, recognizing the necessity for it on certain specific occasions.

He then reports on two special events — the Ontario/Quebec Masonic Weekend, where brethren from the Grand Jurisdictions of Quebec and Ontario met in great harmony, and the International Plowing Match at Lindsay, where a Masonic presentation enhanced the image of Masonry in the eyes of the public.

M.W. Bro. Byrne reports on the Constitution and Consecration of a new daylight lodge in Ottawa, Luxor Daylight Lodge No. 741. He then acknowledges the great work and service of the Custodian of the Work in matters of ritual — M.W. Bro. N. R. Richards — a recognition richly deserved.

He refers to the charitable arm of our Grand Lodge, The Masonic Foundation of Ontario, and urges the brethren to support this great organization in charitable giving or by making it a beneficiary in their Will.

The Management Committee (elected and appointed from the Grand Lodge Board of General Purposes) has now completed its second year, and is lauded for its good work and evident success, under the chairmanship of the Deputy Grand Master.

The Grand Master records the presentation of the Grand Master Norman E. Byrne Citation and Award for Distinguished Service to Bro. Francis F. Gosselin, a particularly deserving member of the Craft who has quietly and unobtrusively done so much good

in the cause of Masonry.

He then speaks of the *D.D.G.M. Communique*, which is a newsletter sent out to each member of the Board of General Purposes monthly, and has been in effective operation for two years now. It is published by a special committee.

The Grand Master, before concluding his Address, expressed further appreciation to others who have honoured him — Royal Arch Masonry (under Most Excellent Companion G. Robert Jackson) for granting him the rank of Grand Senior Sojourner; the Lodge of Strict Observance where he was roasted by many brethren and made an Honorary Member; and for the gifts at the District Receptions. He then expresses his gratitude to M.W. Bro. Robert E. Davies, in his words, "our tremendously competent, wise and experienced Grand Secretary," to R.W. Bro. Kenneth Whiting, Assistant to the Grand Secretary and Supervisor of Benevolence, and to the ladies on the staff at Grand Lodge.

M.W. Bro. Byrne speaks very highly of his gracious and charming wife Nancy, who has supported and encouraged him splendidly during his extremely busy and, indeed, stressful years as our Grand Master. She is certainly a lovely co-worker with him in the social aspects of his tenure of office, accompanying him on his frequent trips to other Grand Jurisdictions and being such a great hostess for him at home in our own Grand Jurisdiction.

In conclusion, the Grand Master expresses his great and lasting pleasure and pride at being a member of our ancient and honourable Fraternity, stresses the importance of making Masonry attractive to the young men and their families in our communities, as they are to be the leaders of the future, and urges us to proceed, hand in hand, in the years ahead to display the true character of our great Craft.

It is readily apparent, brethren, that we have had an outstanding year under the most excellent leadership of M.W. Bro. Norman E. Byrne — a man of distinguished character, high calibre and impeccable moral values, who has fulfilled, and more than fulfilled, the pleasant but onerous duties of his high office, and has accomplished much in cementing relationships within our great Order. He has established and fully provided the impetus which will raise us to newer and greater heights in the future of our Grand Lodge and, indeed, spread his influence far beyond our borders to favourably affect Masonry in many other Grand Jurisdictions.

We, the members of the committee on the Grand Master's Address, heartily endorse his decisions, actions and philosophy and congratulate him on a very fine Address to Grand Lodge as he makes an accounting of his second outstanding year as the Grand Master of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Respectfully submitted.

## REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. D. I. Greenwood, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Greenwood, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege to present the report of the Committee on the Condition of Masonry on behalf of the members of the committee: M.W. Bro. R. E. Groshaw; R.W. Bros. W. E. McLeod, H. N. Britton, G. L. Atkinson, A. R. Burgess, D. Mitchell, D. R. Thornton, G. R. Brittain, W. J. Finlay and A. P. Stephen.

The Book of Constitution sets out the duties of this committee, namely to review the annual reports of the District Deputy Grand Masters and make recommendations arising therefrom for the benefit of the Craft; to study the condition or state of Masonry in general throughout the jurisdiction and to make recommendations for the benefit of the Craft.

The efforts and dedication of the D.D.G.M.s in dealing with the issues in their districts is to be commended and is certainly appreciated by the committee. They have provided the leadership and initiative by addressing problems and seeking solutions, as well as recognizing, in their reports, the many positive results of all brethren in the jurisdiction who have laboured for the good of Masonry, their lodge and in particular their district.

Towards accomplishing the above mandate, the issues dealt with and suggestions made as a result are summarized in this report. Incorporated also is input from the annual reports of the 1991-92 D.D.G.M.s. Suggested use of the most recent D.D.G.M. reports for 1992-93 for the betterment of Masonry in our jurisdiction is set out below.

The committee is convinced of the benefits to the district, and its constituent lodges, of forming district management committees to provide continuity and consistency in planning activities and projects. The committee can be a vehicle to promote good communication between Grand Lodge and the lodges themselves, assist individual lodges with financial planning or to prepare an annual budget, implement the Mentors Programme, or help set up special events — i.e. an open house programme, to just name three items.

Formation of a District Committee can help with the ever increasing challenges such as presented by the current problems of declining membership, lodge finances and adverse publicity for the Craft. The committee has tried to deal, in part, with these

problems through suggestions to strengthen internal communications in our jurisdiction.

Last year's committee suggested we continue promoting formation and operation of district committees. As a result, there was considerable thought given this year to district level committees and how they could improve communication in our jurisdiction, and, in turn, assist the D.D.G.M.s and Management Committee of Grand Lodge to deal with problems and provide direction to lodges. From this came the following suggestions or guidelines:

- All D.D.G.M.s have available to them the three prior years' reports for their respective districts.
- Receipt of each D.D.G.M.s report should be acknowledged with information as to how it will be used.
- Individual district chairmen's reports be distributed to the respective Grand Lodge committees for their information and use.
- That the Grand Master, Deputy Grand Master meet, as soon as possible after the communication of Grand Lodge, with the chairmen of the Grand Lodge committees to promote continuity, eliminate duplication, and to set out the guidelines of these committees for the ensuing year.
- Significant recommendations gleaned from the 1992-93 D.D.G.M.s reports be compiled and made available for the three regional meetings convened by the Grand Master with his D.D.G.M.s.
- Selected relevant correspondence from Grand Lodge be sent to the District Management Committees (or Past Masters', Masters' and Wardens' Associations) to assist district level committees in keeping informed beyond what is provided by D.D.G.M.s. It shall be incumbent upon the District Association requesting such correspondence to supply Grand Lodge with the address of the secretary of the association.
- District Management Committees be encouraged to use the resources of Grand Lodge to provide good management for the district and its lodges, and to plan and implement projects.

Finally, I want to thank the members of the committee for their dedication and efforts for the betterment of the Craft in our jurisdiction.

All of which is respectfully and fraternally submitted on behalf of the Committee on the Condition of Masonry.

D. I. GREENWOOD  
Chairman

## ADDENDUM

The purpose of this report is to provide a preliminary review of the District Deputy Grand Masters' reports for the year just past. I appreciate their efforts in the compilation and preparation of these reports, which will assist Grand Lodge committees in the coming year.

On a positive note, the Mentors Programme continues to pay dividends. On the other hand there continues to be concern about declining membership, shortage of brethren to take the chairs, financial problems, and the condition of lodge buildings.

The following notes are based on comments contained in the D.D.G.M.s reports. In many cases the comments were expressed in more than one report.

1. To improve communications within the Craft, the following suggestions were made:

- the format for the D.D.G.M.s report should be revised to make it easier to use;
- D.D.G.M.s should be encouraged to develop aims and objectives for their year and to make the same known throughout their district;
- could Grand Lodge explore the possibility of notifying a lodge of the names of brethren who have recently moved into their area;
- D.D.G.M.s should be encouraged, if they are not doing so, to publish a district newsletter and include such things as items from the D.D.G.M.s Communique, and a list of coming events;
- district consider, where feasible, a district social club if the population could support it;
- in September, Grand Lodge committees should provide instruction for the respective chairmen and committees at the district level, outlining their duties and responsibilities;
- more information should be provided to the media and the community on the work and activities of the Foundation.

2. To stimulate participation by the brethren in their respective lodges, the following suggestions and observations were noted:

- a specific group (i.e. Past Grand Stewards in a district) could take responsibility for the Masonic Education programme in a district;
- where feasible, provide better access for the elderly and handicapped, also audio systems for those with hearing difficulties;

- Grand Lodge make available a list of guest speakers who will participate in regular meetings, special recognition nights, ladies' nights, etc.
3. To cost share operation and maintenance costs of lodge facilities; the possibilities for better use of lodge buildings should be explored with other community groups.

The above comments are contained in the D.D.G.M.s' reports, which also describe encouraging results of our collective efforts to date for the betterment of the Craft in our Grand Jurisdiction.

### REPORT OF THE COMMITTEE ON BENEVOLENCE

This Report was presented by R.W. Bro. W. E. Elgie, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Elgie, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of R.W. Bros. T. R. Davies, R. T. Runciman, H. N. Britton, P. J. Mullen, E. G. Finkbeiner, M. MacKenzie, E. V. Ralph and V.W. Bros. J. T. Cassie and G. W. Nelson, I am pleased to present the following stewardship report of the Committee on Benevolence.

From the report of the Supervisor of Benevolence for the year ending April 30, 1993, there was disbursed in the interest of benevolence 42 grants and Christmas gratuities from the Memorial Fund, totalling \$68,891. Eight were for interim grants of \$13,710. In addition, the sum of \$11,000 was allocated towards administration costs, and \$4,089 was paid to the firm of Cassels Blaikie for investment management fees. Investment income was \$86,535. Capitalized bequests and donations to the Memorial Fund totalled \$526. We thank the respective donors and strongly encourage such practice in support of Masonic benevolence.

Six requests for financial assistance were forwarded by the Grand Secretary's office to the Masonic Foundation because they did not qualify under our regulations governing grants of benevolence. One request for a loan was reviewed and debt counselling recommended.

In May, your committee met in Hamilton to review the 30 applications received to date, of which 3 were new. Subject to the Supervisor of Benevolence receiving satisfactory documentation from the subscribing lodges, the following allocations are

recommended for the 1993-94 year —

27 Grants through the Lodges	\$ 46,950
3 Grants through the Vancouver Board of Relief	4,033
15 Interim Grants	25,000
Christmas Gratuities	700
Grand Lodge Administration	11,000
Investment Management Fees	4,500
	<hr/>
	\$ 92,183

Current applications are representative of 26 lodges from 15 districts.

While each lodge has the primary responsibility for its members and their dependents, further assistance is also available through your Grand Lodge Committee on Benevolence. A phone call or letter to the Supervisor is all that is required to start the process. The specially designed user friendly application form enables the committee to evaluate the individual needs of the applicant. Although a private document, it appears to be the most efficient evaluation form acceptable for this important function of Grand Lodge. In conjunction with reference material contained in The Manual, the Constitution and the many pamphlets describing Masonic Charity, the procedures for obtaining assistance are readily available to every member in our jurisdiction.

As we evaluate the needs profiles of our recipients, we are becoming aware of the shifting needs and lifestyles of our members. When Grand Lodge commenced granting benevolence in 1858, it was to meet the basic social issues of that time. Today, with expanded vision to embrace the new possibilities, your committee is dedicated to reach beyond the barriers of former thinking and doing. We must never lose focus of our members' total needs and become tunnel-visioned toward solely material needs.

The 50 plus group are the "*wellness*" and "*active living*" role models of our fraternity. Some of their estimated 50 hours of free time per week should be channelled into constructive Masonic happenings. Life is so much sweeter when one takes time to enjoy it. Those who are still in life's waiting room should be afforded the opportunity to enjoy the journey of life to its fullest.

Over the past few years your committee has discussed the concern of what may be perceived as a limited lodge response in benevolence matters for their members. Therefore we are recommending that, pursuant to the returns of an Interest Inventory sent to all District Chairmen, Regional Awareness Workshops designed to re-energize the pulse of benevolence be held throughout the province during the next year. We solicit your support and the co-operation of all District Chairmen and District Deputy Grand Masters.

We commend those districts which have the means, such as Boards of Relief, Benevolent Associations, Masonic Bureaus or Masonic Help Groups, to address collectively the benevolent needs of their respective districts; as well as having an

established systematic method for generating funds to address those identified district needs. It is also encouraging to learn of lodges without a benevolent fund establishing such — "The Craftsmen's Club will donate 10% of its funds to establish the Benevolent Account," Oxford Lodge No. 76.

Employment networking has become a new innovation in several districts this past year to address one of the many shifting needs of our Masonic family. Under the direction of the District Chairman of Benevolence, members seriously unemployed due to recessionary cutbacks and downsizing are registered and assisted toward gainful employment. Guidelines have been developed and are available through W. Bro. Peter Vanderyagt, Toronto District 4.

Some comments from the reports of the District Chairmen:

- \* Received excellent information from the Supervisor's office, which I copied and forwarded to each lodge Chairman of Benevolence.
- \* Lodges should have the following on file —
  1. Assistance to widows and dependents
  2. Hospital visitation
  3. Money and material things are not enough
  4. History of Grand Lodge Benevolence
  5. Steps in applying for Grand Lodge assistance
  6. How the District Chairman can assist you
  7. Pamphlets on Masonic Charity.
- \* It is most assuring to know that the Grand Lodge Committee on Benevolence really works and that when an emergency arises they can rush to the aid of a brother and his family. We are pleased with the care and compassion shown.
- \* District lodges award annual bursaries and contribute to local charitable needs but seem reticent about declaring their good deeds.
- \* Dundurn Lodge No. 475 raised \$3,000 for the Parkinson's Foundation.
- \* \$65,000 was given to the neonatal clinic from the pledges for the Walk for Charity.
- \* Because the financial situation of some lodges is not good, a lodge's benevolence committee is not a high priority, but we are working toward causing a rethinking of that position.
- \* In most cases the appeal for assistance does not come from the applicant. It must be detected and uncovered by you, his friend and brother in Masonry. Therefore, we should always be alert and prepared to report any signs of distress to our lodge.
- \* Toronto District 2 raised \$16,500 for the Alzheimer Society.

- \* Toronto District 6 raised \$8,736 for special wheelchairs at Bloorview Children's Hospital.
- \* The District Sick and Visitation Committee members are doing an excellent job calling on brethren in hospital or confined to home.

Some of the above are tributes to the dedication and service of our Supervisor, R.W. Bro. K. L. Whiting, who with the co-operation of the Grand Secretary and his staff provide support for the Craft. His work is a testimonial to his loyalty for our jurisdiction. As your Chairman is located in the Hamilton area, it has been possible to work closely with the Supervisor to deal promptly and expeditiously with interim requests for the benefit of those in need. As a Director of the Masonic Foundation, your Chairman attended all meetings, maintaining a Masonic benevolence perspective in deliberations concerning its diversified activities.

Charity is the catalyst that unites and binds altruistic peoples of all theistic philosophies into the coherent organization of Freemasonry. To provide relief for those in distress is a lesson taught everywhere in Masonry.

It has been a privilege to serve as chairman of this important committee of Grand Lodge. I wish to express my sincere thanks to the members of the committee, to the Grand Lodge staff and to the District Chairmen who have contributed greatly to the success of our endeavours. We are pleased to have been of service to the fraternity and hope to be of service in the future.

Respectfully submitted on behalf of the committee.

WAYNE E. ELGIE  
Chairman

#### REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

R.W. Bro. C. J. Woodburn presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by R.W. Bro. Woodburn, that the Report be received. (See page 225)

#### REPORT OF THE LIBRARY COMMITTEE

This Report was presented by R.W. Bro. R. Green, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Green, it was received.

To the Most Worshipful the Grand Master, Officers, and Members of the Grand Lodge of Canada in the Province of Ontario

Most Worshipful Sir and Brethren:

I have the honour of presenting the 61st annual report of the Library Committee of Grand Lodge.

The committee consists of R.W. Bros. R. G. Wands (Deputy Chairman), G. W. Kerr (Secretary), T. C. Warner (Mailing Service), G. G. Wilkes, A. G. Wolfe, D. G. McFadgen, and the undersigned.

A computer listing of books and videos was compiled this year and is being updated on a continuing basis.

We have tried three library satellite areas this year with great success:

Sudbury—Manitoulin District — thanks to Bro. Mulack for his assistance  
 St Lawrence District — thanks to Bro. McKenna for his assistance  
 Western District — thanks to Bro. Tibbetts for his assistance

New additions to the library this year include:

- F41 — MORNING MAGAZINE CKCO—TV Interview with M.W. Bro. Norman  
 VHS E. Byrne and R.W. Bro. W. E. Elgie by Bob McLean dated October 7,  
 1992. (20 min)
- F42 — MORNING MAGAZINE — CKCO—TV Interview with M.W. Bro. Norman  
 VHS E. Byrne and R.W. Bro. W. E. Elgie by Bob McLean dated November 4,  
 1992. (20 min)
- F44 — FREEMASONRY TODAY, TOMORROW. Grand Lodge of England  
 VHS 275th Birthday with our M.W. Bro. N. E. Byrne speaking towards the end  
 of the tape as Grand Lodge is retiring. (35 min)  
 (This tape is very definitely worthy of note — especially for Open Houses)

In the book category we have received numerous donations from the brethren and most recently we have received *Pilgrims Path* No. R1T 1T3 by John J. Robinson, *Folgers Manuscript* No. M5V5F by Morris S. Brant, plus *Freemasonry and Religion in the Scottish Rite Journal* No. S1M5.

One hundred and forty-six (146) books and 121 videos have been sent out via mail. Brethren visiting the Library have borrowed 184 books and 101 videos, for a grand total of 330 books and 222 videos.

To the loyal volunteers who staffed the Library during the year, I give our sincere thanks—you are most appreciated—R.W. Bros. Arthur G. Wolfe, Robert W. Faulds;

V.W. Bros. Ernest Cassidy, Charles Nicholson; W. Bros. Robert Todd, John Mannisto, David Gordon, Robert Showkenik, Harold Ogilvie and Bros. Balwinder Gill, David Weegar.

Surplus books were displayed and sold during the Ontario—Quebec Masonic Weekend held in Ottawa in September last. This idea was enthusiastically received; therefore, it is the intention of the Library Committee to continue the sale of books in excess of the required number for use in the Library.

An inventory is underway of every item on the shelves of the Grand Lodge Library which is available to all Masons. This listing will take priority then we will be in a stronger position to list excess books which are for sale—many requests are received from the brethren for these books, and we will be happy to fulfill this requirement.

Our thanks to the District Deputy Grand Masters for their support and assistance in the promotion of this service of Grand Lodge.

Finally, we wish to thank the Grand Secretary and his staff for their never ending support and cooperation, which is appreciated.

Respectfully and fraternally submitted.

RALPH GREEN  
Chairman

## REPORT OF THE DISCIPLINE COMMITTEE

This Report was presented by R.W. Bro. G. F. W. Inrig, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Inrig, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In reporting on behalf of the Discipline Committee, I have GOOD NEWS and I have BAD NEWS. The GOOD NEWS is that your Discipline Committee has had no matters brought before it this year. This does not necessarily mean that the brethren are well-behaved; rather, it may suggest that some simply have not been caught. And therein lies the BAD NEWS: a number of reports have been received by the Grand Secretary of errant craftsmen and these reports have been passed to this chairman. The matters of which these reports are concerned have not reached the stage for Masonic Trials, nor for appeals to or reviews by this committee. Hence our inactivity. However, this chairman has not been totally inactive. The Constitution of this Grand Lodge,

S410.1, permits a brother, against whom a charge of unmasonic conduct is pending, to request a Certificate of Severance. He need give no reason or explanation for making his request; he, in no way, acknowledges any wrong-doing. This procedure obviates the need of the conduct of a Masonic Trial and stays all proceedings. During the past twelve months, two members have requested and received a Certificate of Severance. Because the member requesting the Severance admits to no wrong-doing, the publication of his name should not be contained within this report. The Grand Secretary, however, will advise the secretary of the lodge from which the member sought severance, and that secretary will advise the Masonic Bureau in that district or the secretaries of all the lodges in the district, if there is no Masonic Bureau. The severed brother may not be reinstated without the consent of Grand Lodge.

The brethren are cautioned against precipitous action where Masonic charges are concerned. If the alleged misconduct is of a criminal nature, no action should be commenced until all proceedings in the Criminal Court have been completed, including the passage of the period for appeal. Too prompt a proceeding may result in a civil action against the lodge and the Master thereof, and against the Grand Lodge and the Grand Master. If an allegation of misconduct is anticipated, the Master of the lodge should contact the Grand Secretary or the Chairman of the Discipline Committee. It is the recommendation of the Discipline Committee that no Masonic Trial commence until there is available a Certificate of Conviction issued by the appropriate court authority.

The Discipline Committee is concerned that submissions on sentencing have been made to courts alleging the participation of the accused in Freemasonry. In the sentencing of a convicted Mason, little benefit is to be gained by adducing to the court that the recipient of the sentence is a "good" or "active" Mason. If the presiding Judge is a Mason, he will know that the member has not followed his Masonic obligations; and, if the presiding Judge is not a Mason, his opinion of Freemasonry, based upon the fact that the person before him is a "good" or "active" Mason, will not be enhanced.

During the past year, as stated, the Grand Secretary has received a number of reports and has continued to advise and seek the advice of the chairman of this committee. I wish, therefore, to thank M.W. Bro. Robert E. Davies, the Grand Secretary, for his interest, dedication and co-operation in these matters. I would also wish to thank R.W. Bro. Roderick D. Knott, D.D.G.M. of Georgian North District, for his interest, concern and assistance in a matter arising from his district.

The committee consisted of the late M.W. Bro. W. K. Bailey; M.W. Bros. E. W. Nancekivell and A. Lou Copeland; R.W. Bros. C. E. Drew, H. A. Leal, R. T. Runciman, D. I. Greenwood, J. R. Gilpin and J. D. Innes; and V.W. Bro. R. S. Whitmore; to all of whom I extend my thanks and appreciation.

Respectfully and fraternally submitted.

GEORGE F. W. INRIG  
Chairman

## REPORT OF THE COMMUNICATIONS COMMITTEE

This Report was presented by R.W. Bro. W. T. Anderson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Anderson, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to present this report on behalf of R.W. Bros. F. G. Dunn, J. H. Hough, D. R. Moore, T. Shand, R. D. Hanton, T. A. McLean; V.W. Bros. B. Auchterlonie, L. Bittle, R. D. Large; W. Bros. R. Baker, R. Hutt, B. Marshall, J. Petch, and the undersigned as chairman.

### D.D.G.M. Communique

The first issue of the D.D.G.M. Communique was published in November, 1991, with monthly issues (except July and August) since that time, received by the D.D.G.M.s, Past Grand Masters and Members of the Board of General Purposes. The response to this newsletter has been most favourable, thus forging a positive organ of communication, linking the Grand Master and the forty-six District Deputy Grand Masters of our jurisdiction.

The Communications Committee has accomplished its mission. It is therefore recommending that the D.D.G.M. Communique become a permanent publication, originating from the Grand Lodge offices.

### Community Entrance Signs

Resulting from the survey conducted in 1991-92, of seventeen districts, where Community Entrance Signs had been erected in a pilot project to promote the awareness of Masonry in the communities, a new set of guidelines for installation permission and sign specifications have been developed and approved for use throughout our jurisdiction. The approved signs are made of 10 gauge aluminum, 18" x 24", covered with 3M heat activated HI INTENSITY reflective blue. The logo, lettering and border consist of solid white reflective vinyl. The logo to conform to the shape of the Standard Logo, as per Section 3.1 of the Constitution of Grand Lodge, height 12", width 10", the lettering (a possible three lines) below the logo, height 1" per line, the border 5/8" wide set back one-half inch from the outer edge. There are two holes for mounting, one on top and one on the bottom. The cost is \$25 per sign (any quantity) plus \$5 shipping costs. The guidelines for installation, sign specs and order forms may be obtained through the Grand Secretary's office.

### Standard Letterhead

A set of camera ready, personalized standard letterhead was prepared and issued to each new District Deputy Grand Master and Committee Chairman, immediately

following the 1992 Grand Lodge Communication; as well, a picture collage of the 1992-93 D.D.G.M.s was prepared. These projects will be repeated for the 1993-94 D.D.G.M.s and Committee Chairmen.

The Masonic Video subcommittee has developed a production concept and outline. They are now reviewing and verifying documentary materials that may be incorporated into the video. The projected production schedule calls for a June, 1994, completion.

#### **Summonses and Newsletters**

The summonses and newsletters throughout the jurisdiction are being continuously screened and it is gratifying to learn that many of the previous problem areas have been addressed. However, there still remains some room for improvements. The most visible need is that a number of summonses list the "Committee of General Purposes" as the "Board of General Purposes"; a few still issue a warning that the document is "SECRET"; as well - a number of the lodges are using "*script writing*" which becomes very difficult to read, especially for some older members. These problems are being highlighted in the D.D.G.M. Communique.

A computer generated summons format is being developed to assist those lodges converting to or employing computers.

#### **New Communication Format**

A feasibility study was conducted on the Grand Lodge Bulletin, with the following mandate:

1. Explore the possibility of using an insert in the Bulletin for various regions of the jurisdiction.

*Suggestion:* As Grand Lodge is contemplating going to a magazine format, a centrefold could be changed in every edition by dividing the province into four areas, so each would be represented during the year.

2. Should advertisement be sold to help defray costs?

*Suggestion:* At present a new source of funding is being explored but we should keep paid advertisement as a viable alternative.

3. Should we look at an Ontario or National publication?

*Suggestion:* Presently our publication should stay within Ontario.

4. How many issues per year?

*Suggestion:* The first year should have two issues published, increasing to four issues per year as production and organization is sorted out.

5. What is the best and most economical way to produce the Bulletin in a magazine

format?

**Suggestion:** (a) The most important aspect is funding. (b) An editorial policy must be established. (c) The material must be prepared to camera ready state before going to the printer. (d) The first issues should not be more than sixteen pages. (e) A computer generated mailing list is required.

### **Greeting Cards**

The committee is developing a portfolio of sketches and paintings of Masonic Buildings of Ontario, to be used in greeting cards. We are inviting all Masonic artists, wishing to participate in this programme, to contact any member of this committee or the Grand Lodge office, indicating their interest and expertise. This promises to be a very exciting project.

### **Wireless Meeting Amplifier**

The effective results of several Grand Master's receptions have been placed in doubt by the untimely breakdown of facility sound systems. The committee, therefore, recommends that a Wireless Meeting Amplifier (high frequency), cassette equipped unit, be purchased for the Grand Master's use.

The Communications Committee is required to study the state of communications within our Fraternal Order and to make recommendations for the modification and development of the same.

We hope that communications have improved but we have much work to accomplish. We must examine and perfect new and innovative means for hearing our members and speaking positively to the public.

All of which is respectfully submitted on behalf of the committee.

W. T. ANDERSON  
Chairman

## **REPORT OF THE BLOOD DONORS' COMMITTEE**

This Report was presented by R.W. Bro. R. J. McKibbon, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McKibbon, it was received.

To the Most Worshipful the Grand Master, Officers, and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

They say "YOU CAN'T GET BLOOD FROM A STONE" — NOT TRUE

when you have a committee of industrious diamonds the likes of R.W. Bros. G. L. Atkinson, G. E. Bilboe, G. E. Hinds, A. L. McLelland, P. W. McNeil, C. M. Miller, E. J. Scarborough, D. W. Townsend; V.W. Bro. E. L. Burns and W. Bro. F. K. Hyatt.

They were assisted by Ruby Red Regional Representatives: R.W. Bros. G. R. Brittain, R. K. Campbell, I. J. Johnstone, G. W. Nelson, T. Shand, R. D. Summerville, who through the rare gems of the district and lodge chairmen tapped the golden veins of the brethren.

Please find listed below the twelve months' yield of the Masonic quarry in blood donations.

### TOTAL DONATIONS — 14,844

Congratulations to the Blood Donor Lodge Chairmen, District Chairmen and District Deputies who by their efforts have set the above record donations. How was it accomplished? Enthusiasm + organization + Red ties + blood donor hats + 30 dozen donuts + minute promotions + posters + summons reminders + paid advertising + 500 telephone calls + sponsored clinics + tea and cookies + family support + dedication + brotherly love. Why a lodge even donated a colour TV to the Red Cross for donor comfort. Due to financial constraints the Red Cross has cut back its number of clinics. For example, Algoma East lost its only clinic so those faithful brethren travelled many extra, extra miles to donate. If Masonry has a secret, it is the time and effort of a myriad of brethren spending countless hours, donating their talents for the benefit of mankind. Each of you know who you are. THANK YOU! May your inner satisfaction rise as the morning sun and add radiance to your lives.

We acclaim those brethren who have this past year established "*Ashlars*" in blood donations.

Morley C. Haynes, our 100 Donation calligrapher.

**Recommendations**

Your committee respectively recommends:

1. That the Masonic Blood Donor pamphlet be widely distributed and available to all districts subject to financial feasibility.

2. That Regional Representatives be continued and expanded.
3. That successful District Chairmen be encouraged to continue in office and the appointment of district vice or co-chairmen be considered.
4. Subject to approval of the Masonic Blood Donors Insignia that Masonic Blood Donor buttons (similar in size to 25 year pins) be produced on a self-supporting cost basis.
5. That we continue to promote Masonry at the Ploughing Match and assist the local district with displays.
6. That we continue to assist District and Lodge Open Houses.

M.W. Bro. Norman E. Byrne, thank you for the opportunity to have been part of your dynamic team. Your energy, leadership and humanity are living proof of our tenets and principles and we thank you for your encouragement and support. The committee would also like to thank the Grand Secretary, M.W. Bro. Robert E. Davies, his assistant, R.W. Bro. Kenneth L. Whiting, and staff for their kindness in facilitating our efforts.

Finally, my brethren, records can always be broken.  
What really counts is the blood donation.  
For you give opportunity for . . .

## REPORT OF THE COMPUTER RESOURCES COMMITTEE

This Report was presented by V.W. Bro. N. G. McCarthy, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. McCarthy, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to report to you on the endeavours of the committee, consisting of

R.W. Bros. R. G. Wands, D. E. Wood (Vice-Chairman), B. E. Bond (Secretary), V.W. Bros. M. J. Duke, C. H. Howell and W. Bro. P. Reeve.

I would like to begin by expressing my appreciation for their support and enthusiasm.

Our mission over the past two years has been to provide assistance to lodges that are about to or are already utilizing computers in the management of their records.

We continue to distribute listings of recommended computer hardware and software, a dictionary of computer terms, PC File + (version 5.01) and other material of interest to computer users.

In order to facilitate this endeavour the committee has requested through the District Deputy Grand Masters individuals willing to serve on a local level. The committee would like to thank the thirty-six Masons from twenty-nine districts who have volunteered to act as District Representatives. They are —

We would like to request that the District Deputy Grand Masters include their representatives in their District Trestle Boards or Newsletters. The committee will be happy to provide the addresses and telephone numbers of each. In addition, we would appreciate the name of an individual willing to help in the Districts not represented.

Last year we reported that we were investigating the establishment of an Electronic Computer Bulletin Board. We are happy to report that this is now almost a reality. Phase 1 of our testing is complete. We have entered Phase 2 by making a test bulletin board available in the Toronto area using the telephone number (416) 438-9303. It is our hope to establish the Bulletin Board in the Grand Lodge office during the next year.

We would like to offer a special thank you to V.W. Bro. Melvyn Duke for his gracious gift of an IBM XT Computer for the use of this bulletin board and to R.W. Bro. Brian Bond for his tireless efforts in setting this into operation.

The committee would like to invite all of the Brethren and particularly the other committees of Grand Lodge to make use of the bulletin board to communicate with the whole of the Jurisdiction.

During our term we have had the honour of working with the Communications Committee under the chairmanship of R.W. Bro. William Anderson, utilizing the D.D.G.M. Communique and preparing a computer format for the Lodge Summons. We would like to acknowledge the assistance of two of his members, R.W. Bro. Terence Shand and V.W. Bro. Lloyd Bittle.

In addition, two of this committee's members, R.W. Bros. Robert Wands and Brian Bond have created a computer programme exclusively for the use of the Grand Lodge Library Committee under the direction of R.W. Bro. Ralph Green. Our congratulations to each of them on their endeavours.

Sharing our findings with our Brethren has been of utmost importance and we have had that opportunity at the "Unity Weekend" in Ottawa last September and again at the seminars presented at this Annual Communication.

Over the next year we hope to be able to determine how many lodges are using computers and what type of work they are able to perform.

In conclusion, I would like to personally thank you, Most Worshipful Sir, for your support of this committee and to inform the Brethren that even our Grand Master has found the time in the past few months to become a new computer user.

Respectfully submitted on behalf of the committee.

NORMAN G. McCARTHY  
Chairman

### REPORT OF THE LONG RANGE PLANNING COMMITTEE

This Report was presented by R.W. Bro. D. R. Thornton, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Thornton, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am privileged to present the report of the Long Range Planning Committee (LRPC) on behalf of its members: M.W. Bro. David Bradley; R.W. Bros. Aksel Aggerholm, Clark Brooks, Andrew Burgess, Ian Clunie, Ronald DeLine, Durward Greenwood, Donald Moore, Ronald Watson, Keith Wellstead and the undersigned as Chairman.

Three meetings were held, at which the following items, related to the future of the Craft, were considered —

**Support to Lodges:** Long Range Planning information was mailed to all D.D.G.M.s early in their term of office. Additional material was provided on request. Committee members participated in LRPC meetings in Frontenac, Niagara A, North Huron, Wellington and Wilson Districts and the seminar Towards 2000 in South Huron District.

**Membership and Finances:** The committee recommends that Grand Lodge promote a detailed projection of membership and finances by all lodges so that they may develop strategies for the future.

Declining membership, coupled with ever increasing costs of maintaining buildings, force lodges to consider amalgamation or the surrender of charters. Lodges are encouraged to take advantage of the expertise of members in their districts and through the committees of Grand Lodge. Members with computer skills can assist by preparing spreadsheets showing membership and financial status and projections. Bro. Scott Kirby of Coronati Lodge No. 520 prepared a detailed review and projection of the membership, management structure and financial conditions in his district. With Bro. Kirby's permission this format is available through the LRPC for use by lodges and districts.

**Management Committees:** The committee recommends that lodges and districts review their management structure, and, especially, consider following the example of Grand Lodge by implementing a form of Management Committee at both the lodge and the district level to improve the planning process for meetings, and to assist in the continuity of programmes from year to year. Draft guidelines are available from this committee or in The Masonic Manual, pages 198—199.

**Grand Lodge:** The committee recommends —

a) that the Chairman of the Management Committee (DGM) hold a joint meeting with all the Committee Chairmen, shortly after Grand Lodge, to identify, plan and coordinate their activities for the year.

Grand Lodge committee members often serve at great personal expense. It is important that their commitment and investment be well used and that duplication of effort be avoided.

b) that the Management Committee continue the review of the operation and structure of Grand Lodge as recommended in the LRPC report printed in the 1991 PROCEEDINGS, page 117, item 3a and 3b.

**Training:** The committee strongly recommends that all Districts implement yearly workshops to train lodge officers to become competent Masters using a programme similar to TOWARDS THE SQUARE by M.W. Bro. Bradley.

Freemasonry, as experienced by our members, is primarily related to the effort that Wardens and Masters dedicate to planning and presenting stimulating meetings. This committee endorses the policy which requires the Master-elect to present to the lodge, for approval, before installation, a detailed outline for all meetings and events for the year.

**Communications and Education:** The committee recommends —

a) that Grand Lodge, Districts and Lodges establish improved ways to communicate so that ALL may have READY ACCESS to current information and be knowledgeable in Masonic matters.

b) that the Grand Lodge Education Chairman be appointed for a multi-year term and that the committee conduct annual seminars throughout the jurisdiction.

Excellent resource material is available through Grand Lodge and the yearly Proceedings of Grand Lodge but many still remain uninformed of important matters concerning the Craft.

**The Economy:** The committee recommends that lodges be considerate of the personal stress and financial hardship experienced by many members and their families as a result of economic problems in our country and the loss of employment opportunities. Lodges and members are asked to provide support and encouragement where possible.

We are privileged to enjoy the benefits of Freemasonry through the efforts of the brethren who went before us who did what they could to build and preserve our lodges. Let us develop and implement plans to ensure a secure future for our Order.

**REVIEW THE FACTS**

**MAKE A PLAN**

**TAKE ACTION**

Respectfully and fraternally submitted on behalf of the committee.

## SPECIAL COMMITTEE REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Since March of 1993 the Masonic Magazine Task Force Committee has held seven meetings to study the feasibility of producing a Masonic magazine for distribution to all Masons throughout Ontario. The results of the endeavours of the committee since the Board of General Purposes meeting in May of this year are as follows.

A network of volunteers throughout Ontario continues to grow at an average rate. Media kits have been prepared for distribution to all 46 districts. A magazine named *The Ontario Mason* has been registered with the Ministry of Commercial and Consumer Relations, together with the Masonic Logo and the Ontario Trillium.

The 1992-93 District Secretaries and the 1993 Appointed Grand Lodge Officers will be asked to participate as ambassadors during the coming year as they travel throughout their respective districts as Grand Lodge Officers.

Costing and the viability of this publication by an independent agency has been sought through R.W. Bro. T. R. Davies and the committee will continue to explore the data.

The conclusion of the committee is that to publish *The Ontario Mason* on a quarterly basis as a first class 32-page magazine, commencing in the fall of 1993, is in the opinion of the committee premature. We do, however, recommend the reestablishment of an immediate communications link in Ontario and submit the following for consideration.

Recommendations:

- a. That during the Masonic year 1993-94 two issues of *The Ontario Mason* be published in a communiqué-style newsletter suitable for distribution to all Masons of Ontario by their respective lodges.
- b. That monies previously delegated to the publication of The Bulletin be utilized to publish this issue.

Respectfully and fraternally submitted on behalf of the committee.

TERENCE SHAND  
Chairman

## REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. R. A. Barnett, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Barnett, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a privilege to present this report to the 138th Communication of Grand Lodge on behalf of the Grand Lodge Committee on Masonic Education.

The committee salutes the efforts reported by many of our District Chairmen. They tell of papers being presented, Workshops and Lodges of Instruction, programmes of Inter-Lodge Education presentations, and the Chairman's promotion of Masonic Education programmes and materials during D.D.G.M. visitations. One district has established a Very Worshipful group to research and produce Masonic Education for their district (Toronto 3).

The committee has three ongoing projects (Correspondence Course, the Newsletter, Speechcraft Dynamics) and one special seminar programme (Prospective D.D.G.M.s) that have provided the bulk of our activity this year. The committee met six times at the Grand Lodge Office in Hamilton and our thanks must go to R.W. Bro. Whiting for his assistance in arranging for the times and space for us.

### Correspondence Course

The continued increase in applications for this four part course gives ample evidence of two encouraging trends. First, that there are Masons throughout our jurisdiction, from the newly initiated to the seasoned veteran, who are interested in learning more about our gentle Craft. Second, that the increased enrolment is proof of the success of the efforts of District Chairmen of Education to make the brethren in their respective districts aware of this opportunity to gain further knowledge about Freemasonry.

The course is directed by R.W. Bro. Edsel Steen, assisted by R.W. Bro. Peter Polkinghorne, and their dedicated group of "experts" who review the completed lessons, making suggestions and comments in their written dialogue with each student.

We will continue to promote and support this very worthwhile and popular programme (\$20.00 for each of the four sections.)

### The Newsletter

Here, too, the efforts of the District Chairmen have been the key factor in the

growth of the subscribers list for this quarterly publication of Masonic information and education. This publication began in January 1981 with Volume 1, No. 1, under the guidance of the Chairman of the Committee of Masonic Education, R.W. Bro. Wallace E. McLeod, and Editor (1981-86) M.W. Bro. David C. Bradley.

This year all of the issues of the current volume (No. 12) have been mailed using our own data base, and all records of subscribers are now included in that base. Information from the data base will enable us to respond to a District Chairman's questions about subscribers in their district and results of their own promotional efforts.

All suggestions to improve this publication are welcome. (The biggest room in the world is the room for improvement!) The Newsletter will continue as an ongoing project with both the quarterly subscriptions (\$12.00 per year) and the year end hardbound cover edition which includes that year's four issues (\$15.00).

### **Speechcraft Dynamics**

This programme was first endorsed and promoted by your committee in 1988 under the leadership of R.W. Bro. James A. Hughes. It is provided in the Toastmasters' International Success Leadership series and involves eight (8) two hour sessions which have been designed to develop and improve communication and speaking skills. Very positive response has come from all who have taken this course. Some have commented that it has changed their lives at home and at their job, as well as in the lodge. Our W. Bro. Howard Tosh has been our liaison with Toastmasters and through him we have been able to get names and addresses of local Toastmaster Chapters in Ontario. They are also in the telephone book and have been very responsive to inquiries about their Speechcraft Dynamics course. Cost will vary for each area but all have been for modest amounts per person. Your local Toastmaster Chapter can quote prices and that may depend on numbers and location of classes (Lodge rooms?).

### **Seminar — Prospective D.D.G.M.s**

This June saw the end of the planned three-year programme to provide this Seminar (regional sessions) to all 46 Districts. R.W. Bro. J. Murray Wagg has led these presentations along with his small group of "selected volunteers." These road show presentations have been very well received and reach men in the districts that could not otherwise make themselves available for the programmes at Grand Lodge. Our R.W. Bro. Ted Peters has run this same session at Grand Lodge for the past two years and the number attending those sessions has also been very encouraging. This programme has been praised highly by those who intend to seek election as a D.D.G.M. The booklet prepared for this presentation is available and makes an excellent reference manual. We have the resource material and two experienced leaders for this programme so it can be made available again, given reasonable notice.

Finally, your committee respectfully makes the following recommendations for the coming year —

1. That the number of active members of this committee be expanded to twelve so that each member can work more closely with no more than four District Chairmen and so that each of the ongoing programmes can have the focused input and attention of at least three members.
2. That there be an immediate review of available educational books and materials with a view to updating and reprinting any that are still relevant and either out of print or in short supply. Because the Correspondence Course relies heavily on both "Meeting the Challenge" and "Beyond the Pillars," reprinting of both of these should be made a priority item. Also, because the "Masonic Manual" is an important and current reference text, it too should be scheduled for an update review and edit so that another printing can be done before supplies are exhausted.
3. That information packages be prepared by this committee for the new D.D.G.M.s, which also contain a similar package for the D.D.G.M. to hand over to his District Chairman of Masonic Education. These packages will help to get the new Masonic year off to a quicker start and begin an early and important communication between all District Chairmen of Masonic Education and this committee. Through the kind offices of the Custodian of the Work, M.W. Bro. N. R. Richards, this was tried last year and the results and the comments from the District Chairmen were very positive.

May I close by thanking the members of this committee for their interest, support and generous contributions of time and effort throughout the year.

Respectfully and fraternally submitted on behalf of the committee.

R. A. BARNETT  
Chairman

### REPORT OF THE COMMITTEE ON THE MENTORS PROGRAMME

This Report was presented by R.W. Bro. L. J. Hostine, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Hostine, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Following the extensive campaign of District Workshops of 1991 and 1992, this year the Grand Lodge Committee decided to conduct the Workshops on a lodge-by-

lodge basis and were invited to do so. These lodges now seem to express a sincere interest in the programme and were adapted, the District Deputy Grand Masters are *now reporting renewed interest and vitality* in these lodges.

We recommend that next year's Grand Lodge Mentors Committee continue to do the Workshops on a district or individual lodge basis where invited to do so.

#### **Programme Acceptance**

Reports received from the District Deputy Grand Masters using the new form (Annual Statistical Return) indicate a positive response to the programme is being expressed. All indications point to a 75% acceptance level of the programme in most districts. Further effort is needed to educate and convince those lodges not using the programme of its necessity.

#### **Forms**

We have experienced unanimous co-operation from the District Deputy Grand Masters in using the new form, for which the committee is grateful. We recommend that the 1993-1994 District Deputy Grand Masters advise all lodges to discontinue the use of the old reporting forms.

#### **Rewrite**

Sincere efforts have been made by the members of the Grand Lodge Mentors Committee to express the content of the programme in a meaningful way that will be understood by all Masons. We feel that we are much closer to achieving this end! Continued effort is being made by all concerned and the chairman expresses his sincere appreciation to all involved in the rewrite and expression of the programme.

#### **Audio Visual**

This committee still recognizes the need to enhance the programme with an effective Visual Presentation. The framework of the Visual programme is well on its way, awaiting final approval of the audio programme text.

On behalf of the committee, listed below, we express our sincere appreciation to the Office of the Grand Secretary and the District Deputy Grand Masters for their superb support. I would be remiss not to note the enthusiasm and dedication of all the committee members and Regional Directors who travelled great distances and gave so much of their time — R.W. Bros. W. E. McLeod, R. K. Campbell, G. F. Inrig, R. D. Summerville, D. W. Townsend, A. W. Marner, R. H. West, and W. Bros. J. Leitch, F. G. Tupling.

All of which is respectfully and fraternally submitted.

Chairman

## REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by R.W. Bro. J. D. Jackson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Jackson, it was adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year your Committee on Fraternal Relations has reviewed applications for recognition submitted by ten Grand Lodges not presently in amity with our Grand Lodge.

The Committee, composed of Past Grand Masters, has carefully reviewed these requests and is pleased to recommend that the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario extend recognition to the Grand Logia Occidental de Colombia, the Grande Loja Do Estado De Sergipe, the Grande Loja Maconica de Brazilia, the Grande Loja Maconica Do Estado De Mato Grosso Do Sul and the Grande Loja Regular de Portugal. These five Jurisdictions meet and exceed the normal requirements of recognition.

The Committee further recommends for various reasons that the requests reviewed from the Gran Log: Valle De Mexico, the Grande Loge Nationale Togolaise, the Grand Lodge of "Yugoslavia," the Grand Lodge of Bulgaria and the Grand Orient of Lebanon be tabled and no action be taken at this time.

Respectfully submitted.

JAMES D. JACKSON  
Chairman

## REPORT OF THE COMMITTEE ON SPECIAL EVENTS AND REGIONAL WORKSHOPS

This Report was presented by R.W. Bro. P. Mullen, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Mullen, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

After my appointment as chairman of this committee at our Annual Communica-

tion of Grand Lodge this past July, I immediately contacted R.W. Bro. C. John Woodburn to request that he remain as chairman of the Ontario—Quebec Masonic Weekend — "Unity through Masonic Brotherhood" — scheduled for September 25, 26 and 27, 1992, in Hull, Quebec, and Ottawa, Ontario.

Under his chairmanship, a very energetic and enthusiastic committee comprised of Masons from Ontario and Quebec staged a very successful and meaningful weekend of Masonic fellowship consisting of the following events:

- At noon, on Friday, the Grand Masters, Norman E. Byrne and Lorne A. Phillips, their wives and their party were warmly received on Parliament Hill by government officials.
- The official party then hosted a reception for local dignitaries and the media at King Solomon Temple, Aylmer, Quebec.
- Friday evening registration and fellowship continued in the Hospitality room at the Delta Ottawa Hotel.
- Early Saturday morning a fellowship flapjack breakfast for Masons, their wives and families was hosted by the Host Committee and Masonic Friends at the Walkley Road Masonic Temple in Ottawa, followed by an official welcome and entertainment in the Scottish Rite Room, and historical exhibits in the lodge rooms of the temple.
- Saturday night a lovely dinner—dance was enjoyed at the Hotel de la Chaudiere, Hull, Quebec.
- On Sunday morning over 500 Masons, their wives and families marched from the Delta Ottawa Hotel to Christ Church Cathedral for a church service led by the Grand Masters and their wives.

This committee expresses sincere thanks and deep appreciation to chairman R.W. Bro. C. John Woodburn, and the members from Ontario and Quebec who so ably organized and so capably executed all the events to make the weekend so enjoyable. It was a distinct pleasure for me to be an integral part of this weekend. This event was the major responsibility of this committee this year.

In consultation with our Grand Master after the Masonic Weekend about other events or requests, he advised that he had no further events or requests in mind at this time.

Therefore, on behalf of the following committee members—R.W. Bros. W. T. Anderson, G. L. Atkinson, R. K. Campbell, R. Green, L. J. Hostine and C. J. Woodburn—I respectfully submit this report.

## REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by V.W. Bro. A. D. Hogg, Chairman, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Hogg, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following brethren are members of the Advisory Committee on Lodge Buildings: R.W. Bros. Kenneth G. Bartlett (Secretary), Charles W. Crow (Vice Chairman), Frank G. Dunn, A. Edgar Dyer, James R. Gilpin, Edward S. Rutter, Robert S. Throop

During the year the committee recommended the following lodges be granted dispensation to use their accommodation for lodge purposes:

Central Lodge No. 110, Prescott  
Morning Star Lodge No. 309, Carlow

The following Lodge Room Dedications are recorded:

Madoc Lodge No. 48, Madoc	Saturday, October 3, 1992
Scottish Rite Lodge Rooms, Hamilton	Saturday, March 6, 1993
Blyth Lodge No. 303, Blyth	Saturday, April 17, 1993

Renovation or new construction is either underway or contemplated by the following lodges:

Fidelity Lodge No. 650, Toledo	Strong Lodge No. 423, Sundridge
Harmony Lodge No. 370, Philippsville	Clinton Masonic Building Inc, Clinton
Hillcrest Lodge No. 594, Hamilton	Burns' Lodge No. 153, Wyoming
Oshawa Lodge Building, Oshawa	King Edward VII Lodge No. 471,
St. John's Lodge No. 17, Cobourg	Niagara Falls

It has been learned, from a reliable source, that intensive inspections of buildings by various Fire Departments for compliance with the Ontario Fire Code requirements is likely to happen and should not be taken lightly. Lodge buildings must meet the minimum standards of this Code or risk closure or fine until deficiencies are corrected.

Maintaining Life Safety in our lodge buildings is the fundamental objective of this

committee. It is therefore disturbing to learn that some lodges throughout the jurisdiction believe that Grand Lodge, through this committee, is creating nothing more than an obstacle course to thwart their ambitions. On the contrary, the Advisory Committee on Lodge Buildings is purely an "advisory committee" committed to assisting lodge building committees in navigating a course through the sea of federal, provincial and municipal regulations already extant and not regulations of Grand Lodge making other than ritual requirements.

Aging and infirmity go hand in hand. Statistics Canada informs us that the percentage of elderly people in our population is on the increase. A fact of which our Grand Lodge is more than fully cognizant.

It is encouraging to note that one district in particular has not only acknowledged this fact but is attempting to do something about it. That district is Wilson South under the leadership of R.W. Bro. Fred Cook, D.D.G.M. Their objective is to make every lodge building in the Wilson South District accessible to the handicapped. The installation of stair chair lifts in many instances will solve the problem. Other solutions may be required to achieve this objective. Hard of hearing is also a handicap which afflicts many of us. A lodge with good acoustical qualities or one enhanced with an amplified sound system or other type of hearing assistance device is less likely to be affected by the declining attendance phenomena. Nevertheless, it should be mentioned that no manner of sound system can correct poor delivery or lack of clarity in diction which could more readily be improved by instruction in public speaking.

Congratulations to Wilson South District for their initiative in this endeavour. We would like to see more districts follow their example by looking into the future needs of our brethren.

My personal thanks are extended to the Grand Secretary and to the members of this committee for their support and commitment.

Respectfully submitted on behalf of the committee.

A. D. HOGG  
Chairman

## **REPORT OF THE COMMITTEE ON PUBLIC RELATIONS**

This Report was presented by R.W. Bro. S. R. Whiteley, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Whiteley, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

### **The Open House Programme**

As the 1993 Masonic year draws to a close, we view the achievements of our brethren, in virtually every corner of our Grand Jurisdiction, and their contribution to creating a favourable public perception of Freemasonry in each of their respective communities, with a great deal of pride.

Coupled with member participation, print, radio and television media, the concordant bodies of Freemasonry, the initial thrust was to build a greater awareness of the reach of our Masonic network in the rural, urban and metropolitan areas within the Province of Ontario.

From the reports we have received, the print coverage we have reviewed, the favourable feedback from our members and the comments addressed by the public, we as Masons can stand tall in the confirmation of our contribution to the community. We can acknowledge with self esteem that we have indeed achieved our mission in 1993 through the medium of the Open House concept.

### **The International Plowing Match**

The International Plowing Match has proven to be an excellent vehicle to showcase our fraternal organization. The Masons of Victoria District are to be congratulated for their outstanding support and contributions to ensure a most successful event held in Victoria County in September, 1992. Your committee is pleased to report that plans are underway to participate in the 1993 International Plowing Match, being held in Bruce County September 21–25, 1993, and Renfrew County September 20–24, 1994.

There are in the Province of Ontario in excess of 2,000 Spring and Fall Fairs held annually, the largest of which is the Royal Winter Fair in Toronto. Your committee recommends participation in this world class event, beginning as early as November, 1994.

### **The Masonic Calendar**

Considerable interest has been expressed relative to the introduction of a Masonic Calendar for the 1994 calendar year. The committee have submitted their recommendations regarding photography, content, descriptive information and presentation

to the Management Committee. Pending approval of same, your committee will embark on an action plan to launch a first class quality product that would be of interest to our membership and compliment our fraternity.

#### **The Widow's Pin**

Responding to the recommendations of the Management Committee "that the proposed development of the Widow's Pin be implemented," your committee endorses the following guidelines —

- a) the design of same should include the universally accepted broken column;
- b) the inclusion of a wreath within the design;
- c) the inclusion of a small diamond within the design;
- d) availability in both gold and silver to complement apparel;
- e) attainable at an affordable price;
- f) a printed message to accompany the presentation;
- g) size of pin should be similar to that of the Canadian twenty-five cent coin.

It is our opinion that the Widow's Pin should be an emblem to reflect a symbol of our continued concern and honour of the widow of a brother Master Mason.

Your committee recommends the implementation of the Widow's Pin programme with the new Masonic year, and the introduction of same not later than October 1, 1993.

Most Worshipful Sir, it is a privilege to present this report on behalf of R.W. Bros. Clarence Bell, J. A. Johnston, Alvin Smith, David Wood; V.W. Bros. Dale Clarke, Robert Bailey; W. Bro. Paul Reeve, and the undersigned as Chairman of the Grand Lodge Public Relations Committee. Your chairman is also indebted to the D.D.G.M.s and Grand Lodge for their contribution and support.

In conclusion, may I take this opportunity to convey my sincere gratitude to my predecessor, our late brother R.W. Bro. W. Norman Buckingham, for his commitment, counsel and advice to ensure a smooth transition of responsibility.

Respectfully submitted on behalf of the committee and its chairman.

S. R. WHITELEY  
Chairman

## REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES

This Report was presented by R.W. Bro. R. G. Wands, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Wands, it was received.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Lodge Finances, it is my pleasure to submit the following report.

We must again draw attention to the July 12, 1983, report of the Advisory Committee on Lodge Finances, which covered every aspect of lodge finances. In particular, we point out the sections on Budgeting and Life Memberships and add the following comments.

**All lodges need to budget.** We cannot overemphasize the need to plan the financial operations of the lodge, not as a means of restricting those operations, but to assure that expenditures are wisely made in accordance with planned programmes of the lodge, and that sufficient funds are available to cover those expenditures. To merely plan the expenditures and income of a lodge is insufficient. The plan must be compared to the actual results at the end of each planning period in order to improve the next plan. Further, a lodge finance committee that can plan for one year will quickly see the benefits of extending those plans to three or five years into the future, thus limiting the number of dues increases.

In planning the income, consideration should be given to the levels of lodge dues. At one time, there may have been valid reasons for different rates of dues based on resident, nonresident, or other categories of membership. In today's economy and mobility, there is less need for such differences. Consideration should be given to have all members share equally in the cost of operating the lodge.

**Life Memberships which are properly funded and properly managed can only be advantageous to the lodge.** Demits and suspensions will be controlled and the brethren, taking pride in being life members, may be encouraged to attend more regularly. Whether using the sinking fund method of funding, as described in the 1983 report, or any of the other methods of funding in use in the jurisdiction, funding must be such that the interest earned thereon will cover the proportionate lodge operating costs applicable to all life members, whether those memberships be honorary, paid, or earned by years of service.

We also reiterate the recommendation in the 1988 report of this committee in that

"All lodge buildings be held in the name of a NONPROFIT NONSHARE CAPITAL CORPORATION." This requires the separation of the lodge and building accounting and, therefore, the budgeting. There are lodges that still have not accomplished this separation.

I wish to thank M.W. Bro. W. R. Pellow; R.W. Bros. S. H. Cohen, R. A. Barnett, J. A. McLean, J. G. Pell; V.W. Bro. N. G. McCarthy, and W. Bro. D. D. Thornton for their time and interest in assisting the committee.

Respectfully and fraternally submitted.

R. G. WANDS  
Chairman

## REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the  
Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Our report this year forms a condensation of the activities, accomplishments, actions and concerns of the 36 Grand Lodge Proceedings which are included in this report.

All Masons will be proud of the high regard accorded our Grand Master, Norman E. Byrne, as reflected in the reviews of the Grand Lodges of England, Manitoba and Saskatchewan.

As you scan through the reviews you will find many common areas.

- It is interesting to note the twenty-sixth anniversary of Connecticut's Brotherhood-in-Action Committee.
- Some unique new actions related to ritual can be found in the reviews on the Grand Lodges of Michigan and New Hampshire.
- A new approach to the public is found in the reference of the Grand Lodge of Illinois to its popular video, *"The Unseen Journey."*
- A new area of community service is noted in the reviews of the Grand Lodges of New York and Virginia related to school videos for child identification.
- Youth involvement is featured in the Grand Lodges of British Columbia and Nova Scotia reviews.
- Similar to the actions of our own Masonic Foundation of Ontario, the Grand Lodges of Maine and Pennsylvania comment on their work in youth Drug and Alcohol Abuse educational programmes.
- This year we reintroduce a review on the Grand Lodge of Florida. It will be of special interest to so many of our members who are snowbirds each winter.

- Prince Hall. Although many of the reviews touch on this area, it is interesting to note the diversity of approaches and actions. They range from full intervisitation in the Grand Lodge of Quebec to words of caution, concern and even disagreement in the reviews of Idaho, South Carolina and West Virginia. The review of the Grand Lodge of England also deals with this area.

Somewhere in between is the action in California.

- Finally, in the Proceedings of the Grand Lodge of Ireland you will find Grand Master, M.W. Bro. The Most Hon. The Marquess of Donegall's hope that his Grand Lodge's geographic spread over the north and south can be helpful to the two states involved.

Especially, this committee would like to thank and express appreciation to R.W. Bro. Fred Branscombe for his efforts in reading and reporting these reviews. His selection will be of interest to all and we encourage you to read them fully.

Respectfully and fraternally submitted.

The problem of proper response to anti-Masonic sentiments in society, as expressed in hostile publications and in other ways, was addressed by M.W. Bro. C. D. Shaver. "We must dispel any negative public opinion," he said, "through our displaying the positive and true teachings of Freemasonry in all our dealings with mankind. We will not win by going head to head against individuals or organizations that will not listen to what we have to say nor see beyond their own small world."

Observing that a Mason who is initiated, passed and raised in an Alberta Lodge receives a Master Mason's Certificate, whereas one who affiliates in Alberta from another Grand Lodge receives no such recognition from the Grand Lodge of Alberta, it was recommended that consideration be given to "establishing and designing a certificate" for members affiliating from other Grand Lodges.

Grand Master Shaver spoke of the Conference held in Winnipeg, Manitoba, in March, 1992, of Canadian Grand Lodges and District Grand Lodges. With reference to the consideration by the Conference of Prince Hall Freemasonry, he said: "The guest speaker was R.W. Bro. Wallace McLeod, a very dedicated, enthusiastic and learned Freemason and a member of the Grand Lodge of Canada in Ontario." He referred to Bro. McLeod as an outstanding writer and speaker on Masonic history.

M.W. Bro. Shaver pointed out that, although it recommended that Prince Hall Freemasonry be recognized as being regular, the resolution passed by the All-Canada Conference "does not propose to grant recognition to Prince Hall Freemasonry." He was of the opinion that the resolution should be endorsed by the Grand Lodge of Alberta. This was done later in the session by a formal vote of Grand Lodge.

Masonic meetings are held weekly in Vancouver during the months of July and August for the benefit of summer visitors. The Grand Historian reported that the practice was instituted in 1986 to cater to Masonic visitors who were in Vancouver to attend EXPO '86. He indicated that because of their popularity these meetings have been continued each year since that time.

The Grand Master, M.W. Bro. E. B. Hearn, related that one of the anniversaries that he had attended during the year had been the 125th Anniversary of Cariboo Lodge in Barkerville. Cariboo Lodge possessed one highly unusual feature: the so-called "Silent Tyler." It was sometimes difficult a century ago, in the isolated gold mining community in which the lodge was situated, to muster enough members to open lodge. The duties of both Tyler and Inner Guard could be performed by one man because of an unusual feature of the building. The stairs leading to the Lodge Room were hinged at the top and could be raised to the level of the second floor, thus preventing an unauthorized approach to the lodge. The building with its unusual stairway still stands and, though Barkerville is inconveniently situated in the interior of the Province, the "Silent Tyler" is well worth a visit.

A proposal was put before Grand Lodge to lower the minimum age for initiation to eighteen years "if that person is the son of a Master Mason, commonly known as a 'Lewis Mason,' provided that the petitioner meets all other qualifications." The proposed amendment to the Constitution was defeated.

An amendment was approved that authorizes any constituent lodge to "undertake the full or partial sponsorship of an amateur athletic sports team for minor children." However, a companion proposal was defeated which would have permitted the sponsored team "to display on their uniforms the name of the sponsoring lodge together with its number on the Registry of the Grand Lodge of British Columbia, the letters A.F. & A.M., BCR, and a square and compasses or lodge emblem."

In his Grand Master's Message M.W. Bro. R. A. Sherod spoke of his success in implementing his theme, *CALIFORNIA MASONRY WORKING TOGETHER AS A TEAM*. The peace and harmony that prevailed within the Fraternity was the result, in his opinion, of "mutual respect and support by all leaders of the several concordant and appendant bodies of Masonry." The spirit of team work had been particularly evident with respect to the Shrine, where he said that "During this year, I have enjoyed an excellent relationship with every Potentate as well as the Imperial Shrine officers." He reported that "these Shrine Brothers were understanding Masons, willing to work together for the common benefit of a stronger Masonry."

M.W. Bro. Sherod praised the same spirit of mutual understanding and good will in the developing relations with Prince Hall Masonry. He stated that "Meetings with the leaders of Prince Hall have progressed in an orderly and fraternal fashion. The

committees of both organizations have met twice this year to discuss potential avenues whereby both organizations can establish some form of quality relationship." In this connection, the Special Committee on Prince Hall Recognition requested, and received, authority to continue working with their Prince Hall counterparts in the "thoughtful progression toward enhancing our future relationships."

The California Masonic Code was amended to provide that "where a candidate refuses to be divested of all minerals and metals, insisting on retaining a wedding ring because of his marriage vows . . . substantial compliance may be permitted by taping and disregarding the ring."

The Brotherhood-in-Action Committee reported on its twenty-sixth year of working with other fraternal organizations to combat religious and racial prejudice. The fraternities with which the Grand Lodge has been co-operating are B'nai B'rith, Knights of Columbus and Prince Hall Masons. The committee emphasized that "Brotherhood-in-Action provides the opportunity to expand the warm feeling of Brotherhood and friendship. Through Brotherhood-in-Action Programs, you give something back to your Communities. These positive feelings and actions also provide a means to break down whatever bigotry and misunderstanding exist in your Community concerning Masonry."

M.W. Bro. R. A. Hodgson made reference in his Address to the *NUTMEGGERS REUNION*. "We believe," said the Grand Master, "that Connecticut Masonry has between four and five thousand Members residing in Florida, either full or part time. The Reunion was an opportunity to visit with these Members, and an occasion to present Fifty Year Awards to those recipients who cannot return to their Lodge. It is also an opportunity to discover those in need of our help and support."

The Prince Hall Recognition Committee indicated that it was continuing to meet under the joint chairmanship of the two Grand Masters. The committee's report stated that "the discussions at these meetings centred mainly on planned joint programs and visitations, reviewing recent successful visitations, and possible further aspects of recognition."

## ENGLAND

London, England, December, 1991, March, April, June, September, 1992

The most outstanding event of the year for Freemasonry in England was the double celebration of its 275th Anniversary and the 25th Anniversary of the Installation of H.R.H. The Duke of Kent as Grand Master. There were in attendance some eighty-four reigning Grand Masters, and about forty-nine other Deputations comprised mostly of Past Grand Masters and other Senior Officers.

The Grand Master called upon the following Grand Masters for formal replies to the Address of Welcome to Visiting Brethren: the Grand Master of the Grand Lodge of Ireland, the Grand Master Mason of the Grand Lodge of Scotland each to reply on behalf of the Brethren of his Grand Lodge, and M.W. Bro. Norman E. Byrne to speak on behalf of all other visitors, not just those of the Grand Lodge of Canada in the Province of Ontario.

After congratulating Grand Lodge on "attaining two hundred and seventy-five years of distinguished and vigorous growth as the Mother Grand Lodge of the world," M.W. Bro. Byrne said to the Grand Master, "Your enthusiastic and distinguished leadership has endeared you to Masons everywhere, and has brought great honour to your Grand Lodge." Remarking that "Masons in Canada, as well as in the other Commonwealth countries represented here, note with pleasure the completion by Her Majesty Queen Elizabeth, Queen of Canada, of forty years as Head of the Commonwealth," M.W. Bro. Byrne stated, "We all wish Her Majesty continued good health and a long and happy reign."

"Within this building," M.W. Bro. Byrne observed, "is visible evidence that men of every race and creed, men of every free country on the surface of the globe, can meet together in unity and happiness: Men who just a few short days ago were complete strangers, but who now by the common bond of membership in our great Order can greet each other as brothers, sure and safe that each of us believes in the great principles of our Craft that raise men to a higher plane where petty and individual concerns have no place."

In his Annual Address, H.R.H. The Duke of Kent commented on the changed attitude of English Masonry towards public relations. Until recently, he said, "our habit of responding to any criticism or indeed comment, however inaccurate, with a wall of silence seemed to confirm people's worst fears about Freemasonry. We are now firmly committed to an era, which I hope will last for a very long time, when we accept that people who are not Masons do have a legitimate interest in our affairs and we can and do respond sensibly to that interest—always remembering that some (albeit very few) matters are private."

At the March, 1992, Communication the Board of General Purposes reminded members of Grand Lodge that there are Jurisdictions in North America where "reciprocal intervisiting with unrecognized 'Prince Hall' Grand Lodges" is permitted. The Board referred, also, to the action of Grand Lodge (March, 1991) in prohibiting English Masons from attending Masonic meetings in Jurisdictions where there is intervisitation with Prince Hall Masons, though members from those Grand Lodges "remain welcome" at English meetings. In this connection, the President of the Board of General Purposes stated: "Brethren, you may wonder at the Board's apparently unsympathetic attitude to the difficulties which arise from the recognition, or near recognition, of 'Prince Hall' Freemasonry by some North American Grand Lodges. The Board believes that it understands what our North American Brethren intend, but cannot, for various and good reasons, follow the line being taken by them. In the meantime, lack of news of diplomatic activity does not mean that nothing is being done. I hope that it will not be long before I can speak more plainly about this."

M.W. Bro. D. A. Eschrich, in his Annual Report as Grand Master, indicated that he had made exceptional efforts to keep in touch with the rank and file membership of the Fraternity, writing personal letters to meet three distinct types of need for communication. First, he wrote a personal letter to every Entered Apprentice who had been initiated during the year and had received some "excellent responses." Secondly, "when requested to do so by a Lodge, I wrote a letter to every Brother who was in danger of being suspended for non-payment of dues. While I received quite a bit of positive response from those to whom I wrote, I did have some negative replies." He stressed the importance of regular communication by each lodge with members, and particularly with widows, to ascertain what needs there may be for fraternal love and assistance. And thirdly, "I also wrote letters of appreciation to the Florida Brethren who were serving our Country in the Persian Gulf. These Brethren and their responses made me proud of our Country and Fraternity."

The Grand Secretary reported on what he termed "Courtesy Services" by Florida Masons to brethren who are not Floridians. "More and more we receive requests," he indicated, "to look in on relatives, widows and friends who are elderly and out of reach of their relatives. Our lodges do a tremendous service as they are very willing to contribute their time and effort in locating these persons and visiting them. We are only too glad to be of help in this effort. This of course adds to the duties of our Lodge Secretaries, as well as this office, requesting Investigations, Courtesy Degrees and other various information from other Grand Jurisdictions." Given the number of

*SNOW BIRDS* with Masonic plumage, this is a courtesy (available on the basis of a request by a lodge through the two Grand Secretaries) that could on occasion be of inestimable benefit to Masons and/or their families north of the border.

In order to inform Masons throughout the world concerning Hawaiian Masonry, it was decided to supplement the usual exchange of copies of the Proceedings with other Grand Lodges by sending reports and other materials "to the prominent Masonic Libraries and Research Lodges worldwide." The Library of the United Grand Lodge of England, Quatuor Coronati Lodge, the American Lodge of Research, the Philalethes Society and the Southern California Research Lodge are among the institutions to which materials are being sent.

The Grand Master, M.W. Bro. W. K. McKee, stated that steps were being taken also to increase awareness of Masonry in the community. Accordingly, Grand Lodge became a member of the Hawaiian Historical Society and copies of the Proceedings and related materials are being sent both to the Historical Society and to the State Archives.

M.W. Bro. H. L. Fry reviewed the history of the suspension of relations between the Grand Lodge of Idaho and the Grand Lodge of Oregon. He reported that discussions with a view to their resumption are progressing amicably. The problem arose when the Grand Lodge of Idaho granted recognition to the Prince Hall Grand Lodge having jurisdiction in Oregon, Idaho and Montana and refused Oregon's request that the recognition be rescinded. Consequently, the Grand Master of Oregon (in December, 1991) suspended relations between the two Grand Lodges. In July, 1992, M.W. Bro. Oldham of Oregon suggested a meeting of the Grand Masters of Idaho and Oregon, with the Prince Hall Grand Lodge of Oregon Inc., together with a Past Grand Master of California who now resides in Montana acting as mediator. This meeting was agreed to in principle by all parties concerned but it was not possible to find a date when all participants would be able to attend before the 1992 Annual Communication

of Grand Lodge. M.W. Bro. Fry stated, therefore, that he was leaving this matter to his successor, with high hopes that a mutually acceptable solution to the problem would be found and that harmonious relations between the two Grand Lodges would soon be restored.

M.W. Bro. R. E. Ford devoted part of his Report to Grand Lodge to a consideration of what he considered to be the principal determinant of success or failure in any difficult project. In his judgement, it is whether one is more likely to see *challenges* or *problems* in the job at hand. There was no doubt in his mind that success comes to those who "think challenges, not problems. I want to talk about the challenges I gave to other people." This was his way of referring to some successful programs that had been undertaken in the name of the Grand Lodge of Illinois by men whom he had selected because of their habit of seeing challenges, not problems, in assignments.

The most widely known of these successes is the video production, "*Unseen Journey*." In acknowledging the accomplishment of the Committee on Media Development, the Grand Master said: "They made a world class video. They accepted the challenge, the problem of starting from scratch and making a video. A video that is being accepted all over the United States, we have sold hundreds of thousands of copies of it."

When it came to the turn of the Committee on Media Development to submit its Report, it emphasized the need for a better understanding of some legal aspects to the film's use, which arise from the fact that it contains a great deal of copyrighted material. For example, there is footage from *The Man Who Would Be King*, as well as selections by world famous orchestras. For the Grand Lodge of Illinois to be allowed to use this material without payment of royalties or other fees to the commercial producers and artists involved, "it was necessary to license it strictly for video cassette home use within the Fraternity. Now what this means very simply is that we can only sell to Masons. However, once they have purchased it, they may show it or give it to anyone they like. The only restrictions are, as far as the licensing goes, that it cannot be broadcast on television, even cable television, and it cannot be sold or given to any kind of retail outlet." The committee indicated that discussions were taking place concerning broadening the license to include public libraries and, eventually, ordinary broadcast television. These additional uses, however, are very much in the future. Meanwhile, users are asked to respect the limitations on the use of "*Unseen Journey*."

## IRELAND

Dublin and Ballymoney, Ireland, March, June, October and December, 1991

With reference to his forthcoming retirement as Grand Master, M.W. Bro. The Most Hon. The Marquess of Donegall stated in his Annual Address on the progress of Irish Freemasonry that "Time moves on; Grand Masters come and Grand Masters go. They are not in themselves very important; the importance lies in what they leave behind them; what inheritance they leave to their successors. I think that all of us gain some knowledge by experience. With the passage of time the Great Architect does vouchsafe to us some ability to see, however imperceptibly and imperfectly. Perhaps St. Paul put it best when he said we see through a glass darkly."

The Grand Master expressed the belief that the Grand Lodge of Ireland is unique. "So far as I know," he explained, "it is the only one whose authority spans the boundary of two Sovereign States. Here in Ireland except for the Christian Churches and the Jewish faith, who of course take no cognizance of the border, I know of no other organization which does so comprehensively and completely as Grand Lodge. It is of crucial and vital importance that this situation endures for all time."

Ontario Masons visiting Dublin may be interested to learn that a new Freemasons Club was opened there on September 30, 1991. Although membership is limited to brethren of the Irish Constitution, the Club does not appear to exclude Masonic visitors. It is in Freemasons' Hall, 17 Molesworth Street, Dublin.

With respect to the Foundation for the Prevention of Drug and Alcohol Abuse, the Grand Master commented on the successful collaboration between the State Education Department and the Grand Lodge Program. Forty-one school systems received grant money from this Program "to help finance their own program selections to provide training for staff, peer helpers and student awareness." In addition, several lodges assisted by making their facilities available for training workshops conducted for area teachers. The project is primarily an in-service professional development program for teachers and other professionals involved in the Prevention of Drug and Alcohol Abuse by students. It is based on a partnership in which the school system "supplies the training program and the personnel to conduct it" and "the Masons of Maine assist in making the training financially feasible for the schools."

The Chairman of the Committee on Foreign Relations, made a passing reference in his Report to Prince Hall Masonry. He commented on the growing number of North American Grand Lodges which grant recognition to Prince Hall Masonry, commencing with its recognition by the Grand Lodge of Connecticut. He then made the following recommendation on behalf of his Committee: "The Grand Lodge of Maine has no bar for race, creed or color in its Constitution, and this is as it should be, for I feel that all men are created equal. Since we know of no Prince Hall Masons in the State of Maine, we feel there is no need for us to take any action on this problem at the present time."

M.W. Bro. R. V. Damon said in his Annual Report that the Lodge Leadership and Development Program, "is at least in part dependent on a good background in Masonic Education for our Members. In any walk of life, in order to be successful, each of us needs some measure of training and preparation. Freemasonry is no different in regards to the need for training." For that reason, he stressed the importance to the whole Craft of the Grand Lodge Masonic Education program.

M.W. Bro. A. E. Packer, in speaking of his pleasure as Grand Master in being the host of the Annual Conference of Canadian Grand Lodges and District Grand Lodges, referred to the decision taken at that Conference to recognize Prince Hall Masons as legitimate Freemasons. He expressed the hope that "perhaps one day we can all sit together in open lodge assembled."

The status of Prince Hall Freemasonry was considered, also, in the Report of the Committee on Fraternal Relations. "Because our immediate Masonic neighbors to the south have recognized the Prince Hall Grand Lodge of Minnesota," the Report noted, "the time has come for us to consider similar action. Last year it was reported that there were no Prince Hall lodges in Manitoba. This is now known to be incorrect as Regent Lodge No. 5 under the jurisdiction of the Prince Hall Grand Lodge of Minnesota has now been reconstituted. They may be interested in their Grand Lodge seeking recognition." The Committee recommended, in keeping with the All Canada Conference resolution, "that the Grand Lodge of Manitoba accept Prince Hall Grand Lodges, as approved by the Conference of Prince Hall Grand Lodges, as being regular Masonic Grand Lodges."

In connection with the approval by Grand Lodge of the recommendation of the Committee on Fraternal Relations, the Grand Secretary offered this explanation of the

resolution: It "changes the status of Prince Hall Grand Lodges from 'clandestine' to regular. Recognition of Prince Hall Grand Lodges is a separate issue, and this resolution does not grant such recognition."

M.W. Bro. Norman Byrne, in response to Grand Master Packer's invitation, brought fraternal greetings from "your neighbors to the east." He stated that he had just attended a Communication of the United Grand Lodge of England where there had been some 12,500 Masons together in the same room. Masonic visitation, he suggested, demonstrated the unchanging nature of Masonic brotherhood and welcome, for notwithstanding the unprecedented number of Masons in attendance and the grandeur of that occasion in London, the warmth of the greeting and the friendship extended to him was identical with that which he had received in Winnipeg and, indeed, the same as we all experience in our Craft no matter where we go. Such experiences, he said, made him both humble and pleased to be a part of such a great universal brotherhood.

M.W. Bro. W. E. Turton took up the cause of Masonic widows in his Address to Grand Lodge. At his instigation lines of communication were established with widows in those lodges which had responded to his request for the names and addresses of all living widows of their deceased Brethren. The Grand Master reported that he had "received notes from many of the ladies thanking us for thinking of them. Most of the notes relate how proud their husbands were to be Masons and how disappointed they were to have been dropped from all contact upon their husband's death. These ladies need and deserve to know where they can get help if it is needed." M.W. Bro. Turton called all Masons everywhere to their Masonic duty: "Care of the widows is one of the most important things we can do as a lodge. When we stop doing these important things, even one of them, we are starting the eventual demise of the lodge. My Brothers, let us get back to practising Freemasonry to the fullest. This is a good place to start. Get your widows' names and addresses up to date and start treating them as the special people that they are."

The following motion was presented to Grand Lodge: "That Michigan Lodges may use, at the discretion of the Worshipful Master, an alternate form of changing degrees." In the alternative form the Master is to say, "I now declare this Lodge closed in the Master Mason degree and open in the Fellowcraft degree for the dispatch of business."

There is no other ritual prescribed, except to adjust the Lights on the Altar and to inform the Tyler accordingly. The motion stipulated, "The same optional form is used in changing from the FC degree to the EA degree, or from the EA or FC degree to the MM degree." The proposer of the motion argued, "The present long form for changing degrees is often confused, contributes little to good ritual, and consumes time unnecessarily." The motion was approved.

The General Regulations of the Grand Lodge of Minnesota require that all petitions (including those for affiliation from a Minnesota lodge) be referred by the Worshipful Master to a committee of three members of the lodge. An amendment to the Regulations was proposed that a lodge "may, by majority vote, on an individual basis" waive the requirement for a committee investigation in the case of an applicant for affiliation who is a member in good standing of a lodge in Minnesota. The proposed amendment was adopted.

M.W. Bro. C. Baltos informed Grand Lodge, "On September 17, 1991, I attended the 97th Annual Session of the Grand Lodge of Prince Hall Masons in St. Paul. It was an historical occasion in that I was the first Grand Master A.F. & A.M. of Minnesota to attend their Grand Lodge Session." He was attended by three Past Grand Masters and the Grand Secretary.

The Grand Master reported that in his Address to the Grand Lodge of Prince Hall Masons of Minnesota he had pointed out that those whom he called "the nay-sayers" of mutual recognition ask, "What conceivable purpose could it serve? What is to be gained?" M.W. Bro. Baltos said that he had told his Prince Hall audience: "When we *visit* each other, when we *observe* how each of us does business, when we *discover* the mutual goals we have as to community impact, philanthropy, and public awareness, when we *realize* how closely parallel our paths really are, when we sit next to each other and think, 'It's what's in a man's heart that really counts,' when we *fully* understand that it's Masonry and the lessons of its degrees that exemplify the virtues of industry, integrity, honesty and honor, when we *apply* those virtues in our daily lives, then we'll come to the realization that we *equally* hold in veneration the tenets of Masonry, whether Prince Hall or Grand Lodge Mason. That's when the mystic tie of Masonry will show itself through as simple a thing as a handshake when two men look at each other and feel in their own heart: 'This man is my Brother because he stands for the same things that I do.' "

In common with the Grand Masters of a great many other Jurisdictions, M.W. Bro. G. V. Shay was concerned with the need of Masonry to improve its public relations. In his Annual Address he pointed out that the need for quality, rather than quantity, in recruits is often given as an excuse for doing nothing about giving information concerning Masonry to potential members. He rejected this approach, saying that there are many "good" men not in the Craft who should be given an opportunity to learn what Freemasonry has to offer so that they can decide for themselves if it is of interest to them. "Friendship nights," he said, "non-masons night or whatever you care to call them are a great way to introduce men outside our fraternity to the basic teachings and ideals of Masonry. There is, however, no substitute for one-on-one contact be it with a family member, a good friend or a co-worker; the personal touch still works."

M.W. Bro. Shay turned to a closely related consideration: "Another topic we need to address is our visibility and standing in our communities. I don't suggest we become a service club, there are several of them and they do a good job. I do think there are things we can do which fit us and also help our cities and towns where we live."

An amendment to the Constitution was proposed which the Grand Master indicated was intended to provide direction concerning "What a Mason from Montana should do if he should wind up in a recognized lodge and find that there are unrecognized Masons there." Although the amendment was written in generic terms, it was clearly intended to provide for the possibility of members of Montana lodges sitting with Prince Hall Masons in lodges in nearby Jurisdictions where Prince Hall Masonry is recognized for purposes of visitation.

The amendment, which was approved by Grand Lodge, authorized:

1. "Members of Lodges in this jurisdiction residing in, visiting in, or affiliating with lodges under the Jurisdiction of a Grand Lodge recognized by the Grand Lodge of Montana may sit in those Lodges with persons recognized as Masons by those Jurisdictions, although not recognized as such by the Grand Lodge of Montana.
2. "Such Masonic intercourse with a person not recognized as a Mason by this Grand Lodge shall be limited to meetings in Lodges or Masonic Organizations under the Jurisdictions of Grand Lodges recognized by the Grand Lodge of Montana, and then only when such a person is recognized as a Mason by the Grand Lodge being visited."

The Grand Master, M.W. Bro. O. H. Mason, reported on the Winnipeg meeting of the Canadian Grand and District Grand Lodges. He spoke of his pride in being a Mason when the Conference unanimously recommended the acceptance of Prince Hall Masons as being "regular" Masons. He commented that it was now in order for any jurisdiction in Canada to enter into correspondence with Prince Hall Masons. "My personal, and Masonic opinions on this issue are well known," he said. He expressed the hope, therefore, that negotiations with the Most Worshipful Prince Hall Grand Lodge, Free and Accepted Masons, Province of Ontario and Jurisdiction would be initiated soon.

The Committee on Foreign Relations reported fully on the recommendation by the All Canada Conference concerning the acceptance of Prince Hall Masons as being "regular." It noted that the current discussion of this topic followed the decision (in 1991) by the Prince Hall Grand Lodge of Ontario and Jurisdiction to accord fraternal recognition to any Canadian Grand Lodge wishing to establish mutual fraternal recognition. The Committee's Report included a recommendation that the Grand Lodge of New Brunswick "accord reciprocal Fraternal Relations for the purposes of inter-visitation" with Prince Hall Masons.

Several new programs, which had been instituted by M.W. Bro. Mason, were described in the Report of the Board of General Purposes. One of these is the Widows Program whereby all New Brunswick Masonic widows are presented with the Broken Column Pin. Similarly, the practice was established of sending cards of sympathy to the families of all deceased Masons. Another initiative was the formation of a committee "to look into and submit recommendations in an endeavour to combat anti-Masonic literature."

The Alternate Proficiency Committee proposed that the Grand Constitution be amended by adding a Section immediately after the present Section which stipulates the currently authorized (traditional) method, which would remain in effect, of testing a candidate's proficiency in the former degree before being advanced to the next. The proposed additional Section would be:

"An alternative proficiency test may be used at the discretion of the Lodge, consisting of an examination by the Master in open Lodge, whereby the Candidate shows such proficiency in the preceding Degree as to read the whole of the Lesson from the Lesson Code Book, together with all the means of recognition, with a reasonable knowledge of their meaning."

Upon the recommendation of the Committee on Unfinished Business, the amendment to the Grand Constitution, which had been proposed by the Alternate Proficiency Committee, was put over to another Communication of the Grand Lodge for further consideration.

In commenting on the health of Masonry throughout the jurisdiction, M.W. Bro. P. H. White stated bluntly, "Masonry is WORK, and if we think that we can turn this Fraternity around to the level that we would all wish to reach without WORK, then we are wasting one of the most precious tools we have been given. I refer to that gift of God: our minds. . . . I am talking about the State of the Craft in New Hampshire, not specifically about any Lodges, for we have DEAD ones and we have LIVE ones." He stressed that each Mason had an individual responsibility to assume his rightful share of the work, both for his own benefit and for the good of the Craft in New Hampshire as a whole.

The Grand Master emphasized that there were "all sorts of good things" occurring in most Lodges. He saw, for example, more young men in evidence. In an interesting contrast to the increased participation by youth, he had particular praise for "a Brother of nearly 92 being Installed as Master, and with the ability to look you in the eye when you complain of the difficulty of memorization."

At the September (1990) Quarterly Communication, M.W. Bro. R. L. H. Johnson spoke of the need of Masonic lodges everywhere to attract and to retain new members, particularly young men. The Grand Master suggested that a better understanding of today's youth might lead to greater success in these efforts. "In our younger generation," he pointed out, "we are concerned with a different breed of men who are less conservative, who want to be active, to contribute and are not prepared to be passive. We must be prepared to do something more that just meet each month, conduct ceremonies and speak in platitudes. One of the great strengths of the Craft is its ability to bring together men of all walks of life as equals, bound by the one basic belief in a Supreme Being and then, by example and precept, to encourage them to

become noble individuals to benefit the Community in which they live. The greatest of our Masonic patterns exists at Lodge level."

The Commission of the Future submitted an Interim Report in which it identified some of the causes of declining membership. The reasons it cited were similar to those which have been identified elsewhere and, likewise, many of its recommendations are similar to ones which have been adopted by other Grand Lodges. Two suggested strategies for increasing recruitment were: (i) Encourage Brethren to issue invitations to apply (removing the fear of un-Masonic conduct); and (ii) Encourage Lodges to place advertisements in local newspapers to make interested men aware of the Craft's existence in the local area.

M.W. Bro. R. P. Thomas, Grand Master of Masons, was enthusiastic concerning the progress being made toward Masonic renewal by the Masons of the State of New York. He gave much of the credit for this success to the District Deputies and Staff Officers, who had been given "four days of intensive professional training" during the year.

"The Metropolitan District Deputies went the extra mile," Grand Master Thomas reported, "and adopted a video program taping children for identification. The program is being received well in a number of schools. I can see good community acceptance for this project. This program will give us the right exposure in our communities to develop new members."

The Grand Master stressed the importance of the Widows Program. It troubled him to learn that some widows had received neither their pin nor any other communication from the lodge. "One of the obligations of a Mason," he stated, "is to care for his departed Brother's widow. It seems that in many instances we have forgotten what we are all about." He urged those who are not participating in the program to do so.

The Chairman of the Constitutions Committee presented for final consideration proposed amendments to the *Constitutions* which had been passed on first reading at the 1990 Communication. One of these modified membership requirements of Masonic War Veterans. "The correction more accurately defines who is to be considered a veteran, as follows: *That status shall apply also to those who, being nationals of any other country in alliance, whether formal or informal, with the United States, participated*

*in military activity or naval activity pursuant thereto against a common enemy.*" The proposal was approved unanimously. It is possible that this change may be of importance to some Canadian Masons.

The retiring Grand Master, M.W. Bro. F. W. Clarke, stated that in his judgement the highlight of a generally successful year for Nova Scotian Masonry was the increase in educational programs at both the district and the lodge levels. "The only way we can improve and expand our Craft is to educate ourselves, starting with our Candidates, all the way through the Lodge and Grand Lodge system."

Notwithstanding present successes, M.W. Bro. Clarke warned of serious impending dangers that the Craft must take steps to avoid. His message was clear and to the point: "We need to make the public more aware of what we are, who we are and what we stand for. We are beginning to be an old society and if we do not start getting young men more involved we are going to die. We are allowing the past to govern our every action. We need to do new things and bring our Masonic Order into the future."

An example of the Craft becoming involved in the community was the sponsorship of a Duke of Edinburgh Awards Dinner by the Lunenburg—Queens Masonic District. The Lieutenant-Governor was in attendance, together with other civic and Masonic dignitaries, including the Deputy Grand Master. He reported: "This Masonic event raised well over \$1,000.00 for the Duke of Edinburgh Awards Program designed to challenge our youth to strive for high educational goals and to become responsible participants in the social life of our society."

Upon request, the Grand Master considered the situation of one of "who lives in Oregon and belongs to an Oregon lodge, who holds dual membership in another Grand Jurisdiction, one with which Oregon has recognition, i.e., Grand Lodge of Washington, and the Brother wishes to attend this lodge in the other Jurisdiction." M.W. Bro. K. A. Elliott to rule whether it is legal under Oregon Masonic law for him

to attend Lodge in such circumstances, notwithstanding the presence of a Prince Hall Mason. It was the Grand Master's Ruling that where the Oregon Member has membership in that other Jurisdiction (and not otherwise) he may attend and decide for himself, in the case of a Prince Hall Mason being present, whether to remain or to withdraw. In reporting his Ruling to Grand Lodge, the Grand Master stated that "The reasoning behind this is that we recognize those Jurisdictions and will honor their decisions at this time regarding their recognition of Prince Hall members attending their meetings."

The Grand Master's Ruling was repudiated by the Jurisprudence Committee, to which the Address had been referred. The Committee's position was as follows: "A Mason who holds membership in two or more Grand Jurisdictions is bound to obey all the laws of all jurisdictions in which he holds membership. When such a Mason finds himself in a situation where an act is permissible in the jurisdiction in which it is to be performed, but would violate the laws of one or more of the other Grand Jurisdictions in which he holds membership, he must either refrain from doing the act or sever his membership in the jurisdiction or jurisdictions whose laws the act would offend. It is only in making this decision, to refrain or to sever, that he may be governed by the dictates of his conscience. In all other respects he is bound by his obligation and by our laws. He must make that decision."

The retiring Right Worshipful Grand Master, Bro. W. S. Stoner, spoke with pride of notable accomplishments during his term of office. Among those which he mentioned was the incorporation of the Grand Lodge Library and the formation of The Friends of the Masonic Library and Museum of Pennsylvania. He said that enabling this world renowned facility to continue its high calibre of service both to Masons and to research scholars and other academics "will open the door for additional cultural benefits for us all."

R.W. Bro. Stoner said that the Grand Lodge of Pennsylvania was a leader in "the battle against the scourge of our times: the abuse of drugs and alcohol. With fifty-seven grants of financial assistance "our Drug and Alcohol Foundation is making possible more than a million dollars worth of positive action" in the struggle to break the generation chain of addiction. Finally, the Grand Master thanked his brethren for accepting the challenge that he had given them at his Inauguration: to strengthen Pennsylvania Masonry by projects to "renew our pride in the Fraternity and to let people know who we are, what we stand for and what we do."

In his Inaugural Address on assuming the Grand Mastership, R.W. Bro. E. H. Fowler issued his own challenge to the Masons of Pennsylvania. "I want to talk to you today," he said, "about making a difference, about setting new goals for our organization. High goals. As Denis Waitley wrote in *THE JOY OF WORKING*: "Those who aim low usually hit their target. Your goal should be just out of reach, but not out of sight." In the words of a basketball coach, the Grand Master said, "Failure is not the crime. Low aim is."

Speaking of the need for Freemasonry to have a clear vision of what it must offer its members in the Twentieth Century, R.W. Bro. Fowler referred to a recent planning conference in Tulsa. "Each of us was asked," he reported, "what we thought our great Fraternity would need to be like in the year 2000. Although not formally accepted, here are the vision and mission statements developed by your brethren in the United States and Canada." The Conference at Tulsa, he said, described Freemasonry as "a global fraternity united in building a better world." Masonry's mission was stated thus: "Our reason for existence is to promote a way of life that binds like-minded men in a worldwide brotherhood that transcends all religious, ethnic, social, cultural and educational differences by teaching the great principles of brotherly love, relief and truth; and by the outward expression of these, through its fellowship, its compassion and its concern, it finds ways in which to serve God, family, country, neighbors and self."

Day-to-day relations between the Grand Lodge of the Philippines and religious leaders of various religions and denominations continue to provide inspiring instances of tolerance. For example, a Parish Priest published an article entitled, "The Privilege of Being a Catholic and a Mason." Also, the Roman Catholic Archbishop of Tuguegarao was the principal speaker at the Installation Ceremonies of Gonzaga Lodge. The same spirit characterized the dedication of the new Grand Lodge Temple. When that part of the ceremonies was reached where the new building was to receive a formal religious blessing, a Roman Catholic priest, a Moslem leader and a Protestant clergyman each said a prayer and gave a Blessing in the manner set forth in his own liturgy.

In his Annual Report as Grand Master, M.W. Bro. J. R. Guerrero, expressed his "satisfaction and fulfilment, knowing that what we envisaged at the start of my term has been, to a great extent, accomplished." Notwithstanding the depressed economy, he was able to congratulate Grand Lodge that during the past year three new Lodges had

received their Charters and three others had been given Dispensations.

Following his election, M.W. Bro. Guerrero published his program, which consisted of sixteen "focal areas," as follows:

1. Having a code of ethical and moral conduct higher than the rest of men;
2. Deepening our Masonic understanding;
3. Conducting lodges of instruction;
4. Admitting quality members only;
5. Improving lodge management;
6. Honoring Masonic heroes;
7. Visiting long lost brethren, and also the sick and bedridden;
8. Honoring Past Masters, Senior Masons and Charter Members;
9. Enhancing family togetherness;
10. Undertaking charity and community projects;
11. Sponsoring lodges of remembrance, sports and physical fitness activities;
12. Having a 'Six-in-One Affair': [*i.e.*, a special event, with six separate Masonic activities being scheduled at different times];
13. Stressing spiritual consciousness;
14. Renewing family ties;
15. Focusing on the youth and appendant organizations;
16. Stressing the relationship between Grand Lodge and the Blue Lodges.

At the Annual Communication in 1990 there had been a proposal that the Penalties be deleted from the Obligation in each Degree. An *Ad Hoc* Committee was appointed at that time to consider the proposition and to report to Grand Lodge. The Special Committee dealing with the question of penalties in the Obligations submitted the following report: "This Committee conducted a poll of all Lodges in the Jurisdiction, and in all cases the majority of the Lodge Members feel that the penalties must stay as they are at present, because they believe our signs would lose their meaning." It was duly moved, seconded and carried that the Committee's Report be adopted.

M.W. Bro. R. A. Ellis reminded his Brethren that the motto which he had chosen for the year was "Communication and Education," keeping in mind that one must be able to communicate in order to be able to educate. He suggested that one of the most successful forces in Masonic Education is the example of an experienced Brother.

This is why "The elder Past Masters of every Lodge need to infuse, not defuse, leadership in our younger Brethren."

The Grand Master spoke of an initiative which he had sponsored, namely the practice of "presenting the Canadian Flag at the Altar and the singing of 'O Canada' at the opening of the Lodge, and the retiring of the Flag and the singing of 'God Save The Queen' at the closing."

At the Noon Luncheon the Guest Speaker was M.W. Bro. David Bradley, whose theme was the needs of Masonry in the next century and the type of members that would be needed. It was his conclusion that Masonry will not need "those who, without thought of improvement, do what was done in previous years and, in their defence, claim that they are following tradition." Tradition, as M.W. Bro. Bradley described it, is not a deadweight of inactivity but, instead, the exciting and thrilling spirit of the past. "It is what makes us rise each morning to face the new day of adventure with courage, because life and Masonry are worth getting up for."

A report was given by the Grand Master on the progress of a program which he had launched at the beginning of his term of office. Its purpose is "to breathe new life into the Masonic experience within this jurisdiction, to stimulate the development of such vibrancy within this Grand Lodge as to attract new adherents and to retain in much greater measure the present practioners of our art." The program is known by the acronym **V O I C E S**, which identifies the areas which M.W. Bro. L. A. Phillips regards as most urgently requiring. He enumerated them as follows: **V** – Visibility; **O** – Outreach; **I** – Instruction; **C** – Communication; **E** – Excellence; **S** – Satisfaction. The Grand Master called for "the implementation of one module of the program during each of the next five years."

One facet of the Grand Master's Address was probably without precedent in Canadian Masonic history. It was the inclusion of four paragraphs in the French language. M.W. Bro. Phillips, who is fluently bilingual, noted that there are now ten lodges in Quebec that are formally recognized as francophone and four others that operate on a bilingual basis, for a total of fourteen Lodges operating totally or partially in French, compared with three having that capability in 1972.

The Committee on Fraternal Relations referred in its Report to the recommendation of the Conference of Grand and District Grand Lodges of Canada that Prince

Hall Grand Lodges be regarded as being "regular." As that recommendation had been ratified by Grand Lodge, the committee recommended "that this Grand Lodge now recognize The Most Worshipful Prince Hall Grand Lodge of Ontario and Jurisdiction for inter-visitation purposes." A Motion was duly moved, seconded and carried that "the Report be received, adopted and printed in the Proceedings."

At a time when declining memberships and lodge amalgamations are being reported almost universally, the Grande Loja do Estado do Rio de Janeiro was able to report increased interest in Freemasonry and the formation of new lodges. Three lodges were constituted during 1991 in the State of Rio de Janeiro, and five new Temples were consecrated. It would appear that there are two classifications of membership in that jurisdiction: Active Members (4,008) and Inactive Members (1,951). During the year initiations (427) exceeded losses (342), leaving Masonry in that Jurisdiction in a growth position.

The Grand Secretary reported with obvious pleasure that newly installed data processing facilities provide "much more information of each brother and his present situation, since his entrance into our brotherhood. His skills, activities, as well as his profession, have been put in evidence as a general information on him. In this case, whenever you need to find out a brother with a particular item, you will get it." This should be of inestimable benefit both to individual lodges and to Grand Lodge in identifying and mobilizing the resources of the membership.

Other accomplishments during the year were the computerization of accounts and other financial records, the publication of a "Liturgical Manual" and the creation of medals and certificates to mark individual achievements. Improvements were reported also in the operation of the Masonic Welfare Plan.

M.W. Bro. E. A. Snell, in his Annual Address, dismissed the claim that competition with service clubs explains poor Masonic performance. He suggested that sometimes the fundamental purposes of Masonry are neglected, resulting in a lodge becoming

merely a community club. "Service Clubs," he indicated, "search for opportunities for service in seeking to embrace the suffering and hardships which are the result of wrong and evil in society, whereas Masonry seeks to apply its philosophy to the cause of the wrong and evil in society."

The Grand Master's answer to the question "Do we need Masonry today?" is to be found in considering what the world would be like without Reverence, Charity, Truth, Love, Integrity and Brotherhood. He reminded his brethren of their personal responsibilities in applying the tenets of Freemasonry to every day life.

The Committee on Fraternal Relations and Correspondence commented on what it saw as a dichotomy in the condition of Masonry in the European Community (where there is "real progress toward a renewal of regular Freemasonry") and in North America (where there is "dialoging over dissensions within our established framework"). Regarding Prince Hall Freemasonry, the report spoke of "repeated resurfacing of new developments" in the relations between Prince Hall Masons and the Grand Lodges of the Conference of Grand Masters of North America. "Failure of the Grand Lodges involved to adequately communicate with each other," the Report continued, "has resulted in provocative edicts being issued which have created unrest within their respective Grand Lodges. The true principles of Freemasonry must be evident in all our decisions and actions if we are to avoid more serious disruptions." The report made no reference to the decision made at the Conference of Canadian Grand and District Grand Lodges regarding Prince Hall Masons, nor did the Committee submit any recommendation to Grand Lodge in this matter.

The rank of Honorary Past Grand Master of the Grand Lodge of Saskatchewan was conferred on M.W. Bro. Norman E. Byrne "in recognition of eminence, ability and service rendered." M.W. Bro. Byrne was the guest speaker at the Grand Master's Banquet.

## SCOTLAND

Edinburgh, Scotland, February, May, August and November, 1991

The Metropolitan District Committee reported, at the June Quarterly Communication of Grand Lodge, that there had been, during the year ended December 31, 1990, an increase in the number of candidates Initiated, compared with the previous year. Another report of interest, which was received at the September Quarterly Communication, referred to the creation of a single District Grand Lodge for India.

The Annual Communication of Grand Lodge, on November 28, 1991, was the occasion of the Installation of Brigadier Sir Gregor MacGregor of MacGregor, Bart. as the Most Worshipful Grand Master Mason for another Masonic year. That meeting, according to tradition, also was the occasion of the celebration of the Festival of Saint Andrew. The honored guest was M.W. Bro. John W. Connell, Past Grand Master of the United Grand Lodge of Victoria, Australia, who proposed the Toast to the Grand Lodge of Scotland. "These turbulent days," he said, "are wonderfully exciting and full of challenge and opportunity, if we adopt a positive attitude towards them. So many organizations, and even the community itself, seem to have lost the way and are calling out for help. What a magnificent opportunity for Freemasonry to respond to this call! We have what they are desperately looking for: stability and the confidence to cope, together with brotherly love, relief and truth, and the time has come for us to share our good fortune with those outside the Craft. We can only do this, in the final analysis, by bringing them into our brotherhood."

"Freemasonry in South Carolina," said the Grand Master in his Annual Address, "continues to flourish in many areas. I have been very impressed with the seriousness of the manner in which the ritual is being presented by the Craft. I have found that there is less deviation in the ritual and a better understanding of the lessons taught in the degrees."

The Address contained an indirect reference to a disagreement which remains between the Grand Lodge of South Carolina and the Ancient Arabic Order of the Nobles of the Mystic Shrine. "Peace and harmony continue to prevail within this Grand Jurisdiction," M.W. Bro. W. D. Longshore stated, "and with most of the appendant bodies. Unfortunately the problem with Hejaz Temple continues with no solution in sight at this point."

The Committee on Fraternal Relations indicated that (at the time of reporting) there were eight Grand Jurisdictions in the United States which recognized Prince Hall Freemasons and permitted intervisitation. Furthermore, the Committee noted that, "On March 21, 1992, the Conference of Grand and District Grand Lodges of Canada issued a resolution that endorsed Prince Hall Grand Lodges as being regular. It will be interesting to follow what action the respective Grand Lodges in that Country elect to follow. It has been the position of this Grand Lodge for many years that Prince Hall Grand Lodges are clandestine and visitation by South Carolina Masons is forbidden."

M.W. Bro. C. B. Ward told members of Grand Lodge that there was danger of their hearing the words of his Annual Address but not the message. Notwithstanding the many ways in which the Grand Lodge had attempted to facilitate innovation, there are still well meaning lodge members who say "that they mustn't make changes because things have always been done in a certain way."

The Grand Master stated that in recent years Grand Lodge has offered assistance in several ways to help lodges make desirable innovations. These have included:

- Messages about lifting the veil of secrecy;
- Guidelines for Friends Nights;
- Articles and prepared pamphlets;
- Major public relations exercises;
- Masonic Awareness programs;
- The *TASMANIAN MASON*, as a communications link to our families, members and the community at large;
- Encouragement of proper solicitation;
- Encouragement of proper involvement of the ladies.

M.W. Bro. Ward concluded his Address with this thought: "Think rather of performing your duties than claiming your right."

A question had been submitted formally to the Grand Master, asking whether it is permissible to record activities in a meeting of a Masonic Lodge on film, video camera, still camera or audio tape recorder. M.W. Bro. F. E. Allen's Decision was that it is not permissible to record any portion of a meeting of a lodge in Texas, "either on film, video camera, still camera, audio tape recorder or any other mechanical means."

Another matter which had been referred to M.W. Bro. Allen for his consideration is indicative of the changing nature of society. He was asked to give a ruling in response to the question, "When a person is under sentence of a court, and is required

to perform a given number of hours of community service, would it be permissible for a Masonic Lodge to be the recipient of that service, in the form of building or ground maintenance, or acts of servitude?" He reported that he had issued the following Decision: "From time immemorial one of the most fundamental tenets of Freemasonry has been Brotherly Love. Recognizing that it is incumbent upon all Masons to extend Brotherly Love to all mankind through kindly acts and deeds of charity, it would be inconsistent with our most basic precept for a Lodge to be the recipient of charity in this manner."

The Fraternal Relations Committee commented in its report that the study of the Proceedings of foreign Grand Lodges is worthwhile as it develops a sense of perspective. "When we get carried away with the importance of deciding upon changes to our own Grand Lodge Law, or procedures, or Ritual," the author of the report wrote, "it is important that we be able to look beyond our borders and examine the law, procedures and rituals of other Grand Lodges. Only then can we see that what we thought was written in stone 'ain't necessarily so.' What we may have claimed was a Masonic custom or law instituted by King Solomon himself may only be a local peculiarity common to no Grand Lodge but our own."

In his Address to the September Quarterly Communication, the Grand Master, M.W. Bro. The Hon. Mr. Justice Williams, distinguished between *proper* and *improper* solicitation. "Any member," he said, "who has a friend whom he believes would make a good Freemason is not only entitled to discuss Freemasonry with him but should consider it his duty to do so. Approaching a friend on this basis is 'proper' and not 'improper' solicitation." The Grand Master gave some examples of actions which he regarded as improper solicitation, including the following: (i) An endeavour to coerce or unduly influence a friend by regular and persistent requests, when it is apparent that they are not wanted; (ii) An invitation to a stranger to join the Craft; and (iii) Any "misleading statement or inference that the friend or acquaintance may gain some material benefit, or business advantage, from his membership in the Craft."

The Grand Master spoke of two displays in which Masonry was quite properly being brought openly to the attention of the public. One of these was an information booth at a local Shopping Centre, at which there would be Masons "equipped to answer questions which the general public may have on Freemasonry." He indicated that if the venture were successful, it would be repeated in similar locations in and around Melbourne.

The other vehicle for a public display related to Freemasonry is a reconstructed Masonic lodge room in a historical theme park or "heritage village." A Nineteenth Century style hotel is being constructed at a place named Sovereign Hill, Ballarat. "One room," M.W. Bro. Williams said, "will be a Lodge Room furnished in the style of the 1890's. The reason for the room being established was that it will be a reminder of the many Masonic meetings which were held in hotels in country areas 100 years ago. So we will soon have three areas where Freemasonry can be shown to the public—namely Sovereign Hill, Ballarat; Pioneer Settlement, Swan Hill; and Coal Creek, Koorumburra."

M.W. Bro. W. F. Perdue devoted a portion of his Annual Address to a consideration of the double benefits derived from Masonic participation in community projects helping people. Not only is there benefit to the Craft as a whole in such participation but there is also considerable personal gratification for those involved. He gave, as an example, the Children's Miracle Network Telethon where Masons helped in answering the telephones. The Masonic involvement, he said, "showed that the Family of Freemasonry truly cares, and is willing to devote valuable time to a worthwhile cause." He continued by pointing out that, on a personal basis, "I know that we have received real joy by participating in this telethon, helping to raise funds for the children's hospitals."

The Grand Master identified two other programs in which the Masons of Virginia are helping to promote in the community a positive image of the Craft. First, he mentioned the Community Builders Award. This is a project in which several Lodges throughout the state present awards "to a variety of individuals who have helped to make their communities a better place and have exemplified the tenets of our order, even though they are not members."

Another community oriented activity is the Child Identification Program, which M.W. Bro. Perdue considered to be "one of the most successful outreach and public awareness programs of our Grand Lodge." He reported that "This year we had many child identification clinics. In some areas our members went into the schools and identified all of the students. In the Roanoke area, as well as others, we were encouraged by the merchants and supported with film and advertisements. The continuation of this program will add to the public image of Freemasonry in our communities."

The perception of Freemasonry by the public was a recurring theme in the Grand Master's Address. It is a problem of which the Craft needed to be more aware. A recent survey, M.W. Bro. S. Kase pointed out, "has revealed that 80% to 90% of the public knows little or nothing about us, let alone the method of joining. It is our job, each Mason's, to educate them about who we are, where we are, what we do and why we do it! We must stand for something. We must DO something—not just for ourselves but for the community." He defined *PROPER SOLICITATION*, of which he approved, as just a form of education and communication. He explained, "This is how we can shed the label of secret, elitist society with the presumption that we must be doing something wrong or of which we are ashamed."

M.W. Bro. Kase spoke of another consideration in the public's perception of the Craft in Washington, namely the recognition of Prince Hall Masons. In his judgement, "The overall effect has been uniformly positive. It has improved our relations, improved our public image and promoted membership especially among younger men." The Grand Master suggested that, as a result, "young men who regarded us as racists no longer do" and are being attracted to Masonry.

The Grand Master was emphatic in his Address that there are "no logical or factual reasons which dispelled the irregularity of Prince Hall Masonry. Brethren, the irregularity of Prince Hall Masonry is not a myth. It is a well documented historical and masonic fact." This statement of position prepared the way for M.W. Bro. C. E. Forsythe's subsequent announcement that he had issued a formal edict with the following designation: "Edict Forbidding Members of the Most Worshipful Grand Lodge of West Virginia, Ancient Free and Accepted Masons, to visit Lodges under the Grand Lodges of Colorado, Minnesota and the state of North Dakota." The Edict made specific mention of the fact that it did not prohibit visits to Lodges in West Virginia by Masons from those Grand Lodges that permitted visitation with Prince Hall Lodges. It supplemented a similar Edict, which the Grand Master had issued previously with respect to the Grand Lodges of Connecticut, Wisconsin, Nebraska and the State of Washington.

The Chairman of the Committee on Foreign Correspondence made an interesting general observation concerning Masonic Grand Lodges throughout the world. He wrote in his report: "We have reviewed the proceedings of 52 Grand Lodges of other Grand Jurisdictions. A conservative atmosphere seems to exist in the several Grand Lodges, except in the Grand Lodges of the United States where there is a tendency to emphasize social features and the recognition of Prince Hall Grand Lodges (which we consider clandestine)."

Speaking to the April Communication of Grand Lodge, M.W. Bro. C. A. Knuckey identified a number of major areas of concern regarding the current status of the Craft in Western Australia. Among them were: failing membership; frequent charter surrenders and lodge amalgamations; poor lodge room facilities; inadequate funds for renovation and maintenance of lodge rooms; diverse ownership of lodge facilities; insufficient utilization of metropolitan facilities. In addition, the Grand Master commented that "There is a lack of understanding of the activities of the administration and operations of Grand Lodge among the membership generally." M.W. Bro. Knuckey announced that, in order to develop what he called a "Corporate Plan," he had appointed "Working Parties" to consider problems which he had identified. These "Working Parties" were instructed to invite comments and suggestions from all lodges in the jurisdiction, especially from younger members.

The Grand Master concluded his Report on the Future of Masonry with a promise to do his utmost for the future of Freemasonry in Western Australia. And he asked this question: "Are you prepared to do likewise? To that question I seek an answer in action, not just in words."

An announcement was made at the October Communication that the Board of General Purposes had "granted approval in principle for a limited number of the rituals to be produced in larger print to help brethren with poor sight."

**ADDRESS BY  
W. BRO. HIS EXCELLENCY IDRIS G. REID  
AT THE  
GRAND MASTER'S BANQUET  
JULY 21, 1993**

---

**INTRODUCTION OF GUEST SPEAKER  
BY M.W. BRO. N. E. BYRNE, GRAND MASTER**

Distinguished Guests and my brethren;

Many of you came to this banquet tonight expecting to hear an address from Bro. John Robinson. Bro. Robinson is not here to deliver that address. Bro. Robinson, unfortunately, is presently in his home in Cincinnati—a very sick man, for our brother is fighting cancer and trying to recover from chemotherapy and the effects of some recent surgery. Just a week and a half ago I spoke with his dear wife Bernice and learned that Bro. Robinson was just too weak to travel to Toronto to be here with us tonight. On your behalf and on behalf of our Grand Lodge I asked his wife Bernice to pass on to Bro. John our hopes and prayers for his healthful recovery soon, and our understanding of why he is unable to be with us this evening. I am upset that this fine Mason could not be with us at this Annual Communication due to his present health condition, to share his stories and his good humour with us, because I know how much he was looking forward to being here. Hopefully in the future you will have an opportunity to meet him and perhaps hear him speak.

From a more positive point of view, I am extremely indebted and thankful to another fine Brother Mason who very graciously has helped me out of a difficult situation. He is an extremely busy man, yet he agreed to join us here tonight to address you all at this Grand Master's Banquet.

I refer to our distinguished speaker of the evening, His Excellency, W. Bro. IDRIS G. REID, High Commissioner to Canada for the Commonwealth of the Bahamas, I.P.M. of Doric Lodge No. 58 G.R.C., Ottawa.

W. Bro. Reid was born where most of us would long to be in the cold winter months of Canada—in Nassau, Bahamas. What a wonderful place to come from! He received his early education in the Bahamas and graduated from the University of Manchester, in England, where he studied Public Administration.

Our brother commenced his diplomatic career in the public service of the Bahamas and served his government in many areas. In 1982, he was appointed Permanent Secretary in the Ministry of Agriculture, Fisheries and Local Government, and was a delegate to one of the organizations of the U.N. Four years later, he became Chief of Protocol in the Ministry of Foreign Affairs. He is no stranger to Canada, for in the following year he was a delegate of his country to the 1987 meeting of the Commonwealth Heads of Government Secretariat, meeting in Vancouver.

He has just returned from Nassau, where he was a delegate to the 14th meeting of the Conference of Heads of Government of the Caribbean Community.

In 1988, W. Bro Reid was appointed High Commissioner to Canada by his government and took up his active duties in Ottawa, where he is currently residing.

Our brother has been an active churchman in the Anglican Church as a member of the Vestry of the Parish of St. Mary the Virgin in Nassau. The Lord Bishop of Nassau and the Bahamas appointed him, over thirty-seven years ago, a Lay Reader. Our own Past Grand Master, M.W. Bro Eric W. Nancekivell and W. Bro. Reid will be able to compare notes after our banquet this evening, for we all know that he too is a distinguished Lay Reader of the Anglican Church.

Here in Canada our distinguished Brother became active in St. Barnabas Church in Ottawa, serving as Deputy Warden of the Parish and a member of Council.

Masonically speaking, W. Bro. Reid first saw the light of Masonry in Lodge St. Michael No. 1634 S.C. in Nassau, Bahamas. Here in Ottawa he affiliated with Doric Lodge No. 58 G.R.C. and has just completed a very successful term as Worshipful Master. He is currently I.P.M. and is still an active and highly respected member of that lodge.

The Masonic Jurisdictions of Jamaica and the Bahamas have, in their wisdom, seen fit to honour our Brother. He is a Past Honourary District Grand Sword Bearer of the District Grand Lodge of Jamaica, and the District Grand Lodge of the Bahamas S.C. appointed him Honourary District Grand Senior Warden. He is an active Royal Arch Mason in Canada and in the Bahamas.

Masonry and service to his country and to his church have not taken all of his time, as he has served his community as a Past President of the Kiwanis Club of Fort Montagu and as Lieutenant Governor of Division 22 of the Eastern Canada and Caribbean District of Kiwanis International. He has been honoured by Kiwanis, having been chosen by his Club in 1966 as Kiwanian of the Year.

As though all of the activities above were not enough, our Brother is a family man, and his lovely wife Gwen has joined him on his visit to this Annual Communication, and, at this very moment, is with our Grand Lodge ladies and the ladies of guests enjoying dinner, without playing second fiddle to their husbands. The Reids have two

children—a son, Julian, who is following in his father's footsteps and is presently in London, England, as a Foreign Service Officer. Their daughter Nicola is a student at Carleton University, studying Mass Communication.

In his private times, W. Bro. Reid enjoys cycling, swimming, fishing, birding, and short wave radio listening. Our Grand Secretary, whose expertise in Ham Radio is well known, will have to compare notes with our speaker later.

Brethren, this man, this diplomat, this Mason, distinguished in so many fields, has graciously joined us this evening to share with us his experiences as a diplomat and as a Mason, and I know he will enlighten us all with his remarks. But to your Grand Master he has been a private Godsend—I just don't know what I would have done without him and I thank him from the bottom of my heart. As Grand Master, I am delighted and proud to present to you His Excellency Mr. Idris G. Reid, High Commissioner to Canada for the Commonwealth of the Bahamas, a distinguished and dedicated Past Master of one of our very active lodges—my brother and my friend.

### "THE POWER WITHIN US"

Most Worshipful Grand Master, Officers and Members of the Grand Lodge of Canada in the Province of Ontario, Distinguished Visitors, Brethren All:

I feel deeply honoured to have been invited to address such a distinguished gathering as this, and I am very grateful for the opportunity which this occasion presents. I believe firmly that, as Masons, we can affect the future of this world, because the power is within us.

The gathering of Grand Lodge is always an impressive experience, and particularly as it provides the opportunity for us to observe in action so many talented men of eminence and high ability who give so freely of themselves in the cause of the success of this great Institution. I offer my sincere congratulations to all of the Officers of this Grand Lodge for their valiant service to each and every District and Lodge across the vastness of the Province of Ontario. Your dedication and service is respected and highly valued by all of us, and we applaud and support your laudable efforts which add to the testimony that the power is within us.

As we meet in this convention, the world about us is reeling with unimagined problems and difficulties. Not very far from this place, across the border, the mighty Mississippi River is demonstrating the awesome power of Nature, and perhaps thereby

reminding mankind that we are indeed subject to a Higher Power, and that despite our advances in education, technology and other sciences, our ability to harness the works of the Creator is indeed limited.

Across the Atlantic Ocean, we see, by way of the medium of television and satellite transmission, in very graphic detail, the effects of man's inhumanity to man. In the former Yugoslavia, ethnic strife ably supported by the proliferation of arms and armaments is resulting in the barbaric slaughter of neighbours by neighbours, and the senseless maiming of women and children on a scale never before conceived as something which could occur in the enlightened 1990s.

In Somalia and other parts of Africa we are confronted with the dreadful spectre of famine, poverty and deprivation. The forces of the United Nations seem unprepared, or incapable of bringing relief to the starving masses, without being themselves killed, or killing those whom they are there to save.

In South Africa we see the light at the end of the dark tunnel of racial oppression. That light, though only a feeble ray, is hopefully the beginning of the official end of the domination of the majority by the minority because of the colour of the skins of the majority. Every person who respects the principles of freedom, democracy and human dignity must demand that the evil spectre of Apartheid should never again enslave people anywhere. The power is within us!

In our own western hemisphere, indeed in the beautiful and peaceful Caribbean region, the forces of democracy in Haiti, together with the United Nations, are locked in the struggle to restore the democratic rights which many of us enjoy and take for granted. In Cuba, the policy of exclusion applied for the last 30 years is still being enforced and re-enforced within and without, despite the declarations to which all nations have subscribed, wherein all accept the inherent right of every people to determine their own affairs. This policy of exclusion, will, I fear, result in another long period of distrust and division between Cubans and those who refuse to make contact in the cause of good and humanitarian responsibility.

Almost every country on this planet is seriously beset with problems of economic development. Daily we hear of rising unemployment, population explosion, abandoned children without food or shelter, unprecedented wanderings of refugees and runaways, catastrophic increase in crime and disease, the growing problems of inner cities, fear of the future, and the casting aside of values so long established and proven. In some areas, men have seemingly lost their reason and it sometimes appears that confusion reigns supreme even among those who are the elected problem-solvers. The very foundations of some societies are being fearfully shaken. Nations are banding together in trading alliances in the effort to forestall protectionism, in the expectation of stimulating economic activity, and creating employment. All this, my Brethren, constitutes a bleak picture.

Many of our time-honoured institutions, including our religious organizations,

appear to be foundering in the turbulent seas of our time, and in their quest for relevancy they seemingly lose their direction. It is, for some, a time to recall the past when things were different. When respect for the law was the accepted standard, and when civil and religious leaders conducted their offices with admirable quality.

Yes, my Brethren, the world about us has never been more in need of standards and principles which are taught by example rather than by precept. The enrichment of the tapestry of life in every corner of this world, and in this Province, is very much within the capability of Masons, collectively and individually. The power is within us!

It is in such a world that we have elected to live as Freemasons, and to practise standards of a higher nature. The principles and standards which we embrace are in need of affirmation everywhere if our societies are to successfully deal with the problems at hand.

It is in this seemingly hostile environment that Freemasonry continues to prosper and develop. However, some sections of the Christian Church, especially those of the fundamentalist and ultra-right wing persuasions, continue their relentless attacks on our Noble Order; in most cases simply because they do not understand, or they refuse to accept, that our motives are pure. As Freemasons, we endeavour to maintain high standards of morality in a secular world, and it would appear reasonable to expect the churches to do all they can to encourage the practice of moral living in what is obviously more and more a violent and amoral world.

As Freemasons, I believe, we are all, at every level, called to leadership. I believe that every city, every town, every village, every community, every place in every corner of this Jurisdiction and this World needs the dedicated Masonic presence and activity in every aspect of their existence. I wish here to congratulate our Most Worshipful Grand Master, and the Officers of Grand Lodge, for the initiatives already taken towards opening the windows of the Craft so that the outside world may gain if only a glimpse of who and what we are. I believe this is an essential part of creating the right atmosphere for understanding.

These commendable efforts will only come to fruition, however, through the individual and collective attitudes which we demonstrate not only in our Lodges, but in our communities. Freemasons must be seen and recognized as men who publicly practise the principles of our Order. Against these alone and completely, the world will know us and either respect or reject us according to our application of these principles in our daily lives.

As a Freemason, arriving in Ottawa to assume my duties, I was eager to find a Lodge for several reasons. My level of commitment and activity in my Mother Lodge—Lodge St. Michael No: 1634 S.C.—was a cherished experience which I did not wish to diminish, and I was certain that the comfort and support of Brethren would be an important asset in the performance of my duties as Ambassador for my Country. I knew that the "constituency" I would find in the Lodge would be a most welcome

refuge from the rigours and strictures of diplomatic existence.

I am proud of my association with the Masons of Ottawa in general, and with Doric Lodge No. 58 in particular. It is there that I found a solid core of dedicated men of high principle whose lives are built around their commitment to the Craft, and to the success of that Lodge. I wish, in the presence of this grand assembly, to pay tribute to them and to observe that they are men worthy of emulation and respect. I thank them and this Grand Lodge for allowing me the privilege of association and service.

While in many of our Lodges there exists such a core of dedicated leadership, it is generally comprised of Brethren who are older in age than many of us. We must do all within our power to encourage others to widen that solid core for they are the very foundation of the future.

My involvement in Doric Lodge must, somehow, have impressed its membership since I was quickly, and willingly, harnessed into the work of the Lodge. As Master in 1992/3 I accepted the challenge, and with the support of all the Brethren, we had what many have described as a "very good year."

As Master, I called upon members to re-dedicate themselves to excellence, and observed that such excellence could come only through participation, education and fraternal visitation. I emphasized the great and invaluable privileges which Freemasonry affords, but which only can be truly experienced through involvement and commitment. And so, we developed opportunities for exposure to Masonic education and instruction, and a programme of fraternal visitations which took us to every Lodge in our District and beyond.

I am, naturally, particularly proud of the annual fraternal exchanges between Doric Lodge and Lodge St. Michael in Nassau, Bahamas, which began in 1991. These exchange visitations have now developed to include Brethren from other Lodges in Ottawa, and from Lodges under the Grand Lodge of Quebec which meet in the National Capital Region. That "utmost extension of fraternal feeling and affection" has developed into meaningful friendships and understanding beyond the borders of Canada and The Bahamas. I am confident that those relationships will continue to the mutual benefit of both countries as partners in the process of the development of global understanding. I believe also that, as a result, relationships between this Grand Lodge and the Grand Lodge of Scotland have heightened, since those visitations have produced a greater understanding and appreciation of each other's history, ritual and experiences, and I believe that this augurs well for the Craft in general.

In testimony of the heightening of these relationships, the Grand Lodge of Scotland has approved the preferment to the Honorary rank of District Grand Senior Warden to R.W. Bro. Edward J. Hare, Past District Deputy Grand Master of Ottawa District 1. R.W. Bro. Hare, a member of Doric Lodge, has been an ardent supporter of the Canada/Bahamas connection since its inception.

We were honoured, on our visit to Nassau in February of this year, to have our distinguished District Deputy Grand Master, R.W. Bro. William D. Burns, as a part of the group, and I wish to recall some of his comments in responding to the Toast to our Grand Lodge since I believe they are important to this occasion. He said that, among other things, the visit had caused him to recall how interaction among Masons included the capacity simply to have fun. Wholesome fun among Brethren is an essential ingredient to real brotherhood, and as R.W. Bro. Burns observed, it is a sometimes forgotten element in the processes of our existence. Wholesome fun exposes each of us to an experience of the other beyond the limits of the tiled and peaceful recesses of our lodge rooms. Getting to really know each other is an essential duty, which will assist in the fullest development of the power within us to become effective.

I referred earlier to the importance of Masonic education. I believe that an intrinsic part of our preparedness for response to the baseless and unwarranted attacks on our beloved Order is an intensified programme, in every lodge, of Masonic education and instruction. Regrettably, many Brethren are not adequately equipped to defend the Craft in their own consciences and, when attacks come, they are in difficulty and they do not know where to find the right answers. Masonic education in the informal setting of the home, or the refreshment areas of our Masonic Centre, have produced good results, particularly as it affects newer Brethren. My own experience has confirmed the validity of the concept and I recommend it highly; not as a replacement of the more formal settings within the Lodge, but to supplement it.

The importance of the quest for excellence in performance of the Work cannot be overemphasized. However, there is an inclination to regard good ritualism alone as the measure of the worth of a Brother. Such regard, in my view, tends to place Brethren who may be less able, or deficient, as ritualists in a secondary category. But the concept of brotherhood requires that we ensure a clear understanding of equality among the Brethren, regardless of their ability in the performance of the Work. All of us possess varying gifts and talents which our Lodges need, in order to achieve wholeness, and we must, as leaders, harness all the talent and channel it to the full benefit of the Order. Unless this matter is addressed, the result is usually an apathetic member who eventually falls away after being seemingly ignored and pushed aside. It would do well, I think, if those of us who are privileged to occupy the East in our Lodges, as we look at the faces of our Brethren in the North, South and West would recall the words of Arthur Hugh Clough:

"And not by eastern windows only  
When daylight comes, comes in the light,  
In front the sun climbs slow, how slowly,  
But westward, look, the Land is bright!"

My experience in Canada over the past five years has been an invaluable education about the history and development of this great Nation. I have been fortunate to visit cities and communities from St. John's, Newfoundland, in the East, to Victoria, British Columbia, in the West, and Resolute Bay in the North, to Windsor, Ontario, in the

South. These travels have permitted me to gain an understanding not only of the past, but also a vision of the future as expressed by the minds of men and women from every walk of life and activity. This is truly a beautiful and blessed land!

Canada's rich cultural heritage, reposed firstly in Native Canadians, then in the translated cultures of the French and English settlers, the other Europeans and Asians, and the Africans and Latin Americans is a rich mixture of the global scene. This mosaic of cultures is a major factor in the process of growth and development, and so, the future of this great country will depend on how those cultures can work together for the common good. Against that background we, in this jurisdiction, ought to be concerned that our Fraternity should reflect the Canadian Mosaic if it is to be relevant now and in the future. We need not, in undue haste, charge into our communities to bring into membership those cultures we now lack, but resolute action must be taken in a determined effort so that the image we mirror as a group in the society will identify us as a meaningful part thereof.

My own concern is based on the response I got from Brethren when I enquired about the absence of the mosaic within the Lodges. That response has been, "Well, many of us do not really know them well enough!" And therein, I believe, lies the crux of the problem which needs to be addressed.

If, as Freemasons, we exercise leadership in our communities, we shall have the opportunities to meet and know native Canadians, Europeans, Asians, Africans, Latin Americans and others who constitute the mosaic. They are all in our churches, our Parents/Teachers Associations, school boards, relief organizations, the community groupings, sporting clubs and, indeed, right in our very neighbourhoods and apartment complexes. Notwithstanding our procedures against solicitation, I believe we can attract men of other ethnic and cultural backgrounds simply by demonstrating the virtues which we profess to admire as Masons. The power is within us!

When we are known beyond the Lodge as good men and true, and it becomes clear that those virtues which others see in us emanate from our commitment to the high principles of this great Institution, others will seek us out in pursuit of those admirable qualities. We will have thereby created in the minds of others that "favourable opinion preconceived of the institution" which we seek in all who knock upon the door.

As Master of my Lodge, I found that part of the stimulation of the membership had to include a programme of social activity among the Brethren. Freemasonry is only one of the organizations which our communities see as groups in the society. To some extent, we contend alongside organizations like Rotary, Kiwanis, Lions and others, and some regard us as a social or service club. It might benefit us to pay some attention to how those organizations maintain the interest of their membership. Most certainly one of those ways, enunciated in another part of our own ceremonies, is to ensure that our meetings are indeed "intended to cultivate and enlighten the mind, to induce the habit of virtue and to strengthen the fundamental principles of our Order—Brotherly

Love, Relief and Truth." And as the words of Very Worshipful Brother Otto Klotz remind us further: ". . . if these meetings are blended with social mirth and a mutual interchange of fraternal feeling . . ." we may hope to achieve what our Order expects of us. The power is within us!

I beg your indulgence further to mention what I call a competition within, which I have observed with concern. This competition within includes what has been described as the rush to "get past the chair," and the process of attracting new Masons to the so called "higher degrees."

Somewhat to my surprise, I have encountered Master Masons of experience who have no real desire to achieve the Master's Chair. These are not men who lack interest, ability or motivation; indeed, they are highly motivated and diligent members. Somehow, without intention, the idea is promoted among new Masons that they should, in as short a time as possible, "get past the chair," and although the Chair is most certainly a very desirable objective, you will agree that it must be approached within the capacity of a firm foundation in Masonic education and instruction. I have noticed in at least one Lodge, that new Master Masons are encouraged to affiliate because of the availability of a seeming shortcut to the East. Such a practice, if unchecked, will in time produce worse effects than decline in membership, if we are not careful.

The other competition concerns the so called "higher degrees" and the competition for the attention of new Master Masons. In that quest these inexperienced Brethren are attracted by the short route to the 32nd Degree which, with some encouragement, they are persuaded to believe is the ultimate achievement.

While, of itself, membership in our allied bodies should result in increased dedication and experience for every Mason, I believe a cursory examination will show that attendance at Craft Lodges is increasingly negatively affected after a Brother joins them. All of us are part of the whole, and there should be no real competition inasmuch as our common objectives are clear. Those of us who hold leadership positions in the allied bodies ought to take due note of the problems and address them accordingly, by ensuring that members of those bodies are cognizant of the importance of their Craft Lodge membership and their continued activity therein. We must not, I believe, encourage total attention to numbers at the expense of quality in every one of our Lodges and allied organizations. The very future of the whole Order depends on the quality of our membership.

My Brethren, I affirm my own belief that the future of Freemasonry shines brightly in the Light of the Great Architect of the Universe.

As leaders in this great Craft, our solemn duty is to encourage the practice of those principles of the purest morality and, as we penetrate through the veil which obscures them in allegory and symbol, to remember that others are looking to us to become acquainted with our mysteries. We must therefore open the windows of our hearts and

minds so that we may transmit, pure and unimpaired, that true light which, when observed in propriety, will most certainly lead us to success in our Lodges and to the Grand Lodge above.

We must each continue in the confidence of God's guidance and make that positive contribution which is uniquely ours, no matter our station in life, and no matter where we sit in Lodge.

In his *"Treasury of Masonic Thought"* R. L. Sharpe sets out in ample measure the task which is ours and on which the world could confidently rely as part of the answer, rather than a part of the problem:

"Isn't it strange that Princes and Kings,  
and Clowns that caper in sawdust rings,  
and common people like you and me  
are Builders for eternity!  
Each is given a Book of Rules  
And a bag of Tools  
And each must make,  
Ere life has flown  
A stumbling block  
Or a stepping stone."

We must ensure that all our Brethren enjoy the capacity to build stepping stones—stepping stones which will unite us as Brethren and link our communities, towns, cities, this whole Province, and indeed countries beyond our borders.

We can do it, because the power is within us!

I Thank You.

## DEPUTY GRAND MASTER'S THANKS TO W. BRO. REID

Worshipful Brother Idris Reid:

On behalf of the Grand Master, M.W. Bro. Norman E. Byrne, and the distinguished guests and brethren, it is my honour to thank you for that most inspiring address.

Worshipful Sir, I first had the opportunity of meeting you when you were installed in the Chair of King Solomon, in Doric Lodge No. 58, G.R.C., and I was impressed with your manner and in the way you handled that night. Indeed, I was so impressed

that I recommended to our Grand Master that you be given tickets for this evening's banquet . . . (laughter).

I am delighted, and I am sure that I speak for all brethren present, that our Grand Master accepted that recommendation. Worshipful Sir, you have reminded the brethren of the many challenges we face, and the opportunities which abound as we ensure that our friends and neighbours know of us and our plans.

Worshipful Sir, the rapt attention during your message was a clear indication that we will remember your words for many years to come, and I ask the brethren to stand and express their appreciation.

C. E. DREW
